SCHEDULE OF MAXIMUM TOLLS AND CHARGES, AND CLASSIFICATION A.D. 1894.
 OF THE MERCHANDISE TRAFFIC APPLICABLE TO THE RIVER
 ANCHOLME NAVIGATION, THE BASINGSTOKE CANAL NAVI-
 GATION, THE DRIFFIELD NAVIGATION, THE EXETER CANAL,
 5 THE FOSS NAVIGATION, THE GRAVESEND AND ROCHESTER
 CANAL, THE IPSWICH AND STOWMARKET NAVIGATION, THE
 KENSINGTON CANAL, THE LEVEN CANAL, THE LINTON LOCK
 NAVIGATION, THE MARKET WEIGHTON NAVIGATION, THE
 10 NORTH WALSHAM AND DILHAM CANAL, THE OUSE LOWER
 NAVIGATION (SUSSEX), THE OUSE NAVIGATION (YORK), THE
 THAMES AND SEVERN NAVIGATION, AND THE ULVERSTON
 CANAL.

GENERAL SECTIONS APPLICABLE TO ALL THE CANALS
 TO WHICH THIS SCHEDULE APPLIES.

15 I.—MAXIMUM TOLLS AND CHARGES.

1. Table A. in this schedule is divided into two parts and shall be deemed
 part of this schedule. Part I. of the table contains the maximum tolls and
 wharfage charges which the Company may charge in respect of the
 merchandise comprised in the several classes of merchandise specified in
 20 the classification when conveyed by a bye-trader over the canal. Part II.
 of the table contains the exceptional charges which the Company may charge
 in respect of the articles, goods, and things specified in that part, and the
 circumstances in which the exceptional charges may be made.

Division of
 schedule.

2. The maximum tolls are the maximum tolls which the Company may
 25 charge in respect of the use of the canal by a bye-trader conveying
 merchandise over the same.

Maximum
 tolls.

3. The maximum wharfage charges are the maximum charges which the
 Company may make for the use of a bye-trader or other person, for a
 reasonable period, of a landing place (exclusive of cranes, and the machinery,
 30 plant, and power for working the cranes, and provision of labour in connexion
 therewith) provided by the Company at a terminal station for the purpose of
 loading or unloading merchandise, and for the purpose of the bye-trader
 dealing with merchandise as a carrier thereof before or after conveyance over
 the canal.

Maximum
 wharfage
 charges.

35 4. The Company may charge for the services hereunder mentioned, or any
 of them, when rendered to a bye-trader or other person at his request or for
 his convenience, a reasonable sum in addition to all other tolls and charges.

Special
 charges.

4 *Canal Tolls and Charges Provisional Order (No. 7) [57 VICT.]*
(River Ancholme, &c.).

A.D. 1894. Any difference arising under this section shall be determined by an arbitrator to be appointed by the Board of Trade at the instance of either party :
River
Ancholme, &c. Provided that where before any such service is rendered to a bye-trader or other person, he has given notice in writing to the Company that he does not require it, the service shall not be deemed to have been rendered at his request or for his convenience :—

- (i.) The collection or delivery of merchandise outside the terminal station.
- (ii.) Weighing merchandise.
- (iii.) The use or occupation of any wharfage accommodation before or after conveyance, beyond such period as shall be reasonably necessary for enabling the bye-trader to deal with the merchandise as carrier thereof, or the consignor or consignee to give or take delivery thereof, and services rendered by the Company in connexion with such use or occupation. 10
- (iv.) Loading or unloading or covering or uncovering merchandise comprised in any class of the classification when conveyed by a bye-trader over the canal. 15
- (v.) The use of coal or other drops.
- (vi.) The use of cranes and the machinery, plant, and power for working the cranes and provision of labour in connexion therewith. 20
- (vii.) The provision of towage or other motive power for a bye-trader.
- (viii.) The use or occupation of a berth or lay-bye or canal basin belonging to the Company, and not being the canal or lay-bye or canal basin alongside any private wharf, by a bye-trader's boat beyond a reasonable period for loading or unloading ; but no charge shall be made for boats tied up or moored at night or when not at work, provided that the traffic of the canal or of a terminal station or canal basin is not thereby impeded. 25
- (ix.) For gauging or re-gauging and weighing or re-weighing boats for the purpose of ascertaining their carrying capacity, and for providing and fixing gauge plates or other indices on boats. 30

Gauging and weighing register.

5. Where the Company gauge or re-gauge or weigh or re-weigh a boat, the book containing the record of the gauge or weight shall be open to inspection at all reasonable times at the principal office of the Company, or at the weighing station of the Company where such boat was last weighed. 35

Charges for wharves, lay-byes, &c., under agreement.

6. Nothing herein contained shall prevent the Company from making and receiving in addition to the tolls and charges specified in this schedule, charges and payments, by way of rent or otherwise, for wharves and lay-byes and other structural accommodation provided or to be provided by the Company for the use of a bye-trader or other person, or for easements, rights, or privileges granted or to be granted by the Company to a bye-trader or other person, provided that the amount of such charges or payments is fixed by an agreement in writing signed by the bye-trader or such other person or by some person duly authorised on his behalf but nothing in this schedule contained shall authorise the Company to make any charge for loading or 45

unloading over the tow paths or canal banks, provided no injury is done to the property of the Company or obstruction caused to the traffic passing on the canal. Any difference arising under this section shall be determined by an arbitrator to be appointed by the Board of Trade.

A.D. 1894.

*River
Ancholme, &c.*

- 5 7. Where it is necessary that merchandise should be transhipped from one boat to another boat, in consequence of the boat not being able, owing to its dimensions or draft of water, to proceed over any canal through or along which the traffic is to be conveyed, or where such transhipment is necessary for the purpose of navigating tidal waters beyond the limits of the canal the
- 10 Company may make a reasonable charge for any services of transhipment performed by them, the amount of such charge to be determined in case of difference by an arbitrator to be appointed by the Board of Trade. Provided that for the aforesaid services of transhipment no other charge than is
- 15 authorised in this section shall be made under any other provision of this schedule. Provided also that no such charge shall be made in any case where transhipment has been rendered necessary by the neglect of the Company. Provided also that where transhipment is rendered necessary by a change in the breadth of such canal, such transhipment shall not be held to constitute a re-consignment for the purpose of calculating the distance over
- 20 which the merchandise so transhipped is conveyed.

Charges for
transhipment.

II.—PROVISIONS AS TO FIXING TOLLS AND CHARGES.

8. The Company may charge for a fraction of a ton according to the number of quarters of a ton in that fraction and a fraction of a quarter of a ton may be charged for as a quarter of a ton.
- 25 9. For a fraction of a penny in the gross amount of tolls and charges for any consignment for the entire distance conveyed the Company may charge a penny.
10. Weight (except as herein-after provided as to timber), shall be determined according to the imperial avoirdupois weight, which may be ascertained
- 30 by actual weighing or by the tonnage gauges or indices of the boat containing the merchandise, but in case of dispute either the Company or a bye-trader may insist upon an actual weighing, the cost of which and of the necessary unloading and reloading shall be borne by the party in error.
11. Forty cubic feet of oak, mahogany, teak, beech, greenheart, ash,
- 35 hickory, ironwood, bay wood, or other heavy timber, and 50 cubic feet of poplar, larch, fir, elm, birch, lance wood, walnut, or other light timber other than deals, battens, and boards, and 66 cubic feet of deals, battens, and boards shall be charged for as one ton, and smaller quantities shall be charged for in the like proportion. The cubic contents of timber (other than round
- 40 timber) shall be ascertained by the mode of measurement in use for the time being, and the cubic contents of round timber shall be ascertained by quarter girth and the divisor of one hundred and forty-four (measurement being taken by tape over bark).

*River
Ancholme, &c.*
Provisions as
to declaration.

12. The Company may demand that any trader or bye-trader shall forward a declaration to the Company setting forth the true description and dimensions of timber conveyed by or for him, and the cubic contents of the same. In the event of doubt as to the correctness of such declaration the Company may insist upon measuring the timber, the cost of which measuring and of necessary unloading and reloading shall be borne by the party in error, or the Company may demand either from the consignor or consignee of such timber, or from the bye-trader, a copy of the invoice of the timber and a statutory declaration of the correctness of the same. Upon failure or refusal, after reasonable notice, to furnish any of the aforesaid documents, the Company shall have power to charge either the consignor or consignee or the bye-trader, according to the avoirdupois weight of the timber to be ascertained in the same manner as the weight of other merchandise.

III.—MISCELLANEOUS.

Classification
of unenum-
erated articles.

13. In respect of any merchandise or article of any description which is not specified in the classification, the Company may, unless and until such merchandise or article is duly added to this classification and schedule pursuant to sub-section 11 of section 24 of the Railway and Canal Traffic Act, 1888, make the charges which are by this schedule authorised in respect of merchandise and things in class B.

Returned
empties.

14. In respect of returned empties conveyed by a bye-trader over the canal from the same place and consignee to which and to whom they were carried full, to the same place and consignor from which and from whom they were carried full by the same bye-trader and by the same route, the Company may charge the maximum tolls and charges as if such returned empties were merchandise included in the same class of the classification as comprises the merchandise which was carried in such empties when full.

Arbitration.
37 & 38 Vict.
c. 40.

15. The Board of Trade Arbitrations, &c. Act, 1874, shall, so far as applicable, apply to every determination of a difference or question by arbitration under the provisions herein contained.

Recovery of
tolls and
charges from
bye-traders.

16. If on demand any bye-trader fail to pay the tolls or charges due to the Company in respect of any boat or merchandise, it shall be lawful for the Company to detain and sell such boat or all or any part of such merchandise, or, if the same have been removed from the canal or the premises of the Company, to detain and sell any other boats or merchandise on the canal or within such premises belonging to the bye-trader liable to pay such tolls or charges, and out of the moneys arising from such sale to retain the tolls and charges payable as aforesaid and all expenses of such detention and sale, rendering the overplus, if any, of the moneys arising by such sale, and such of the boats or merchandise as shall remain unsold, to the bye-trader or person entitled thereto, or it shall be lawful for the Company to recover any such tolls or charges by action in any court of competent jurisdiction.

GENERAL SECTIONS APPLICABLE TO ALL THE CANALS
TO WHICH THIS SCHEDULE APPLIES.

15 I.—MAXIMUM TOLLS AND CHARGES.

1. Table A. in this schedule is divided into two parts and shall be deemed part of this schedule. Part I. of the table contains the maximum tolls and wharfage charges which the Company may charge in respect of the merchandise comprised in the several classes of merchandise specified in the classification when conveyed by a bye-trader over the canal. Part II. of the table contains the exceptional charges which the Company may charge in respect of the articles, goods, and things specified in that part, and the circumstances in which the exceptional charges may be made. Division of
schedule.

2. The maximum tolls are the maximum tolls which the Company may charge in respect of the use of the canal by a bye-trader conveying merchandise over the same. Maximum
tolls.

3. The maximum wharfage charges are the maximum charges which the Company may make for the use by a bye-trader or other person, for a reasonable period, of a landing place (exclusive of cranes, and the machinery, plant, and power for working the cranes, and provision of labour in connexion therewith) provided by the Company at a terminal station for the purpose of loading or unloading merchandise, and for the purpose of the bye-trader dealing with merchandise as a carrier thereof before or after conveyance over the canal. Maximum
wharfage
charges.

4. The Company may charge for the services hereunder mentioned, or any of them, when rendered to a bye-trader or other person at his request or for his convenience, a reasonable sum in addition to all other tolls and charges. Special
charges.

4 *Canal Tolls and Charges Provisional Order* [57 & 58 VICT.]
(No. 7) (*River Ancholme, &c.*).

- A.D. 1894. Any difference arising under this section shall be determined by an arbitrator to be appointed by the Board of Trade at the instance of either party :
River
Ancholme, &c. Provided that where before any such service is rendered to a bye-trader or other person, he has given notice in writing to the Company that he does not require it, the service shall not be deemed to have been rendered at his request or for his convenience :—
- (i.) The collection or delivery of merchandise outside the terminal station.
 - (ii.) Weighing merchandise.
 - (iii.) The use or occupation of any wharfage accommodation before or after conveyance, beyond such period as shall be reasonably necessary for enabling the bye-trader to deal with the merchandise as carrier thereof, or the consignor or consignee to give or take delivery thereof, and services rendered by the Company in connexion with such use or occupation.
 - (iv.) Loading or unloading or covering or uncovering merchandise comprised in any class of the classification when conveyed by a bye-trader over the canal.
 - (v.) The use of coal or other drops.
 - (vi.) The use of cranes and the machinery, plant, and power for working the cranes and provision of labour in connexion therewith.
 - (vii.) The provision of towage or other motive power for a bye-trader.
 - (viii.) The use or occupation of a berth or lay-bye or canal basin belonging to the Company, and not being the canal or lay-bye or canal basin alongside any private wharf, by a bye-trader's boat beyond a reasonable period for loading or unloading ; but no charge shall be made for boats tied up or moored at night or for a reasonable time when not at work, provided that the traffic of the canal or of a terminal station or canal basin is not thereby impeded.
 - (ix.) For gauging or re-gauging and weighing or re-weighing boats for the purpose of ascertaining their carrying capacity, and for providing and fixing gauge plates or other indices on boats.
5. Where the Company gauge or re-gauge or weigh or re-weigh a boat, the book containing the record of the gauge or weight shall be open to inspection at all reasonable times at the principal office of the Company, or at the weighing station of the Company where such boat was last weighed.
6. Nothing herein contained shall prevent the Company from making and receiving in addition to the tolls and charges specified in this schedule, charges and payments, by way of rent or otherwise, for wharves and lay-byes and other structural accommodation provided or to be provided by the Company for the use of a bye-trader or other person, or for easements, rights or privileges granted or to be granted by the Company to a bye-trader or other person, provided that the amount of such charges or payments is fixed by an agreement in writing signed by the bye-trader or such other person or by some person duly authorised on his behalf but nothing in this schedule contained shall authorise the Company to make any charge for loading or

- 5 7. Where it is necessary that merchandise should be transhipped from one boat to another boat, in consequence of the boat not being able, owing to its dimensions or draft of water, to proceed over any canal through or along which the traffic is to be conveyed, or where such transhipment is necessary for the purpose of navigating tidal waters beyond the limits of the canal the
- 10 Company may make a reasonable charge for any services of transhipment performed by them, the amount of such charge to be determined in case of difference by an arbitrator to be appointed by the Board of Trade. Provided that for the aforesaid services of transhipment no other charge than is authorised in this section shall be made under any other provision of this
- 15 schedule. Provided also that no such charge shall be made in any case where transhipment has been rendered necessary by the neglect of the Company. Provided also that where transhipment is rendered necessary by a change in the breadth of such canal, such transhipment shall not be held to constitute a re-consignment for the purpose of calculating the distance over
- 20 which the merchandise so transhipped is conveyed.

Charges for
transhipment.

II.—PROVISIONS AS TO FIXING TOLLS AND CHARGES.

8. The Company may charge for a fraction of a ton according to the number of quarters of a ton in that fraction and a fraction of a quarter of a ton may be charged for as a quarter of a ton.

Fraction of a
ton.

- 25 9. For a fraction of a penny in the gross amount of tolls and charges for any consignment for the entire distance conveyed the Company may charge a penny.

Fraction of a
penny.

10. Weight (except as herein-after provided as to timber), shall be determined according to the imperial avoirdupois weight, which may be ascertained
- 30 by actual weighing or by the tonnage gauges or indices of the boat containing the merchandise, but in case of dispute either the Company or a bye-trader may insist upon an actual weighing, the cost of which and of the necessary unloading and reloading shall be borne by the party in error.

Weight.

11. Forty cubic feet of oak, mahogany, teak, beech, greenheart, ash,
- 35 hickory, ironwood, bay wood, or other heavy timber, and 50 cubic feet of poplar, larch, fir, elm, birch, lance wood, walnut, or other light timber other than deals, battens, and boards, and 66 cubic feet of deals, battens, and boards shall be charged for as one ton, and smaller quantities shall be charged for in the like proportion. The cubic contents of timber (other than round
- 40 timber) shall be ascertained by the mode of measurement in use for the time being, and the cubic contents of round timber shall be ascertained by quarter girth and the divisor of one hundred and forty-four (measurement being taken by tape over bark).

Weight of
timber.

—
River
Ancholme, &c.
Provisions as
to declaration.

12. The Company may demand that any trader or bye-trader shall forward a declaration to the Company setting forth the true description and dimensions of timber conveyed by or for him, and the cubic contents of the same. In the event of doubt as to the correctness of such declaration the Company may insist upon measuring the timber, the cost of which measuring and of necessary unloading and reloading shall be borne by the party in error, or the Company may demand either from the consignor or consignee of such timber, or from the bye-trader, a copy of the invoice of the timber and a statutory declaration of the correctness of the same. Upon failure or refusal, after reasonable notice, to furnish any of the aforesaid documents, the Company shall have power to charge either the consignor or consignee or the bye-trader, according to the avoirdupois weight of the timber to be ascertained in the same manner as the weight of other merchandise.

III.—MISCELLANEOUS.

Classification
of unnume-
rated articles.

13. In respect of any merchandise or article of any description which is not specified in the classification, the Company may, unless and until such merchandise or article is duly added to this classification and schedule pursuant to sub-section 11 of section 24 of the Railway and Canal Traffic Act, 1888, make the charges which are by this schedule authorised in respect of merchandise and things in class B.

Returned
empties.

14. In respect of returned empties conveyed by a bye-trader over the canal from the same place and consignee to which and to whom they were carried full, to the same place and consignor from which and from whom they were carried full by the same bye-trader and by the same route, the Company may charge the maximum tolls and charges as if such returned empties were merchandise included in the same class of the classification as comprises the merchandise which was carried in such empties when full.

Schedule not
to apply to
pleasure boats.

15. Nothing in this schedule shall apply to pleasure boats or affect the tolls or charges, if any, which the Company are authorised to charge or make in respect of such boats under the provisions of any Act of Parliament.

Repeal of
certain
exemptions.

16. Except as it is otherwise provided by this schedule all exemptions from tolls for any merchandise conveyed on the canal provided by any Act of Parliament shall cease to be in force.

Arbitration.
37 & 38 Vict.
c. 40.

17. The Board of Trade Arbitrations, &c. Act, 1874, shall, so far as applicable, apply to every determination of a difference or question by arbitration under the provisions herein contained.

Recovery of
tolls and
charges from
bye-traders.

18. If on demand any bye-trader fail to pay the tolls or charges due to the Company in respect of any boat or merchandise, it shall be lawful for the Company to detain and sell such boat or all or any part of such merchandise, or, if the same have been removed from the canal or the premises of the Company, to detain and sell any other boats or merchandise on the canal or within such premises belonging to the bye-trader liable to pay such tolls or charges, and out of the moneys arising from such sale to retain the tolls and charges payable as aforesaid and all expenses of such detention and sale,

rendering the overplus, if any, of the moneys arising by such sale, and such of the boats or merchandise as shall remain unsold, to the bye-trader or person entitled thereto, or it shall be lawful for the Company to recover any such tolls or charges by action in any court of competent jurisdiction.

TO

Confirm a Provisional Order made by the Board of Trade under the Railway and Canal Traffic Act, 1888, containing the Classification of Merchandise Traffic, and the Schedule of Maximum Tolls and Charges applicable thereto, for the River Cam Navigation, and certain other Canals.

A.D. 1894.

WHEREAS under the Railway and Canal Traffic Act, 1888, the Board of Trade embodied in a Provisional Order the classification of merchandise traffic and schedule of maximum tolls and charges, including all wharfage charges which, in the opinion of the Board of Trade, ought to be adopted by the Proprietors of the canals and navigations which are mentioned in the Schedule to the said Provisional Order :

51 & 52 Vict.
c. 25.

And whereas it is expedient that the Provisional Order, as set out in the schedule to this Act annexed, be confirmed by Act of Parliament :

Be it therefore enacted by the Queen's most Excellent Majesty, by and with the advice and consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the authority of the same, as follows :

1. This Act may be cited as the Canal Tolls and Charges, No. 8 (River Cam, &c.), Order Confirmation Act, 1894.

Short title.

2. The Order, as set out in the schedule to this Act annexed, shall be and the same is hereby confirmed, and all the provisions of the said Order in manner and form as they are set out in the said schedule shall, from and after the passing of this Act, have full validity and effect.

Confirmation
of Order in
schedule.

SCHEDULE.

RIVER CAM, &c.

Order of the Board of Trade under the Railway and Canal Traffic Act, 1888, embodying the Classification of Merchandise Traffic and the authorised Schedule of Maximum Tolls and Charges, 5 including all wharfage Charges applicable to the said Classification for the River Cam Navigation, the Eau Brink Navigation, the Middle Level Navigation, the River Nene (First and Second Navigation Divisions), the River Nene (Third Navigation Division), the River Ouse Navigation (Beds and Hunts), 10 the South Level Navigation, the Thetford Navigation, and the Wisbech Canal.

Short title.	1. This Order may be cited as the Canal Tolls and Charges, No. 8 (River Cam, &c.) Order, 1894.	
Commencement.	2. This Order shall come into force and have effect on the 1st day of January 1895, or such later date as the Board of Trade may by order direct, which date is in this Order referred to as the commencement of this Order.	15
Interpretation.	3. This Order is to be read and construed subject in all respects to the provisions of the Railway and Canal Traffic Acts, 1873 to 1888, and of any other Acts or parts of Acts incorporated therewith.	20
Schedule of maximum tolls and charges.	4. From and after the commencement of this Order, the maximum tolls and charges which the Proprietors of the canals or navigations named in the schedule to this Order annexed shall be entitled to charge and make in respect of merchandise traffic on those canals or navigations shall be the tolls and charges specified in relation to those canals or navigations in the said schedule, and shall be subject to the classification, regulations, and provisions set forth in the said schedule.	25

A.D. 1894.
River Cam, &c.

SCHEDULE OF MAXIMUM TOLLS AND CHARGES, AND CLASSIFICATION OF
MERCHANDISE TRAFFIC APPLICABLE TO THE RIVER CAM NAVIGATION,
THE EAU BRINK NAVIGATION, THE MIDDLE LEVEL NAVIGATION, THE
RIVER NENE (FIRST AND SECOND NAVIGATION DIVISIONS), THE
5 RIVER NENE (THIRD NAVIGATION DIVISION), THE RIVER OUSE
NAVIGATION (BEDS AND HUNTS), THE SOUTH LEVEL NAVIGATION,
THE THETFORD NAVIGATION, AND THE WISBECH CANAL.

GENERAL SECTIONS APPLICABLE TO ALL THE CANALS TO WHICH THIS
SCHEDULE APPLIES.

10 I.—MAXIMUM TOLLS AND CHARGES.

1. Table A, in this schedule is divided into two parts, and shall be deemed
part of this schedule. Part I. of the table contains the maximum tolls and
wharfage charges which the Company may charge in respect of the merchandise
comprised in the several classes of merchandise specified in the classification
15 when conveyed by a bye-trader over the canal. Part II. of the table contains
the exceptional charges which the Company may charge in respect of the
articles, goods, and things specified in that part, and the circumstances in
which the exceptional charges may be made.

2. The maximum tolls are the maximum tolls which the Company may
20 charge in respect of the use of the canal by a bye-trader conveying merchandise
over the same.

3. The maximum wharfage charges are the maximum charges which the
Company may make for the use by a bye-trader or other person, for a
reasonable period, of a landing place (exclusive of cranes, and the machinery,
25 plant, and power for working the cranes, and provision of labour in connexion
therewith) provided by the Company at a terminal station for the purpose of
loading or unloading merchandise and for the purpose of the bye-trader
dealing with merchandise as a carrier thereof before or after conveyance over
the canal.

30 4. The Company may charge for the services hereunder mentioned, or any
of them, when rendered to a bye-trader or other person at his request or for
his convenience, a reasonable sum in addition to all other tolls and charges.
Any difference arising under this section shall be determined by an arbitrator
to be appointed by the Board of Trade at the instance of either party.
35 Provided that where before any such service is rendered to a bye-trader or
other person, he has given notice in writing to the Company that he does not
require it, the service shall not be deemed to have been rendered at his request
or for his convenience :—

- (i.) The collection or delivery of merchandise outside the terminal station.
- 40 (ii.) Weighing merchandise.
- (iii.) The use or occupation of any wharfage accommodation before or after
conveyance, beyond such period as shall be reasonably necessary for

River Cam, &c.

enabling the bye-trader to deal with the merchandise as carrier thereof, or the consignor or consignee to give or take delivery thereof, and services rendered by the Company in connexion with such use or occupation.

(iv.) Loading or unloading or covering or uncovering merchandise comprised in any class of the classification when conveyed by a bye-trader 5 over the canal.

(v.) The use of coal or other drops.

(vi.) The use of cranes, and the machinery, plant, and power for working the cranes and provision of labour in connexion therewith.

(vii.) The provision of towage or other motive power for a bye-trader. 10

(viii.) The use or occupation of a berth or lay-bye or canal basin belonging to the Company, and not being the canal or lay-bye or canal basin alongside any private wharf, by a bye-trader's boat beyond a reasonable period for loading or unloading; but no charge shall be made for boats tied up or moored at night or when not at work, provided that the traffic of the 15 canal or of a terminal station or canal basin is not thereby impeded.

(ix.) For gauging or re-gauging and weighing or re-weighing boats for the purpose of ascertaining their carrying capacity, and for providing and fixing gauge plates or other indices on boats.

Gauging and weighing register.

5. Where the Company gauge or re-gauge or weigh or re-weigh a boat, the book containing the record of the gauge or weight shall be open to inspection at all reasonable times at the principal office of the Company, or at the weighing station of the Company where such boat was last weighed. 20

Charges for wharves, lay-byes, &c., under agreement.

6. Nothing herein contained shall prevent the Company from making and receiving, in addition to the tolls and charges specified in this schedule, 25 charges and payments, by way of rent or otherwise, for wharves and lay-byes and other structural accommodation provided or to be provided by the Company for the use of a bye-trader or other person, or for easements, rights or privileges granted or to be granted by the Company to a bye-trader or other person, provided that the amount of such charges or payments is fixed by 30 an agreement in writing signed by the bye-trader or such other person or by some person duly authorised on his behalf; but nothing in this schedule contained shall authorise the Company to make any charge for loading or unloading over the tow paths or canal banks, provided no injury is done to the property of the Company or obstruction caused to the traffic passing on 35 the canal. Any difference arising under this section shall be determined by an arbitrator to be appointed by the Board of Trade.

Charges for transhipment.

7. Where it is necessary that merchandise should be transhipped from one boat to another boat, in consequence of the boat not being able, owing to its dimensions or draft of water, to proceed over any canal through or along 40 which the traffic is to be conveyed, or where such transhipment is necessary for the purpose of navigating tidal waters beyond the limits of the canal, the Company may make a reasonable charge for any services of transhipment performed by them, the amount of such charge to be determined in case of difference by an arbitrator to be appointed by the Board of Trade. 45

A.D. 1894.
River Cam, &c.

that for the aforesaid services of transhipment no other charge than is authorised in this section shall be made under any other provision of this schedule. Provided also that no such charge shall be made in any case where transhipment has been rendered necessary by the neglect of the Company. Provided also that where transhipment is rendered necessary by a change in the breadth of such canal, such transhipment shall not be held to constitute a re-consignment for the purpose of calculating the distance over which the merchandise so transhipped is conveyed.

II.—PROVISIONS AS TO FIXING TOLLS AND CHARGES.

10 8. The Company may charge for a fraction of a ton according to the number of quarters of a ton in that fraction, and a fraction of a quarter of a ton may be charged for as a quarter of a ton. Fraction of a ton.

15 9. For a fraction of a penny in the gross amount of tolls and charges for any consignment for the entire distance conveyed, the Company may charge a penny. Fraction of a penny.

20 10. Weight (except as herein-after provided as to timber) shall be determined according to the imperial avoirdupois weight, which may be ascertained by actual weighing or by the tonnage gauges or indices of the boat containing the merchandise; but in case of dispute either the Company or a bye-trader may insist upon an actual weighing, the cost of which and of the necessary unloading and reloading shall be borne by the party in error. Weight.

25 11. Forty cubic feet of oak, mahogany, teak, beech, greenheart, ash, hickory, ironwood, baywood, or other heavy timber, and 50 cubic feet of poplar, larch, fir, elm, birch, lancewood, walnut, or other light timber other than deals, battens, and boards, and 66 cubic feet of deals, battens, and boards shall be charged for as one ton, and smaller quantities shall be charged for in the like proportion. The cubic contents of timber (other than round timber) shall be ascertained by the mode of measurement in use for the time being, and the cubic contents of round timber shall be ascertained by quarter girth and the Weight of timber.

30 divisor of 144 (measurement being taken by tape over bark).

35 12. The Company may demand that any trader or bye-trader shall forward a declaration to the Company setting forth the true description and dimensions of timber conveyed by or for him, and the cubic contents of the same. In the event of doubt as to the correctness of such declaration, the Company may insist upon measuring the timber, the cost of which measuring and of necessary unloading and reloading shall be borne by the party in error, or the Company may demand either from the consignor or consignee of such timber, or from the bye-trader, a copy of the invoice of the timber and a statutory declaration of the correctness of the same. Upon failure or refusal, Provisions as to declaration.

40 after reasonable notice, to furnish any of the aforesaid documents, the Company shall have power to charge either the consignor or consignee or the bye-trader according to the avoirdupois weight of the timber, to be ascertained in the same manner as the weight of other merchandise.

A.D. 1894.

III.—MISCELLANEOUS.

River Cam, &c.
Classification
of unenum-
erated articles.

13. In respect of any merchandise or article of any description which is not specified in the classification, the Company may, unless and until such merchandise or article is duly added to this classification and schedule pursuant to sub-section 11 of section 24 of the Railway and Canal Traffic Act 1888, make the charges which are by this schedule authorised in respect of merchandise and things in Class B. 5

Returned
empties.

14. In respect of returned empties conveyed by a bye-trader over the canal from the same place and consignee to which and to whom they were carried full, to the same place and consignor from which and from whom they were carried full by the same bye-trader and by the same route, the Company may charge the maximum tolls and charges as if such returned empties were merchandise included in the same class of the classification as comprises the merchandise which was carried in such empties when full. 10

Arbitration.
37 & 38 Vict.
c. 40.

15. The Board of Trade Arbitrations, &c., Act, 1874, shall, so far as applicable, apply to every determination of a difference or question by arbitration under the provisions herein contained. 15

Recovery of
tolls and
charges from
bye-traders.

16. If on demand any bye-trader fail to pay the tolls or charges due to the Company in respect of any boat or merchandise, it shall be lawful for the Company to detain and sell such boat, or all or any part of such merchandise, or, if the same have been removed from the canal or the premises of the Company, to detain and sell any other boats or merchandise on the canal or within such premises belonging to the bye-trader liable to pay such tolls or charges, and out of the moneys arising from such sale to retain the tolls and charges payable as aforesaid, and all expenses of such detention and sale, rendering the overplus, if any, of the moneys arising by such sale, and such of the boats or merchandise as shall remain unsold, to the bye-trader or person entitled thereto, or it shall be lawful for the Company to recover any such tolls or charges by action in any court of competent jurisdiction. 20 25

Definitions.

17. In this schedule, unless the context otherwise requires — 30
The term "merchandise" includes all goods and things comprised in the classification;
The term "the classification" means the classification of goods annexed to this schedule;
The term "bye-trader" means any person (other than the Company) who conveys or desires to convey merchandise over the canal; 35
The term "terminal station" means a place upon or in connexion with the canal at which the Company have provided or provide structural accommodation for loading or unloading merchandise before or after its conveyance on the canal, but does not include any dock or shipping place; 40
The term "boat" includes all vessels, barges, keels, sloops, steam vessels, compartment boats, and other craft of every description, however propelled or moved, using the canal.

18. Before the Company act as carriers of merchandise, they shall submit to the Board of Trade a schedule of maximum rates for conveyance of merchandise by them and charges applicable thereto, in pursuance of the Railway and Canal Traffic Act, 1888; and the time for submitting the schedule is hereby extended until the Company propose to act as such carriers.

A.D. 1894.
River Cam, &c.
Time for submitting schedule of conveyance rates extended.

SCHEDULE OF MAXIMUM TOLLS AND CHARGES, AND CLASSIFICATION OF
MERCHANDISE TRAFFIC APPLICABLE TO THE RIVER CAM NAVIGATION,
THE EAU BRINK NAVIGATION, THE MIDDLE LEVEL NAVIGATION,
THE RIVER NENE (FIRST AND SECOND NAVIGATION DIVISIONS),
5 THE RIVER NENE (THIRD NAVIGATION DIVISION), THE SOUTH
LEVEL NAVIGATION, THE THETFORD NAVIGATION, AND THE WISBECH
CANAL.

GENERAL SECTIONS APPLICABLE TO ALL THE CANALS TO WHICH THIS
SCHEDULE APPLIES.

10 I.—MAXIMUM TOLLS AND CHARGES.

1. Table A. in this schedule is divided into two parts, and shall be deemed
part of this schedule. Part I. of the table contains the maximum tolls and
wharfage charges which the Company may charge in respect of the merchandise
comprised in the several classes of merchandise specified in the classification
15 when conveyed by a bye-trader over the canal. Part II. of the table contains
the exceptional charges which the Company may charge in respect of the
articles, goods, and things specified in that part, and the circumstances in
which the exceptional charges may be made.

2. The maximum tolls are the maximum tolls which the Company may
20 charge in respect of the use of the canal by a bye-trader conveying merchandise
over the same.

3. The maximum wharfage charges are the maximum charges which the
Company may make for the use by a bye-trader or other person, for a
reasonable period, of a landing place (exclusive of cranes, and the machinery,
25 plant, and power for working the cranes, and provision of labour in connexion
therewith) provided by the Company at a terminal station for the purpose of
loading or unloading merchandise and for the purpose of the bye-trader
dealing with merchandise as a carrier thereof before or after conveyance over
the canal.

30 4. The Company may charge for the services hereunder mentioned, or any
of them, when rendered to a bye-trader or other person at his request or for
his convenience, a reasonable sum in addition to all other tolls and charges.
Any difference arising under this section shall be determined by an arbitrator
to be appointed by the Board of Trade at the instance of either party.
35 Provided that where before any such service is rendered to a bye-trader or
other person, he has given notice in writing to the Company that he does not
require it, the service shall not be deemed to have been rendered at his request
or for his convenience:—

- 40 (i.) The collection or delivery of merchandise outside the terminal station.
(ii.) Weighing merchandise.
(iii.) The use or occupation of any wharfage accommodation before or after
conveyance, beyond such period as shall be reasonably necessary for

A.D. 1894.

River Cam, &c.

enabling the bye-trader to deal with the merchandise as carrier thereof, or the consignor or consignee to give or take delivery thereof, and services rendered by the Company in connexion with such use or occupation.

- (iv.) Loading or unloading or covering or uncovering merchandise comprised in any class of the classification when conveyed by a bye-trader over the canal. 5
- (v.) The use of coal or other drops.
- (vi.) The use of cranes, and the machinery, plant, and power for working the cranes and provision of labour in connexion therewith.
- (vii.) The provision of towage or other motive power for a bye-trader. 10
- (viii.) The use or occupation of a berth or lay-byè or canal basin belonging to the Company, and not being the canal or lay-bye or canal basin alongside any private wharf, by a bye-trader's boat beyond a reasonable period for loading or unloading; but no charge shall be made for boats tied up or moored at night or for a reasonable time when not at work, provided that the traffic of the canal or of a terminal station or canal basin is not thereby impeded. 15
- (ix.) For gauging or re-gauging and weighing or re-weighing boats for the purpose of ascertaining their carrying capacity, and for providing and fixing gauge plates or other indices on boats. 20

Gauging and weighing register.

5. Where the Company gauge or re-gauge or weigh or re-weigh a boat, the book containing the record of the gauge or weight shall be open to inspection at all reasonable times at the principal office of the Company, or at the weighing station of the Company where such boat was last weighed.

Charges for
wharves, lay-
byes, &c.,
under agree-
ment.

6. Nothing herein contained shall prevent the Company from making and receiving, in addition to the tolls and charges specified in this schedule, charges and payments, by way of rent or otherwise, for wharves and lay-byes and other structural accommodation provided or to be provided by the Company for the use of a bye-trader or other person, or for easements, rights or privileges granted or to be granted by the Company to a bye-trader or other person, provided that the amount of such charges or payments is fixed by an agreement in writing signed by the bye-trader or such other person or by some person duly authorised on his behalf; but nothing in this schedule contained shall authorise the Company to make any charge for loading or unloading over the tow paths or canal banks, provided no injury is done to the property of the Company or obstruction caused to the traffic passing on the canal. Any difference arising under this section shall be determined by an arbitrator to be appointed by the Board of Trade.

Charges for
transshipment.

7. Where it is necessary that merchandise should be transhipped from one boat to another boat, in consequence of the boat not being able, owing to its dimensions or draft of water, to proceed over any canal through or along which the traffic is to be conveyed, or where such transshipment is necessary for the purpose of navigating tidal waters beyond the limits of the canal, the Company may make a reasonable charge for any services of transshipment performed by them, the amount of such charge to be determined in case of difference by an arbitrator to be appointed by the Board of Trade. Provided

A.D. 1894.
River Cam, &c.

that for the aforesaid services of transhipment no other charge than is authorised in this section shall be made under any other provision of this schedule. Provided also that no such charge shall be made in any case where transhipment has been rendered necessary by the neglect of the Company. Provided also that where transhipment is rendered necessary by a change in the breadth of such canal, such transhipment shall not be held to constitute a re-consignment for the purpose of calculating the distance over which the merchandise so transhipped is conveyed.

II.—PROVISIONS AS TO FIXING TOLLS AND CHARGES.

10 8. The Company may charge for a fraction of a ton according to the number of quarters of a ton in that fraction, and a fraction of a quarter of a ton may be charged for as a quarter of a ton. Fraction of a ton.

15 9. For a fraction of a penny in the gross amount of tolls and charges for any consignment for the entire distance conveyed, the Company may charge a penny. Fraction of a penny.

20 10. Weight (except as herein-after provided as to timber) shall be determined according to the imperial avoirdupois weight, which may be ascertained by actual weighing or by the tonnage gauges or indices of the boat containing the merchandise; but in case of dispute either the Company or a bye-trader may insist upon an actual weighing, the cost of which and of the necessary unloading and reloading shall be borne by the party in error. Weight.

30 11. Forty cubic feet of oak, mahogany, teak, beech, greenheart, ash, hickory, ironwood, baywood, or other heavy timber, and 50 cubic feet of poplar, larch, fir, elm, birch, lancewood, walnut, or other light timber other than deals, battens, and boards, and 66 cubic feet of deals, battens, and boards shall be charged for as one ton, and smaller quantities shall be charged for in the like proportion. The cubic contents of timber (other than round timber) shall be ascertained by the mode of measurement in use for the time being, and the cubic contents of round timber shall be ascertained by quarter girth and the divisor of 144 (measurement being taken by tape over bark). Weight of timber.

35 12. The Company may demand that any trader or bye-trader shall forward a declaration to the Company setting forth the true description and dimensions of timber conveyed by or for him, and the cubic contents of the same. In the event of doubt as to the correctness of such declaration, the Company may insist upon measuring the timber, the cost of which measuring and of necessary unloading and reloading shall be borne by the party in error, or the Company may demand either from the consignor or consignee of such timber, or from the bye-trader, a copy of the invoice of the timber and a statutory declaration of the correctness of the same. Upon failure or refusal, after reasonable notice, to furnish any of the aforesaid documents, the Company shall have power to charge either the consignor or consignee or the bye-trader according to the avoirdupois weight of the timber, to be ascertained in the same manner as the weight of other merchandise. Provisions as to declaration.

A.D. 1894.

III.—MISCELLANEOUS.

River Cam, &c.
 Classification
 of unenum-
 erated articles.

13. In respect of any merchandise or article of any description which is not specified in the classification, the Company may, unless and until such merchandise or article is duly added to this classification and schedule pursuant to sub-section 11 of section 24 of the Railway and Canal Traffic Act 1888, make the charges which are by this schedule authorised in respect of merchandise and things in Class B. 5

Returned
 empties.

14. In respect of returned empties conveyed by a bye-trader over the canal from the same place and consignee to which and to whom they were carried full, to the same place and consignor from which and from whom they were carried full by the same bye-trader and by the same route, the Company may charge the maximum tolls and charges as if such returned empties were merchandise included in the same class of the classification as comprises the merchandise which was carried in such empties when full. 10

Schedule not to
 apply to
 pleasure boats.

15. Nothing in this schedule shall apply to pleasure boats or affect the tolls or charges, if any, which the Company are authorised to charge or make in respect of such boats under the provisions of any Act of Parliament. 15

Repeal of
 certain
 exemptions.

16. Except as it is otherwise provided by this schedule, all exemptions from tolls for any merchandise conveyed on the canal provided by any Act of Parliament shall cease to be in force. 20

Arbitration.
 37 & 38 Vict.
 c. 40.

17. The Board of Trade Arbitrations, &c., Act, 1874, shall, so far as applicable, apply to every determination of a difference or question by arbitration under the provisions herein contained.

Recovery of
 tolls and
 charges from
 bye-traders.

18. If on demand any bye-trader fail to pay the tolls or charges due to the Company in respect of any boat or merchandise, it shall be lawful for the Company to detain and sell such boat, or all or any part of such merchandise, or, if the same have been removed from the canal or the premises of the Company, to detain and sell any other boats or merchandise on the canal or within such premises belonging to the bye-trader liable to pay such tolls or charges, and out of the moneys arising from such sale to retain the tolls and charges payable as aforesaid, and all expenses of such detention and sale, rendering the overplus, if any, of the moneys arising by such sale, and such of the boats or merchandise as shall remain unsold, to the bye-trader or person entitled thereto, or it shall be lawful for the Company to recover any such tolls or charges by action in any court of competent jurisdiction. 25

SCHEDULE OF MAXIMUM RATES, TOLLS, AND CHARGES, AND A.D. 1894.
CLASSIFICATION OF MERCHANDISE TRAFFIC APPLICABLE TO THE *River Larke.*
RIVER LARKE.

I.—MAXIMUM RATES, TOLLS, AND CHARGES.

- 5 1. Table A in this schedule is divided into four parts, and shall be deemed part of this schedule. Part I. of the table contains the maximum rates and station and service terminals which the Company may charge in respect of the merchandise comprised in the several classes of merchandise specified in the classification when conveyed by the Company over the canal. Part II. of the table contains the maximum tolls and wharfage charges which the Company may charge in respect of the merchandise comprised in the several classes of merchandise specified in the classification when conveyed by bye-traders over the canal. Part III. of the table contains the exceptional charges which the Company may charge in respect of the articles, animals, goods, and things specified in that Part, and the circumstances in which the exceptional charges may be made. Part IV. of the table contains the rates and charges which the Company may make for the conveyance by them of small parcels, with the provisions and regulations which are to apply to such parcels.

Division of
schedule.

- 20 2. The maximum rates are the maximum rates which the Company may charge for the conveyance by them of merchandise over the canal, and include the provision of boats and towage or other motive power by the Company, and every other expense incidental to such conveyance not otherwise in this schedule provided for: Provided that it shall not be obligatory on the Company to convey over the canal any merchandise comprised in Class A of the classification, or any of the following articles in Class B, viz., ammoniacal liquor, pitch (coal tar) (during the months of June, July, August, and September), compost for manure, creosote, coal tar, gas tar, gas water, draff or brewers' or distillers' grains, gravel (tarred, for paving), lime in bulk, manures in bulk, salt in bulk, sugar scum for manure, or any article or thing which in weight or bulk may exceed the lifting power of the Company's cranes, or the carrying capacity of their boats, or which may be liable to injure the boats of the Company or other goods carried therein, or which may be dangerous or explosive.

Maximum
convey-
ance rates.

- 35 3. The maximum station terminals are the maximum charges which the Company may make to a trader for the use of the accommodation (exclusive of coal or other drops) provided, and for the duties undertaken by the Company for which no other provision is made in this schedule, at the terminal station for or in dealing with merchandise, as carriers thereof, before or after conveyance.

Maximum
station
terminals.

A.D. 1894.

*River Larke.*Maximum
service
terminals.

4. The maximum service terminals are the maximum charges which the Company may make to a trader for the following services, when rendered to or for a trader at a terminal station, that is to say, loading, unloading, covering, and uncovering merchandise, which charges shall, in respect of each service, be deemed to include all charges for the provision by the Company of labour, 5
 machinery, plant, stores, and sheets: Provided that where merchandise conveyed in a separate boat is loaded or unloaded elsewhere than in a shed or building of the Company, the Company may not charge to a trader any service terminal for the performance by the Company of any of the said services, if the trader has requested the Company to allow him to perform 10
 the service for himself and the Company have unreasonably refused to allow him to do so. Any dispute between a trader and the Company in reference to any service terminal charged to a trader who is not allowed by the Company to perform for himself the service shall be determined by the Board of Trade.

Maximum
tolls.

5. The maximum tolls are the maximum tolls which the Company 15
 may charge in respect of the use of the canal by a bye-trader conveying merchandise over the same.

Maximum
wharfage
charges.

6. The maximum wharfage charges are the maximum charges which the Company may make for the use by a bye-trader or other person, for a reasonable period, of a landing-place (exclusive of cranes, and the machinery, 20
 plant, and power for working the cranes, and provision of labour in connexion therewith), provided by the Company at a terminal station for the purpose of loading or unloading merchandise and for the purpose of the bye-trader dealing with the merchandise as a carrier thereof, before or after conveyance over the canal. 25

Special
charges.

7. The Company may charge for the services hereunder mentioned, or any of them, when rendered to a trader or bye-trader or other person at his request or for his convenience, a reasonable sum in addition to all other rates, tolls, and charges. Any difference arising under this section shall be determined by an arbitrator to be appointed by the Board of Trade at the 30
 instance of either party: Provided that where before any such service is rendered to a trader or bye-trader or other person, he has given notice in writing to the Company, that he does not require it, the service shall not be deemed to have been rendered at his request or for his convenience.

(i.) The collection or delivery of merchandise outside the terminal station. 35

(ii.) Weighing merchandise.

(iii.) The detention of the Company's boats at any place, or the use or occupation of any landing-place or accommodation (not being water space) belonging to the Company at a terminal station, before or after conveyance, beyond such period as shall be reasonably necessary for 40
 enabling the Company or the bye-trader to deal with the merchandise as carriers thereof, or the consignor or consignee to give or take delivery thereof; or, in cases in which the merchandise conveyed by the Company is consigned to an address other than the terminal station, beyond a reasonable period from the time when notice has been delivered at such 45

address that the merchandise has arrived at the terminal station for delivery. And services rendered by the Company in connexion with such use or occupation.

River Larke.

(iv.) Loading or unloading or covering or uncovering merchandise comprised in Class A or Class B of the classification when conveyed by the Company over the canal, or merchandise comprised in any other class of the classification when so conveyed and the services are rendered at or in connexion with places apart from the Company's terminal stations, or merchandise comprised in any class when conveyed by a bye-trader over the canal.

(v.) The use of coal or other drops.

(vi.) The use of cranes, and the machinery, plant, and power for working the cranes and provision of labour in connexion therewith.

(vii.) The provision of towage or other motive power for a bye-trader.

(viii.) The use or occupation of a berth or lay-bye or canal basin belonging to the Company, and not being the canal or lay-bye or canal basin alongside any private wharf, by a bye-trader's boat beyond a reasonable period for loading or unloading; but no charge shall be made for boats tied up or moored at night or when not at work, provided that the traffic of the canal or of a terminal station or canal basin is not thereby impeded.

(ix.) For gauging or re-gauging and weighing or re-weighing boats for the purpose of ascertaining their carrying capacity, and for providing and fixing gauge plates and other indices on boats.

8. Where the Company gauge or re-gauge or weigh or re-weigh a boat, the book containing the record of the gauge or weight shall be open to inspection at all reasonable times at the principal office of the Company, or at the weighing station of the Company where such boat was last weighed.

Gauging and weighing register.

9. Nothing herein contained shall prevent the Company from making and receiving, in addition to the tolls and charges specified in this schedule, charges and payments, by way of rent or otherwise, for wharves and lay-byes and other structural accommodation provided or to be provided by the Company for the use of a trader or bye-trader or other person, or for easements, rights, or privileges granted or to be granted by the Company to a trader or bye-trader or other person, provided that the amount of such charges or payments is fixed by an agreement in writing signed by the trader or bye-trader or such other person or by some person duly authorised on his behalf; but nothing in this schedule contained shall authorise the Company to make any charge for loading or unloading over the tow-paths or canal banks, provided no injury is done to the property of the Company or obstruction caused to the traffic passing on the canal. Any difference arising under this section shall be determined by an arbitrator to be appointed by the Board of Trade.

Charges for wharves, lay-byes, &c., under agreement.

10. Where it is necessary that merchandise should be transhipped from one boat to another boat, in consequence of the boat not being able, owing to its dimensions or draft of water, to proceed over any canal through or along

Charges for transhipment.

A.D. 1894. which the traffic is to be conveyed, or where such transhipment is necessary
River Larke. for the purpose of navigating tidal waters beyond the limits of the canal, the
 Company may make a reasonable charge for any services of transhipment
 performed by them, the amount of such charge to be determined, in case of
 difference, by an arbitrator to be appointed by the Board of Trade. Provided 5
 that for the aforesaid services of transhipment no other charge than is
 authorised in this section shall be made under any other provision of this
 schedule. Provided also that no such charge shall be made in any case where
 transhipment has been rendered necessary by the neglect of the Company.
 Provided also that where transhipment is rendered necessary by a change in 10
 the breadth of such canal, such transhipment shall not be held to constitute a
 re-consignment for the purpose of calculating the distance over which the
 merchandise so transhipped is conveyed.

II.—PROVISIONS AS TO FIXING RATES, TOLLS, AND CHARGES.

Minimum
rates for
short distances.

11. Where merchandise is conveyed by the Company on the canal for an 15
 entire distance which does not exceed, in the case of merchandise in respect
 of which a station terminal is chargeable at each end of the transit three
 miles, or in the case of merchandise in respect of which a station terminal is
 chargeable at one end of the transit four and a half miles, or in the case of
 merchandise in respect of which no station terminal is chargeable six miles, 20
 the Company may make the charges for conveyance authorised by this
 schedule as for three miles, four and a half miles and six miles respectively.
 Provided that, where merchandise is conveyed partly on the canal and partly
 on the canal of any other company, the canal and the canal of such other
 company shall for the purpose of reckoning such short distance be considered 25
 as one canal.

Rate for
minimum
boat-load.

12. For any quantity of merchandise less than a boat-load which the
 Company either receive or deliver on or at places apart from the Company's
 terminal stations, or which, from the circumstances in which the merchandise
 is tendered, or from the nature of the merchandise, the Company are obliged 30
 or required to convey separately, the Company may charge as for a reasonable
 minimum load, having regard to the nature of the merchandise. Any
 difference arising under this section shall be determined by an arbitrator to
 be appointed by the Board of Trade.

Fraction of a
ton.

13. Where a consignment of merchandise is conveyed by a bye-trader, a 35
 fraction of a ton may be charged for according to the number of quarters of
 a ton in that fraction, and a fraction of a quarter of a ton may be charged
 for as a quarter of a ton.

Fraction of a
penny.

14. For a fraction of a penny in the gross amount of rates, tolls, and
 charges for any consignment for the entire distance conveyed the Company 40
 may charge a penny.

15. Weight (except as to stone when conveyed by the Company, and charged by measurement, and except as herein-after provided as to timber) shall be determined according to the imperial avoirdupois weight, which may be ascertained by actual weighing or by the tonnage gauges or indices of the
5 boat containing the merchandise, but in case of dispute either the Company or a bye-trader may insist upon an actual weighing, the cost of which and of the necessary unloading and reloading shall be borne by the party in error.

A.D. 1894.

River Larke.
Weight.

16. All stone, when conveyed by the Company, shall be charged by weight, when the weight can be conveniently ascertained. When the weight of stone
10 in blocks cannot be conveniently ascertained, 14 cubic feet of stone in blocks may be charged for as one ton and smaller quantities may be charged for in the like proportion.

Weight of
stone.

17. Forty cubic feet of oak, mahogany, teak, beech, greenheart, ash, hickory, ironwood, baywood, or other heavy timber, and 50 cubic feet of
15 poplar, larch, fir, elm, birch, lancewood, walnut, or other light timber other than deals, battens, and boards, and 66 cubic feet of deals, battens, and boards shall be charged for as one ton, and smaller quantities shall be charged for in the like proportion. The cubic contents of timber (other than round timber) shall be ascertained by the mode of measurement in use for the time being,
20 and the cubic contents of round timber shall be ascertained by quarter girth, and the divisor of one hundred and forty-four (measurement being taken by tape over bark).

Weight of
timber.

18. The Company may demand that any trader or bye-trader shall forward a declaration to the Company setting forth the true description and dimensions
25 of timber conveyed by or for him and the cubic contents of the same. In the event of doubt as to the correctness of such declaration the Company may insist upon measuring the timber, the cost of which measuring and of the necessary unloading and reloading shall be borne by the party in error, or the Company may demand either from the consignor or consignee of such
30 timber, or from the bye-trader, a copy of the invoice of the timber and a statutory declaration of the correctness of the same. Upon failure or refusal, after reasonable notice, to furnish any of the aforesaid documents, the Company shall have power to charge either the consignor or consignee or the bye-trader, according to the avoirdupois weight of the timber, to be ascertained
35 in the same manner as the weight of other merchandise.

Provisions
as to declara-
tion.

19. Articles of one description sent in large aggregate quantities, although made up of separate parcels, such as bags of sugar, bags of coffee and the like shall not be deemed to be small parcels.

Aggregate
quantities.

20. No station terminal shall be charged by the Company in respect of
40 merchandise exchanged with, handed over to, or received from any other canal company for further conveyance by canal at the terminal station at which it is so exchanged, handed over, or received.

Station ter-
minal not to be
charged for
exchange of
traffic.

23. In respect of returned empties conveyed by a bye-trader over the canal from the same place and consignee to which and to whom they were carried full, to the same place and consignor from which and from whom they were carried full by the same bye-trader and by the same route, the Company may 40

charge the maximum tolls and charges as if such returned empties were merchandise included in the same class of the classification as comprises the merchandise which was carried in such empties when full. A.D. 1894.
River Larke.

24. Any canal company (other than the Company) conveying merchandise over the canal, or performing any of the services for which rates or charges are authorised by this schedule, shall be entitled to charge and make the same rates and charges as the Company are by this schedule authorised to charge and make. Rates for other Companies using the canal.

25. Where merchandise is conveyed by a bye-trader in a boat which passes through one or more locks on the canal, the Company may charge a minimum toll of two shillings and sixpence. Minimum toll per boat and toll for empty boat.

For an empty boat which passes through one or more locks on the canal, the Company may charge the sum of two shillings and sixpence, provided that such empty boat is not returning after delivering cargo in respect of which there has been paid to the Company a toll of not less than two shillings and sixpence, or is not on its way to load cargo in respect of which a like toll will become payable to the Company.

26. For a fraction of a mile the Company may charge according to the number of quarters of a mile in that fraction and a fraction of a quarter of a mile may be charged for as a quarter of a mile. Fraction of a mile.

27. The Board of Trade Arbitrations, &c., Act, 1874, shall, so far as applicable, apply to every determination of a difference or question by arbitration under the provisions of this schedule. Arbitration.
37 & 38 Vict.
c. 40.

28. If on demand any bye-trader fail to pay the tolls or charges due to the Company in respect of any boat or merchandise, it shall be lawful for the Company to detain and sell such boat or all or any part of such merchandise, or, if the same have been removed from the canal or the premises of the Company, to detain and sell any other boats or merchandise on the canal or within such premises belonging to the bye-trader liable to pay such tolls or charges, and out of the moneys arising from such sale to retain the tolls and charges payable as aforesaid and all expenses of such detention and sale, rendering the overplus, if any, of the moneys arising by such sale, and such of the boats or merchandise as shall remain unsold, to the bye-trader or person entitled thereto, or it shall be lawful for the Company to recover any such tolls or charges by action in any court of competent jurisdiction. Recovery of tolls and charges from bye-traders.

29. In this schedule, unless the context otherwise requires :—

in the said schedule, and shall be subject to the classification, regulations, and
provisions set forth in the said schedule. |
-

SCHEDULE OF MAXIMUM TOLLS AND CHARGES, AND CLASSIFICATION OF MERCHANDISE TRAFFIC APPLICABLE FOR THE CANALS OF THE CALEDONIAN RAILWAY COMPANY AND OF THE NORTH BRITISH RAILWAY COMPANY.

A.D. 1894.
Caledonian and North British Railway Companies' Canals.

5 GENERAL SECTIONS APPLICABLE TO ALL THE CANALS TO WHICH THIS SCHEDULE APPLIES.

I.—MAXIMUM TOLLS AND CHARGES.

- 10 1. Table A. in this schedule is divided into two parts and shall be deemed part of this schedule. Part I. of the table contains the maximum tolls and wharfage charges which the Company may charge in respect of the merchandise comprised in the several classes of merchandise specified in the classification conveyed by a bye-trader over the canal. Part II. of the table contains the exceptional charges which the Company may charge in respect of the articles, goods, and things specified in that part, and the circumstances in which the
- 15 exceptional charges may be made.
2. The maximum tolls are the maximum tolls which the Company may charge in respect of the use of the canal by a bye-trader conveying merchandise over the same.
- 20 3. The maximum wharfage charges are the maximum charges which the Company may make for the use by a bye-trader or other person, for a reasonable period, of a landing-place (exclusive of cranes, and the machinery, plant, and power for working the cranes, and provision of labour in connexion therewith) provided by the Company at a terminal station for the purpose of loading or unloading merchandise and for the purpose of the bye-trader dealing with
- 25 merchandise as a carrier thereof before or after conveyance over the canal.
4. The Company may charge for the services hereunder mentioned, or any of them, when rendered to a bye-trader or other person at his request or for his convenience, a reasonable sum in addition to all other tolls and charges. Any difference arising under this section shall be determined by an arbitrator to be appointed by the Board of Trade at the instance of either party.
- 30 Provided that where before any such service is rendered to a bye-trader or other person, he has given notice in writing to the Company that he does not require it, the service shall not be deemed to have been rendered at his request or for his convenience :—
- 35 (i.) The collection or delivery of merchandise outside the terminal station.
(ii.) Weighing merchandise.
(iii.) The use or occupation of any wharfage accommodation, before or after conveyance, beyond such period as shall be reasonably necessary for

Division of schedule.

- enabling the bye-trader to deal with the merchandise as carrier thereof, or the consignor or consignee to give or take delivery thereof, and services rendered by the Company in connexion with such use or occupation.
- (iv.) Loading or unloading or covering or uncovering merchandise comprised in any class of the classification when conveyed by a bye-trader over the canal. 5
- (v.) The use of coal or other drops.
- (vi.) The use of cranes, and the machinery, plant, and power for working the cranes and provision of labour in connexion therewith.
- (vii.) The provision of towage or other motive power for a bye-trader.
- (viii.) The use or occupation of a berth or lay-bye or canal basin belonging to the Company, and not being the canal or lay-bye or canal basin alongside any private wharf, by a bye-trader's boat beyond a reasonable period for loading or unloading; but no charge shall be made for boats tied up or moored at night or when not at work, provided that the traffic of the canal or of a terminal station or canal basin is not thereby impeded. 10 15
- (ix.) For gauging or re-gauging and weighing or re-weighing boats for the purpose of ascertaining their carrying capacity, and for providing and fixing gauge plates or other indices on boats.

Gauging and weighing register.

5. Where the Company gauge or re-gauge or weigh or re-weigh a boat, the book containing the record of the gauge or weight shall be open to inspection at all reasonable times at the principal office of the Company, or at the weighing station of the Company when such boat was last weighed. 20

Charges for wharves, lay-byes, &c., under agreement.

6. Nothing herein contained shall prevent the Company from making and receiving, in addition to the tolls and charges specified in this schedule, charges and payments, by way of rent or otherwise, for wharves and lay-byes and other structural accommodation provided or to be provided by the Company for the use of a bye-trader or other person, or for easements, rights, or privileges granted or to be granted by the Company to a bye-trader or other person, provided that the amount of such charges or payments is fixed by an agreement in writing signed by the bye-trader or such other person or by some person duly authorised on his behalf, but nothing in this schedule contained shall authorise the Company to make any charge for loading or unloading over the tow paths or canal banks provided no injury is done to the property of the Company or obstruction caused to the traffic passing on the canal. Any difference arising under this section shall be determined by an arbitrator to be appointed by the Board of Trade. 25 30 35

Charges for transhipment.

7. Where it is necessary that merchandise should be transhipped from one boat to another boat, in consequence of the boat not being able, owing to its dimensions or draft of water, to proceed over any canal through or along which the traffic is to be conveyed, or where such transhipment is necessary for the purpose of navigating tidal waters beyond the limits of the canal, the Company may make a reasonable charge for any services of transhipment performed by them, the amount of such charge to be determined in case of difference by an arbitrator to be appointed by the Board of Trade. Provided that for the 40

aforesaid services of transhipment no other charge than is authorised in this section shall be made under any other provision of this schedule. Provided also that no such charge shall be made in any case where transhipment has been rendered necessary by the neglect of the Company. Provided also that where
5 transhipment is rendered necessary by a change in the breadth of such canal, such transhipment shall not be held to constitute a re-consignment for the purpose of calculating the distance over which the merchandise so transhipped is conveyed.

II.—PROVISIONS AS TO FIXING TOLLS AND CHARGES.

10 8. The Company may charge for a fraction of a ton according to the number of quarters of a ton in that fraction, and a fraction of a quarter of a ton may be charged for as a quarter of a ton. Fraction of a ton.

9. For a fraction of a penny in the gross amount of tolls and charges for any consignment for the entire distance conveyed the Company may charge
15 a penny. Fraction of a penny.

10. Weight (except as herein-after provided as to timber) shall be determined according to the imperial avoirdupois weight, which may be ascertained by actual weighing or by the tonnage gauges or indices of the boat containing the merchandise, but in case of dispute either the Company or a bye-trader may
20 insist upon an actual weighing, the cost of which and of the necessary unloading and re-loading shall be borne by the party in error. Weight.

11. Forty cubic feet of oak, mahogany, teak, beech, greenheart, ash, hickory, iron wood, bay wood, or other heavy timber, and 50 cubic feet of poplar, larch, fir, elm, birch, lance wood, walnut or other light timber other than deals, battens, and boards, and 66 cubic feet of deals, battens, and boards shall be charged for as one ton, and smaller quantities shall be charged for in the like proportion. The cubic contents of timber (other than round timber) shall be ascertained by the mode of measurement in use for the time being, and the cubic contents of round timber shall be ascertained by quarter girth and the
25 divisor of one hundred and forty-four (measurement being taken by tape over bark). Weight of timber.

12. The Company may demand that any trader or bye-trader shall forward a declaration to the Company setting forth the true description and dimensions of timber conveyed by or for him, and the cubic contents of the same. In the
35 event of doubt as to the correctness of such declaration the Company may insist upon measuring the timber, the cost of which measuring and of necessary unloading and re-loading shall be borne by the party in error, or the Company may demand either from the consignor or consignee of such timber, or from the bye-trader, a copy of the invoice of the timber and a statutory declaration of
40 the correctness of the same. Upon failure or refusal, after reasonable notice, to furnish any of the aforesaid documents, the Company shall have power to charge either the consignor or consignee or the bye-trader according to the avoirdupois weight of the timber to be ascertained in the same manner as the weight of other merchandise. 13. In respect of any merchandise or article of any description which is not specified in the classification, the Company may, unless and until such merchandise or article is duly added to this classification and schedule pursuant to sub-section 11 of section 24 of the Railway and Canal Traffic Act, 1888, make 5
the charges which are by this schedule authorised in respect of merchandise and things in Class B.

14. In respect of returned empties conveyed by a bye-trader over the canal from the same place and consignee to which and to whom they were carried full to the same place and consignor from which and from whom they were 10
carried full by the same bye-trader and by the same route, the Company may charge the maximum tolls and charges as if such returned empties were merchandise included in the same class of the classification as comprises the merchandise which was carried in such empties when full.

15. The Board of Trade Arbitrations, &c. Act, 1874, shall, so far as 15
applicable, apply to every determination of a difference or question by arbitration under the provisions herein contained.

16. If on demand any bye-trader fail to pay the tolls or charges due to the Company in respect of any boat or merchandise, it shall be lawful for the Company to detain and sell such boat or all or any part of such merchandise, 20
or, if the same have been removed from the canal or the premises of the Company, to detain and sell any other boats or merchandise on the canal or within such premises belonging to the bye-trader liable to pay such tolls or charges, and out of the moneys arising from such sale to retain the tolls and charges payable as aforesaid and all expenses of such detention and sale, rendering the 25
overplus, if any, of the moneys arising by such sale, and such of the boats or merchandise as shall remain unsold, to the bye-trader or person entitled thereto, or it shall be lawful for the Company to recover any such tolls or charges by action in any court of competent jurisdiction.

17. In this schedule, unless the context otherwise requires— 30

The term "merchandise" includes all goods and things comprised in the classification;

The term "the classification" means the classification of goods annexed to this schedule;

Companies'
Canals.*

5 GENERAL SECTIONS APPLICABLE TO ALL THE CANALS TO WHICH
THIS SCHEDULE APPLIES.

I.—MAXIMUM TOLLS AND CHARGES.

1. Table A. in this schedule is divided into two parts and shall be deemed part of this schedule. Part I. of the table contains the maximum tolls and
10 wharfage charges which the Company may charge in respect of the merchandise comprised in the several classes of merchandise specified in the classification conveyed by a bye-trader over the canal in a boat or otherwise. Part II. of the table contains the exceptional charges which the Company may charge in respect of the articles, goods, and things specified in that part, and the
15 circumstances in which the exceptional charges may be made.

Division of
schedule.

2. The maximum tolls are the maximum tolls which the Company may charge in respect of the use of the canal by a bye-trader conveying merchandise over the same in a boat or otherwise.

Maximum
tolls.

3. The maximum wharfage charges are the maximum charges which the
20 Company may make for the use by a bye-trader or other person, for a reasonable period, of a landing-place (exclusive of cranes, and the machinery, plant, and power for working the cranes, and provision of labour in connexion therewith) provided by the Company at a terminal station for the purpose of loading or unloading merchandise and for the purpose of the bye-trader dealing with
25 merchandise as a carrier thereof before or after conveyance over the canal in a boat or otherwise.

Maximum
wharfage
charges.

4. The Company may charge for the services hereunder mentioned, or any of them, when rendered to a bye-trader or other person at his request or for his convenience, a reasonable sum in addition to all other tolls and charges.
30 Any difference arising under this section shall be determined by an arbitrator to be appointed by the Board of Trade at the instance of either party. Provided that where before any such service is rendered to a bye-trader or other person, he has given notice in writing to the Company that he does not require it, the service shall not be deemed to have been rendered at his request
35 or for his convenience :—

Special
charges.

(i.) The collection or delivery of merchandise outside the terminal station.

(ii.) Weighing merchandise.

(iii.) The use or occupation of any wharfage accommodation, before or after conveyance, beyond such period as shall be reasonably necessary for

enabling the bye-trader to deal with the merchandise as carrier thereof, or the consignor or consignee to give or take delivery thereof, and services rendered by the Company in connexion with such use or occupation.

(iv.) Loading or unloading or covering or uncovering merchandise comprised in any class of the classification when conveyed by a bye-trader over the canal. 5

(v.) The use of coal or other drops.

(vi.) The use of cranes, and the machinery, plant, and power for working the cranes and provision of labour in connexion therewith.

(vii.) The provision of towage or other motive power for a bye-trader.

(viii.) The use or occupation of a berth or lay-bye or canal basin belonging to the Company, and not being the canal or lay-bye or canal basin alongside any private wharf, by a bye-trader's boat beyond a reasonable period for loading or unloading; but no charge shall be made for boats tied up or moored at night or for a reasonable time when not at work, provided that the traffic of the canal or of a terminal station or canal basin is not thereby impeded. 10 15

(ix.) For gauging or re-gauging and weighing or re-weighing boats for the purpose of ascertaining their carrying capacity, and for providing and fixing gauge plates or other indices on boats.

Gauging and
weighing
register.

5. Where the Company gauge or re-gauge or weigh or re-weigh a boat, the book containing the record of the gauge or weight shall be open to inspection at all reasonable times at the principal office of the Company, or at the weighing station of the Company when such boat was last weighed. 20

Charges for
wharves,
lay-byes, &c.,
under agree-
ment.

6. Nothing herein contained shall prevent the Company from making and receiving, in addition to the tolls and charges specified in this schedule, charges and payments, by way of rent or otherwise, for wharves and lay-byes and other structural accommodation provided or to be provided by the Company for the use of a bye-trader or other person, or for easements, rights, or privileges granted or to be granted by the Company to a bye-trader or other person, provided that the amount of such charges or payments is fixed by an agreement in writing signed by the bye-trader or such other person or by some person duly authorised on his behalf, but nothing in this schedule contained shall authorise the Company to make any charge for loading or unloading over the tow paths or canal banks provided no injury is done to the property of the Company or obstruction caused to the traffic passing on the canal. Any difference arising under this section shall be determined by an arbitrator to be appointed by the Board of Trade. 25 30 35

Charges for
transhipment.

7. Where it is necessary that merchandise should be transhipped from one boat to another boat, in consequence of the boat not being able, owing to its dimensions or draft of water, to proceed over any canal through or along which the traffic is to be conveyed, or where such transhipment is necessary for the purpose of navigating tidal waters beyond the limits of the canal, the Company may make a reasonable charge for any services of transhipment performed by them, the amount of such charge to be determined in case of difference by an arbitrator to be appointed by the Board of Trade. Provided that for the 40 45

aforesaid services of transhipment no other charge than is authorised in this section shall be made under any other provision of this schedule. Provided also that no such charge shall be made in any case where transhipment has been rendered necessary by the neglect of the Company. Provided also that where
5 transhipment is rendered necessary by a change in the breadth of such canal, such transhipment shall not be held to constitute a re-consignment for the purpose of calculating the distance over which the merchandise so transhipped is conveyed.

II.—PROVISIONS AS TO FIXING TOLLS AND CHARGES.

10 8. The Company may charge for a fraction of a ton according to the number of quarters of a ton in that fraction, and a fraction of a quarter of a ton may be charged for as a quarter of a ton. Fraction of a ton.

15 9. For a fraction of a penny in the gross amount of tolls and charges for any consignment for the entire distance conveyed the Company may charge a penny. Fraction of a penny.

10 Weight (except as herein-after provided as to timber) shall be determined according to the imperial avoirdupois weight, which may be ascertained by actual weighing or by the tonnage gauges or indices of the boat containing the merchandise, but in case of dispute either the Company or a bye-trader may
20 insist upon an actual weighing, the cost of which and of the necessary unloading and re-loading shall be borne by the party in error. Weight.

11. Forty cubic feet of oak, mahogany, teak, beech, greenheart, ash, hickory, iron wood, bay wood, or other heavy timber, and 50 cubic feet of poplar, larch, fir, elm, birch, lance wood, walnut or other light timber other than deals,
25 battens, and boards, and 66 cubic feet of deals, battens, and boards shall be charged for as one ton, and smaller quantities shall be charged for in the like proportion. The cubic contents of timber (other than round timber) shall be ascertained by the mode of measurement in use for the time being, and the cubic contents of round timber shall be ascertained by quarter girth and the
30 divisor of one hundred and forty-four (measurement being taken by tape over bark). Weight of timber.

12. The Company may demand that any trader or bye-trader shall forward a declaration to the Company setting forth the true description and dimensions of timber conveyed by or for him, and the cubic contents of the same. In the
35 event of doubt as to the correctness of such declaration the Company may insist upon measuring the timber, the cost of which measuring and of necessary unloading and re-loading shall be borne by the party in error, or the Company may demand either from the consignor or consignee of such timber, or from the bye-trader, a copy of the invoice of the timber and a statutory declaration of
40 the correctness of the same. Upon failure or refusal, after reasonable notice, to furnish any of the aforesaid documents, the Company shall have power to charge either the consignor or consignee or the bye-trader according to the avoirdupois weight of the timber to be ascertained in the same manner as the weight of other merchandise. Provisions as to declaration.

III.—MISCELLANEOUS.

13. In respect of any merchandise or article of any description which is not specified in the classification, the Company may, unless and until such merchandise or article is duly added to this classification and schedule pursuant to sub-section 11 of section 24 of the Railway and Canal Traffic Act, 1888, make 5 the charges which are by this schedule authorised in respect of merchandise and things in Class B.

14. In respect of returned empties conveyed by a bye-trader over the canal from the same place and consignee to which and to whom they were carried full to the same place and consignor from which and from whom they were 10 carried full by the same bye-trader and by the same route, the Company may charge the maximum tolls and charges as if such returned empties were merchandise included in the same class of the classification as comprises the merchandise which was carried in such empties when full.

15. Nothing in this schedule shall apply to pleasure boats or boats for the 15 conveyance of passengers, or affect the tolls or charges, if any, which the Company are authorised to charge or make in respect thereof, of such boats under the provisions of any Act of Parliament.

16. Except as is otherwise provided by this schedule, all exemptions from tolls for any merchandise conveyed on the canal provided by any Act of 20 Parliament shall cease to be in force.

17. The Board of Trade Arbitrations, &c. Act, 1874, shall, so far as applicable, apply to every determination of a difference or question by arbitration under the provisions herein contained.

18. If on demand any bye-trader fail to pay the tolls or charges due to the 25 Company in respect of any boat or merchandise, it shall be lawful for the Company to detain and sell such boat or all or any part of such merchandise, or, if the same have been removed from the canal or the premises of the Company, to detain and sell any other boats or merchandise on the canal or within such premises belonging to the bye-trader liable to pay such tolls or charges, 30 and out of the moneys arising from such sale to retain the tolls and charges payable as aforesaid and all expenses of such detention and sale, rendering the overplus, if any, of the moneys arising by such sale, and such of the boats or merchandise as shall remain unsold, to the bye-trader or person entitled thereto, or it shall be lawful for the Company to recover any such tolls or charges by 35 action in any court of competent jurisdiction.

19. In this schedule, unless the context otherwise requires—

The term "merchandise" includes all goods and things comprised in the classification;

The term "the classification" means the classification of goods annexed 40 to this schedule;

Confirm a Provisional Order made by the Board of Trade A.D. 1894.
under the Railway and Canal Traffic Act, 1888, con-
taining the Classification of Merchandise Traffic, and the
Schedule of Maximum Tolls and Charges applicable
thereto, for the Lagan Canal, and certain other Canals.

WHEREAS under the Railway and Canal Traffic Act, 1888, 51 & 52 Vict.
c. 25.
the Board of Trade embodied in a Provisional Order the
classification of merchandise traffic and schedule of maximum
tolls and charges, including all wharfage charges which, in the
5 opinion of the Board of Trade, ought to be adopted by the
Proprietors of the canals and navigations which are mentioned in
the schedule to the said Provisional Order :

And whereas it is expedient that the Provisional Order, as
set out in the schedule to this Act annexed, be confirmed by Act of
10 Parliament :

Be it therefore enacted by the Queen's most Excellent Majesty,
by and with the advice and consent of the Lords Spiritual and
Temporal, and Commons, in this present Parliament assembled,
and by the authority of the same, as follows :

SCHEDULE OF MAXIMUM TOLLS AND CHARGES, AND CLASSIFICATION OF MERCHANDISE TRAFFIC APPLICABLE TO THE LAGAN CANAL, THE TYRONE NAVIGATION, THE ULSTER CANAL, THE LOWER BANN NAVIGATION, THE NEWRY NAVIGATION, THE ROYAL CANAL, AND THE RIVER SHANNON NAVIGATION. A.D. 1894.
Lagan, &c. Canals.

GENERAL SECTIONS APPLICABLE TO ALL THE CANALS TO WHICH THIS SCHEDULE APPLIES.

I.—MAXIMUM TOLLS AND CHARGES.

1. Table A. in this schedule is divided into two parts, and shall be deemed
10 part of this schedule. Part I. of the table contains the maximum tolls and wharfage charges which the Company may charge in respect of the merchandise comprised in the several classes of merchandise specified in the classification when conveyed by a bye-trader over the canal. Part II. of the table contains the exceptional charges which the Company may charge in respect of the
15 articles, goods, and things specified in that part, and the circumstances in which the exceptional charges may be made.

2. The maximum tolls are the maximum tolls which the Company may charge in respect of the use of the canal by a bye-trader conveying merchandise over the same. Maximum tolls.

3. The maximum wharfage charges are the maximum charges which the Company may make for the use by a bye-trader or other person, for a reasonable period, of a landing place (exclusive of cranes, and the machinery, plant, and power for working the cranes, and provision of labour in connexion therewith), provided by the Company at a terminal station for the purpose of
25 loading or unloading merchandise and for the purpose of the bye-trader dealing with merchandise as a carrier thereof, before or after conveyance over the canal. Maximum wharfage charges.

4. The Company may charge for the services hereunder mentioned, or any of them, when rendered to a bye-trader or other person at his request or for his convenience, a reasonable sum in addition to all other tolls and charges. Any difference arising under this section shall be determined by an arbitrator to be appointed by the Board of Trade at the instance of either party: Provided that where before any such service is rendered to a bye-trader or other person, he has given notice in writing to the Company that he does not require it, the
35 service shall not be deemed to have been rendered at his request or for his convenience:— Special charges.

(i.) The collection or delivery of merchandise outside the terminal station.

(ii.) Weighing merchandise.

(iii.) The use or occupation of any wharfage accommodation before or
40 after conveyance, beyond such period as shall be reasonably necessary for

enabling the bye-trader to deal with the merchandise as carrier thereof, or the consignor or consignee to give or take delivery thereof, and services rendered by the Company in connexion with such use or occupation.

(iv.) Loading or unloading or covering or uncovering merchandise comprised in any class of the classification when conveyed by a bye-trader 5
over the canal.

(v.) The use of coal or other drops.

(vi.) The use of cranes, and the machinery, plant, and power for working the cranes and provision of labour in connexion therewith.

(vii.) The provision of towage or other motive power for a bye-trader. 10

(viii.) The use or occupation of a berth or lay-bye or canal basin belonging to the Company, and not being the canal or lay-bye or canal basin alongside any private wharf, by a bye-trader's boat beyond a reasonable period for loading or unloading; but no charge shall be made for boats tied up or moved at night or when not at work, provided that the traffic of the 15
canal or of a terminal station or canal basin is not thereby impeded.

(ix.) For gauging or re-gauging and weighing or re-weighing boats for the purpose of ascertaining their carrying capacity, and for providing and fixing gauge plates or other indices on boats.

Gauging and
weighing
register.

5. Where the Company gauge or re-gauge or weigh or re-weigh a boat, the 20
book containing the record of the gauge or weight shall be open to inspection at all reasonable times at the principal office of the Company, or at the weighing station of the Company where such boat was last weighed.

Charges for
wharves, lay-
byes, &c.,
under agree-
ment.

6. Nothing herein contained shall prevent the Company from making and receiving, in addition to the tolls and charges specified in this schedule, charges 25
and payments, by way of rent or otherwise, for wharves and lay-byes and other structural accommodation provided or to be provided by the Company for the use of a bye-trader or other person or for easements, rights or privileges granted or to be granted by the Company to a bye-trader or other person provided that the amount of such charges or payments is fixed by an agreement in writing 30
signed by the bye-trader or such other person or by some person duly authorised on his behalf; but nothing in this schedule contained shall authorise the Company to make any charge for loading or unloading over the tow paths or canal banks, provided no injury is done to the property of the Company or obstruction caused to the traffic passing on the canal. Any difference arising 35
under this section shall be determined by an arbitrator to be appointed by the Board of Trade.

Charges for
transhipment.

7. Where it is necessary that merchandise should be transhipped from one boat to another boat, in consequence of the boat not being able, owing to its dimensions or draft of water, to proceed over any canal through or along which 40
the traffic is to be conveyed, or where such transhipment is necessary for the purpose of navigating tidal waters beyond the limits of the canal, the Company may make a reasonable charge for any services of transhipment performed by them, the amount of such charge to be determined, in case of difference, by an

arbitrator to be appointed by the Board of Trade. Provided that for the aforesaid services of transshipment no other charge than is authorised in this section shall be made under any other provision of this schedule. Provided also that no such charge shall be made in any case where transshipment has been rendered necessary by the neglect of the Company. Provided also that where transshipment is rendered necessary by a change in the breadth of such canal, such transshipment shall not be held to constitute a re-consignment for the purpose of calculating the distance over which the merchandise so transhipped is conveyed.

10 II.—PROVISIONS AS TO FIXING TOLLS AND CHARGES.

8. The Company may charge for a fraction of a ton according to the number of quarters of a ton in that fraction, and a fraction of a quarter of a ton may be charged for as a quarter of a ton.

Fraction of a
ton.

9. For a fraction of a penny in the gross amount of tolls and charges for any consignment for the entire distance conveyed the Company may charge a penny.

Fraction of a
penny.

10. Weight (except as herein-after provided as to timber), shall be determined according to the imperial avoirdupois weight, which may be ascertained by actual weighing or by the tonnage gauges or indices of the boat containing the merchandise, but in case of dispute either the Company or a bye-trader may insist upon an actual weighing, the cost of which and of the necessary unloading and re-loading shall be borne by the party in error.

Weight.

11. Forty cubic feet of oak, mahogany, teak, beech, greenheart, ash, hickory, ironwood, baywood, or other heavy timber, and 50 cubic feet of poplar, larch, fir, elm, birch, lancewood, walnut, or other light timber other than deals, battens, and boards, and 66 cubic feet of deals, battens, and boards shall be charged for as one ton, and smaller quantities shall be charged for in the like proportion. The cubic contents of timber (other than round timber) shall be ascertained by the mode of measurement in use for the time being, and the cubic contents of round timber shall be ascertained by quarter girth, and the divisor of one hundred and forty-four (measurement being taken by tape over bark).

Weight of
timber.

12. The Company may demand that any trader or bye-trader shall forward a declaration to the Company setting forth the true description and dimensions of timber conveyed by or for him and the cubic contents of the same. In the event of doubt as to the correctness of such declaration the Company may insist upon measuring the timber, the cost of which measuring and of the necessary unloading and re-loading shall be borne by the party in error, or the Company may demand either from the consignor or consignee of such timber, or from the bye-trader, a copy of the invoice of the timber and a statutory declaration of the correctness of the same. Upon failure or refusal, after reasonable notice, to furnish any of the aforesaid documents, the Company shall have power to charge either the consignor or consignee or the bye-trader,

Provisions as

Lagan, &c. Canals.

III.—MISCELLANEOUS.

Classification of unenumerated articles. 13. In respect of any merchandise or article of any description which is not specified in the classification, the Company may, unless and until such merchandise or article is duly added to this classification and schedule pursuant to sub-section 11 of section 24 of the Railway and Canal Traffic Act, 1888, make the charges which are by this schedule authorised in respect of merchandise and things in Class B. 5

Returned empties. 14. In respect of returned empties conveyed by a bye-trader over the canal from the same place and consignee to which and to whom they were carried full, to the same place and consignor from which and from whom they were carried full by the same bye-trader and by the same route, the Company may charge the maximum tolls and charges as if such returned empties were merchandise included in the same class of the classification as comprises the merchandise which was carried in such empties when full. 15

Arbitration. 37 & 38 Vict. c. 40. 15. The Board of Trade Arbitrations, &c. Act, 1874, shall, so far as applicable, apply to every determination of a difference or question by arbitration under the provisions herein contained.

Recovery of tolls and charges from bye-traders. 16. If on demand any bye-trader fail to pay the tolls or charges due to the Company in respect of any boat or merchandise, it shall be lawful for the Company to detain and sell such boat or all or any part of such merchandise, or, if the same have been removed from the canal or the premises of the Company, to detain and sell any other boats or merchandise on the canal or within such premises belonging to the bye-trader liable to pay such tolls or charges, and out of the moneys arising from such sale to retain the tolls and charges payable as aforesaid and all expenses of such detention and sale, rendering the overplus, if any, of the moneys arising by such sale, and such of the boats or merchandise as shall remain unsold, to the bye-trader or person entitled thereto, or it shall be lawful for the Company to recover any such tolls or charges by action in any court of competent jurisdiction. 20 25 30

[AS AMENDED BY THE JOINT COMMITTEE OF LORDS AND
COMMONS]

TO

Confirm a Provisional Order made by the Board of Trade A.D. 1894.
under the Railway and Canal Traffic Act, 1888, con-
taining the Classification of Merchandise Traffic, and the
Schedule of Maximum Tolls and Charges applicable
thereto, for the Lagan Canal, and certain other Canals.

WHEREAS under the Railway and Canal Traffic Act, 1888, 51 & 52 Vict.
c. 25.
the Board of Trade embodied in a Provisional Order the
classification of merchandise traffic and schedule of maximum
tolls and charges, including all wharfage charges which, in the
5 opinion of the Board of Trade, ought to be adopted by the
Proprietors of the canals and navigations which are mentioned in
the schedule to the said Provisional Order :

And whereas it is expedient that the Provisional Order, as
set out in the schedule to this Act annexed, be confirmed by Act of
10 Parliament :

Be it therefore enacted by the Queen's most Excellent Majesty,
by and with the advice and consent of the Lords Spiritual and
Temporal, and Commons, in this present Parliament assembled,
and by the authority of the same, as follows :

15 **1.** This Act may be cited as the Canal Tolls and Charges, No. 11 Short title.

SCHEDULE.

THE LAGAN, &c. CANALS.

Order of the Board of Trade under the Railway and Canal Traffic Act, 1888, embodying the Classification of Merchandise Traffic and the authorised Schedule of Maximum Tolls and Charges, 5 including all Wharfage Charges applicable to the said Classification for the Lagan Canal, the Tyrone Navigation, the Ulster Canal, the Lower Bann Navigation, the Newry Navigation, the Royal Canal, and the River Shannon Navigation.

- Short title. 1. This Order may be cited as the Canal Tolls and Charges, No. 11 10
(Lagan, &c. Canals), Order, 1894.
- Commence-
ment. 2. This Order shall come into force and have effect on the 1st day of
January 1895, or such later date as the Board of Trade may by Order direct,
which date is in this Order referred to as the commencement of this Order.
- Interpretation. 3. This Order is to be read and construed subject in all respects to the 15
provisions of the Railway and Canal Traffic Acts, 1873 to 1888, and of any
other Acts or parts of Acts incorporated therewith.
- Schedule of
maximum
tolls and
charges. 4. From and after the commencement of this Order the maximum tolls
and charges which the Proprietors of the canals named in the schedule to this
Order annexed shall be entitled to charge and make in respect of merchandise 20
traffic on those canals, shall be the tolls and charges specified in the said
schedule, and shall be subject to the classification, regulations, and provisions
set forth in the said schedule.

SCHEDULE OF MAXIMUM TOLLS AND CHARGES, AND CLASSIFICATION OF MERCHANDISE TRAFFIC APPLICABLE TO THE LAGAN CANAL, THE TYRONE NAVIGATION, THE ULSTER CANAL, THE LOWER BANN NAVIGATION, THE NEWRY NAVIGATION, THE ROYAL CANAL, AND THE RIVER SHANNON NAVIGATION. A.D. 1894.
Lagan, &c. Canals.

GENERAL SECTIONS APPLICABLE TO ALL THE CANALS TO WHICH THIS SCHEDULE APPLIES.

I.—MAXIMUM TOLLS AND CHARGES.

1. Table A. in this schedule is divided into two parts, and shall be deemed part of this schedule. Part I. of the table contains the maximum tolls and wharfage charges which the Company may charge in respect of the merchandise comprised in the several classes of merchandise specified in the classification when conveyed by a bye-trader over the canal. Part II. of the table contains the exceptional charges which the Company may charge in respect of the articles, goods, and things specified in that part, and the circumstances in which the exceptional charges may be made.

Division of schedule.

2. The maximum tolls are the maximum tolls which the Company may charge in respect of the use of the canal by a bye-trader conveying merchandise over the same.

Maximum tolls.

3. The maximum wharfage charges are the maximum charges which the Company may make for the use by a bye-trader or other person, for a reasonable period, of a landing place (exclusive of cranes, and the machinery, plant, and power for working the cranes, and provision of labour in connexion therewith), provided by the Company at a terminal station for the purpose of loading or unloading merchandise and for the purpose of the bye-trader dealing with merchandise as a carrier thereof, before or after conveyance over the canal.

Maximum wharfage charges.

4. The Company may charge for the services hereunder mentioned, or any of them, when rendered to a bye-trader or other person at his request or for his convenience, a reasonable sum in addition to all other tolls and charges. Any difference arising under this section shall be determined by an arbitrator to be appointed by the Board of Trade at the instance of either party: Provided that where before any such service is rendered to a bye-trader or other person, he has given notice in writing to the Company that he does not require it, the service shall not be deemed to have been rendered at his request or for his convenience:—

Special charges.

(i.) The collection or delivery of merchandise outside the terminal station.

(ii.) Weighing merchandise.

(iii.) The use or occupation of any wharfage accommodation before or after conveyance, beyond such period as shall be reasonably necessary for

enabling the bye-trader to deal with the merchandise as carrier thereof, or the consignor or consignee to give or take delivery thereof, and services rendered by the Company in connexion with such use or occupation.

(iv.) Loading or unloading or covering or uncovering merchandise comprised in any class of the classification when conveyed by a bye-trader over the canal. 5

(v.) The use of coal or other drops.

(vi.) The use of cranes, and the machinery, plant, and power for working the cranes and provision of labour in connexion therewith.

(vii.) The provision of towage or other motive power for a bye-trader. 10

(viii.) The use or occupation of a berth or lay-bye or canal basin belonging to the Company, and not being the canal or lay-bye or canal basin alongside any private wharf, by a bye-trader's boat beyond a reasonable period for loading or unloading; but no charge shall be made for boats tied up or moved at night or for a reasonable time when not at work, provided that the traffic of the canal or of a terminal station or canal basin is not thereby impeded. 15

(ix.) For gauging or re-gauging and weighing or re-weighing boats for the purpose of ascertaining their carrying capacity, and for providing and fixing gauge plates or other indices on boats. 20

Gauging and
weighing
register.

5. Where the Company gauge or re-gauge or weigh or re-weigh a boat, the book containing the record of the gauge or weight shall be open to inspection at all reasonable times at the principal office of the Company, or at the weighing station of the Company where such boat was last weighed.

Charges for
wharves, lay-
byes, &c.,
under agree-
ment.

6. Nothing herein contained shall prevent the Company from making and receiving, in addition to the tolls and charges specified in this schedule, charges and payments, by way of rent or otherwise, for wharves and lay-byes and other structural accommodation provided or to be provided by the Company for the use of a bye-trader or other person or for easements, rights or privileges granted or to be granted by the Company to a bye-trader or other person provided that the amount of such charges or payments is fixed by an agreement in writing signed by the bye-trader or such other person or by some person duly authorised on his behalf; but nothing in this schedule contained shall authorise the Company to make any charge for loading or unloading over the tow paths or canal banks, provided no injury is done to the property of the Company or obstruction caused to the traffic passing on the canal. Any difference arising under this section shall be determined by an arbitrator to be appointed by the Board of Trade. 25 30 35

Charges for
transhipment.

7. Where it is necessary that merchandise should be transhipped from one boat to another boat, in consequence of the boat not being able, owing to its dimensions or draft of water, to proceed over any canal through or along which the traffic is to be conveyed, or where such transhipment is necessary for the purpose of navigating tidal waters beyond the limits of the canal, the Company may make a reasonable charge for any services of transhipment performed by them, the amount of such charge to be determined, in case of difference, by an 40 45

arbitrator to be appointed by the Board of Trade. Provided that for the afore-
said services of transhipment no other charge than is authorised in this section
shall be made under any other provision of this schedule. Provided also
that no such charge shall be made in any case where transhipment has been
5 rendered necessary by the neglect of the Company. Provided also that where
transhipment is rendered necessary by a change in the breadth of such canal,
such transhipment shall not be held to constitute a re-consignment for the pur-
pose of calculating the distance over which the merchandise so transhipped is
conveyed.

10 II.—PROVISIONS AS TO FIXING TOLLS AND CHARGES.

8. The Company may charge for a fraction of a ton according to the number
of quarters of a ton in that fraction, and a fraction of a quarter of a ton may be
charged for as a quarter of a ton. Fraction of a
ton.

9. For a fraction of a penny in the gross amount of tolls and charges for any
15 consignment for the entire distance conveyed the Company may charge a
penny. Fraction of a
penny.

10. Weight (except as herein-after provided as to timber), shall be deter-
mined according to the imperial avoirdupois weight, which may be ascertained
by actual weighing or by the tonnage gauges or indices of the boat containing
20 the merchandise, but in case of dispute either the Company or a bye-trader
may insist upon an actual weighing, the cost of which and of the necessary
unloading and re-loading shall be borne by the party in error. Weight.

11. Forty cubic feet of oak, mahogany, teak, beech, greenheart, ash, hickory,
ironwood, baywood, or other heavy timber, and 50 cubic feet of poplar, larch,
25 fir, elm, birch, lancewood, walnut, or other light timber other than deals,
battens, and boards, and 66 cubic feet of deals, battens, and boards shall be
charged for as one ton, and smaller quantities shall be charged for in the like
proportion. The cubic contents of timber (other than round timber) shall be
ascertained by the mode of measurement in use for the time being, and the
30 cubic contents of round timber shall be ascertained by quarter girth, and the
divisor of one hundred and forty-four (measurement being taken by tape over
bark). Weight of
timber.

12. The Company may demand that any trader or bye-trader shall forward
a declaration to the Company setting forth the true description and dimensions
35 of timber conveyed by or for him and the cubic contents of the same. In the
event of doubt as to the correctness of such declaration the Company may
insist upon measuring the timber, the cost of which measuring and of the
necessary unloading and re-loading shall be borne by the party in error, or the
Company may demand either from the consignor or consignee of such timber,
40 or from the bye-trader, a copy of the invoice of the timber and a statutory
declaration of the correctness of the same. Upon failure or refusal, after
reasonable notice, to furnish any of the aforesaid documents, the Company shall
have power to charge either the consignor or consignee or the bye-trader,

III.—MISCELLANEOUS.

Classification
of unenum-
erated articles.

13. In respect of any merchandise or article of any description which is not specified in the classification, the Company may, unless and until such merchandise or article is duly added to this classification and schedule pursuant to sub-section 11 of section 24 of the Railway and Canal Traffic Act, 1888, make the charges which are by this schedule authorised in respect of merchandise and things in Class B.

Returned
empties.

14. In respect of returned empties conveyed by a bye-trader over the canal full, to the same place and consignee to which and to whom they were carried full, to the same place and consignor from which and from whom they were carried full by the same bye-trader and by the same route, the Company may charge the maximum tolls and charges as if such returned empties were merchandise included in the same class of the classification as comprises the merchandise which was carried in such empties when full.

Schedule not to
apply to plea-
sure boats.

15. Nothing in this schedule shall apply to pleasure boats or boats for the conveyance of passengers, or affect the tolls or charges; if any, which the Company are authorised to charge or make in respect thereof of such boats under the provisions of any Act of Parliament.

Repeal of cer-
tain exemp-
tions.

16. Except as is otherwise provided by this schedule, all exemptions from tolls for any merchandise conveyed on the canal provided by any Act of Parliament shall cease to be in force.

Arbitration.
37 & 38 Vict.
c. 40.

17. The Board of Trade Arbitrations, &c. Act, 1874, shall, so far as applicable, apply to every determination of a difference or question by arbitration under the provisions herein contained.

Recovery of
tolls and
charges from
bye-traders.

18. If on demand any bye-trader fail to pay the tolls or charges due to the Company in respect of any boat or merchandise, it shall be lawful for the Company to detain and sell such boat or all or any part of such merchandise, or, if the same have been removed from the canal or the premises of the Company, to detain and sell any other boats or merchandise on the canal or within such premises belonging to the bye-trader liable to pay such tolls or charges, and out of the moneys arising from such sale to retain the tolls and charges payable as aforesaid and all expenses of such detention and sale, rendering the overplus, if any, of the moneys arising by such sale, and such of the boats or merchandise as shall remain unsold, to the bye-trader or person entitled thereto, or it shall be lawful for the Company to recover any such tolls or charges by action in any court of competent jurisdiction.

Definitions.

19. In this schedule, unless the context otherwise requires:—

The term “merchandise” includes all goods and things comprised in the classification;

The term “the classification” means the classification of goods annexed to this schedule;

The term "bye-trader" means any person (other than the Company) who conveys or desires to convey merchandise over the canal ; A.D. 1894.

The term "terminal station" means a place upon or in connexion with the canal at which the Company have provided or provide structural accommodation for loading or unloading merchandise before or after its conveyance on the canal, but does not include any dock or shipping place ; *Lagan, &c. Canals.*

The term "boat" includes all vessels, barges, keels, sloops, steam vessels, compartment boats, and other craft of every description, however propelled or moved, using the canal.

20. Before the Company act as carriers of merchandise, they shall submit to the Board of Trade a schedule of maximum rates for conveyance of merchandise by them and charges applicable thereto, in pursuance of the Railway and Canal Traffic Act, 1888 ; and the time for submitting the schedule is hereby extended until the Company propose to act as such carriers. *Time for submitting schedule of conveyance rates extended.*

SPECIAL SECTIONS APPLICABLE ONLY TO THE LAGAN CANAL, THE TYRONE NAVIGATION, AND THE ULSTER CANAL.

(i.) Where merchandise is conveyed in a boat which passes through one or more locks on the canal, the Company may charge a minimum toll of five shillings. *Minimum toll per boat and toll for empty boat.*

For any empty boat which passes through one or more locks on the canal the Company may charge the sum of five shillings.

SCHEDULE OF MAXIMUM RATES, TOLLS, AND CHARGES, AND CLASSIFICATION
OF MERCHANDISE TRAFFIC APPLICABLE TO THE GRAND CANAL, THE
BARROW NAVIGATION, AND THE STRABANE CANAL. A.D. 1894.
Grand Canal, &c.

5 GENERAL SECTIONS APPLICABLE TO ALL THE CANALS TO WHICH THIS
SCHEDULE APPLIES.

I.—MAXIMUM RATES, TOLLS, AND CHARGES.

1. Table A. in this schedule is divided into four parts, and shall be deemed
part of this schedule. Part I. of the table contains the maximum rates and
station and service terminals which the Company may charge in respect of the
10 merchandise comprised in the several classes of merchandise specified in the
classification when conveyed by the Company over the canal. Part II. of
the table contains the maximum tolls and wharfage charges which the
Company may charge in respect of the merchandise comprised in the
15 several classes of merchandise specified in the classification when con-
veyed by bye-traders over the canal. Part III. of the table contains the
exceptional charges which the Company may charge in respect of the articles,
animals, goods, and things specified in that part, and the circumstances in
which the exceptional charges may be made. Part IV. of the table contains
20 the rates and charges which the Company may make for the conveyance by
them of small parcels, with the provisions and regulations which are to
apply to such parcels.
2. The maximum rates are the maximum rates which the Company may
charge for the conveyance by them of merchandise over the canal, and include
the provision of boats and towage or other motive power by the Company,
25 and every other expense incidental to such conveyance not otherwise in this
schedule provided for: Provided that it shall not be obligatory on the
Company to convey over the canal any merchandise comprised in Class A.
of the classification, or any of the following articles in Class B., viz., ammo-
niacal liquor, pitch (coal tar) (during the months of June, July, August,
30 and September), compost for manure, creosote, coal tar, gas tar, gas water,
draff or brewers' or distillers' grains, gravel (tarred, for paving), lime in bulk,
manures in bulk, salt in bulk, sugar scum for manure, or any article or thing
which in weight or bulk may exceed the lifting power of the Company's
cranes, or the carrying capacity of their boats, or which may be liable to
35 injure the boats of the Company or other goods carried therein, or which may
be dangerous or explosive.
3. The maximum station terminals are the maximum charges which the
Company may make to a trader for the use of the accommodation (exclusive
of coal or other drops) provided, and for the duties undertaken by the
40 Company for which no other provision is made in this schedule, at the
terminal station for or in dealing with merchandise, as carriers thereof, before
or after conveyance.

Maximum
station
terminals.

- A.D. 1894. 4. The maximum service terminals are the maximum charges which the Company may make to a trader for the following services, when rendered to or for a trader at a terminal station, that is to say, loading, unloading, covering, and uncovering merchandise, which charges shall, in respect of each service, be deemed to include all charges for the provision by the Company of labour, machinery, plant, stores, and sheets: Provided that where merchandise conveyed in a separate boat is loaded or unloaded elsewhere than in a shed or building of the Company, the Company may not charge to a trader any service terminal for the performance by the Company of any of the said services, if the trader has requested the Company to allow him to perform the service for himself and the Company have unreasonably refused to allow him to do so. Any dispute between a trader and the Company in reference to any service terminal charged to a trader who is not allowed by the Company to perform for himself the service shall be determined by the Board of Trade. 5
- Grand Canal, &c.
Maximum service terminals.
5. The maximum tolls are the maximum tolls which the Company may charge in respect of the use of the canal by a bye-trader conveying merchandise over the same. 15
- Maximum tolls.
6. The maximum wharfage charges are the maximum charges which the Company may make for the use by a bye-trader or other person, for a reasonable period, of a landing place (exclusive of cranes, and the machinery, plant, and power for working the cranes, and provision of labour in connexion therewith), provided by the Company at a terminal station for the purpose of loading or unloading merchandise and for the purpose of the bye-trader dealing with the merchandise as a carrier thereof, before or after conveyance over the canal. 20
- Maximum wharfage charges.
7. The Company may charge for the services hereunder mentioned, or any of them, when rendered to a trader or bye-trader or other person at his request or for his convenience, a reasonable sum in addition to all other rates, tolls, and charges. Any difference arising under this section shall be determined by an arbitrator to be appointed by the Board of Trade at the instance of either party: Provided that where before any such service is rendered to a trader or bye-trader or other person, he has given notice in writing to the Company that he does not require it, the service shall not be deemed to have been rendered at his request or for his convenience. 30
- Special charges.
- (i.) The collection or delivery of merchandise outside the terminal station. 35
- (ii.) Weighing merchandise.
- (iii.) The detention of the Company's boats at any place, or the use or occupation of any landing place or accommodation (not being water space) belonging to the Company at a terminal station, before or after conveyance, beyond such period as shall be reasonably necessary for enabling the Company or the bye-trader to deal with the merchandise as carriers thereof, or the consignor or consignee to give or take delivery thereof; or in cases in which the merchandise conveyed by the Company is consigned to an address other than the terminal station, beyond a 40

reasonable period from the time when notice has been delivered at such address that the merchandise has arrived at the terminal station for delivery. And services rendered by the Company in connexion with such use or occupation.

A.D. 1894.

*Grand
Canal, &c.*

5 (iv.) Loading or unloading or covering or uncovering merchandise comprised in Class A. or Class B. of the classification when conveyed by the Company over the canal, or merchandise comprised in any other class of the classification when so conveyed and the services are rendered at or in
10 connexion with places apart from the Company's terminal stations, or merchandise comprised in any class when conveyed by a bye-trader over the canal.

(v.) The use of coal or other drops.

(vi.) The use of cranes, and the machinery, plant, and power for working the cranes and provision of labour in connexion therewith.

15 (vii.) The provision of towage or other motive power for a bye-trader.

(viii.) The use or occupation of a berth or lay-bye or canal basin belonging to the Company, and not being the canal or lay-bye or canal basin alongside any private wharf, by a bye-trader's boat beyond a reasonable period for loading or unloading; but no charge shall be made for boats
20 tied up or moored at night or when not at work, provided that the traffic of the canal or of a terminal station or canal basin is not thereby impeded.

(ix.) For gauging or re-gauging and weighing or re-weighing boats for the purpose of ascertaining their carrying capacity, and for providing and fixing gauge plates and other indices on boats.

25 8. Where the Company gauge or re-gauge or weigh or re-weigh a boat, the book containing the record of the gauge or weight shall be open to inspection at all reasonable times at the principal office of the Company or at the weighing station of the Company where such boat was last weighed.

register.

9. Nothing herein contained shall prevent the Company from making and
30 receiving, in addition to the tolls and charges specified in this schedule, charges and payments, by way of rent and otherwise, for wharves and lay-byes and other structural accommodation provided or to be provided by the Company for the use of a trader or bye-trader or other person or for easements, rights or privileges granted or to be granted by the Company to a
35 trader or bye-trader or other person provided that the amount of such charges or payments is fixed by an agreement in writing signed by the trader or bye-trader or such other person or by some person duly authorised on his behalf; but nothing in this schedule contained shall authorise the Company to make
40 any charge for loading or unloading over the tow paths or canal banks, provided no injury is done to the property of the Company or obstruction caused to the traffic passing on the canal. Any difference arising under this section shall be determined by an arbitrator to be appointed by the Board of Trade.

A.D. 1894. dimensions or draft of water, to proceed over any canal through or along which the traffic is to be conveyed, or where such transshipment is necessary for the purpose of navigating tidal waters beyond the limits of the canal, the Company may make a reasonable charge for any services of transshipment performed by them, the amount of such charge to be determined, in case of difference, by an arbitrator to be appointed by the Board of Trade. Provided that for the aforesaid services of transshipment no other charge than is authorised in this section shall be made under any other provision of this schedule. Provided also that no such charge shall be made in any case where transshipment has been rendered necessary by the neglect of the Company. Provided also that where transshipment is rendered necessary by a change in the breadth of such canal, such transshipment shall not be held to constitute a re-consignment for the purpose of calculating the distance over which the merchandise so transhipped is conveyed.

II.—PROVISIONS AS TO FIXING RATES, TOLLS, AND CHARGES.

Minimum rates
for short
distances.

11. Where merchandise is conveyed by the Company on the canal for an entire distance which does not exceed, in the case of merchandise in respect of which a station terminal is chargeable at each end of the transit three miles, or in the case of merchandise in respect of which a station terminal is chargeable at one end of the transit four and a half miles, or in the case of merchandise in respect of which no station terminal is chargeable six miles, the Company may make the charges for conveyance authorised by this schedule as for three miles, four and a half miles and six miles respectively. Provided that, where merchandise is conveyed partly on the canal and partly on the canal of any other company, the canal and the canal of such other company shall for the purpose of reckoning such short distance be considered as one canal.

Rate for mini-
mum boat
load.

12. For any quantity of merchandise less than a boat load which the Company either receive or deliver on or at places apart from the Company's terminal stations, or which, from the circumstances in which the merchandise is tendered, or from the nature of the merchandise, the Company are obliged or required to convey separately, the Company may charge as for a reasonable minimum load, having regard to the nature of the merchandise. Any difference arising under this section shall be determined by an arbitrator to be appointed by the Board of Trade.

Fraction of a
ton.

13. Where a consignment of merchandise is conveyed by a bye-trader, a fraction of a ton may be charged for according to the number of quarters of a ton in that fraction, and a fraction of a quarter of a ton may be charged for as a quarter of a ton.

Fraction of a
penny.

14. For a fraction of a penny in the gross amount of rates, tolls, and charges for any consignment for the entire distance conveyed, the Company may charge a penny.

Weight.

15. Weight (except as to stone when conveyed by the Company, and charged by measurement, and except as herein-after provided as to timber)

A.D. 1894.
Grand
Canal, &c.

shall be determined according to the imperial avoirdupois weight, which may be ascertained by actual weighing or by the tonnage gauges or indices of the boat containing the merchandise, but in case of dispute either the Company or a bye-trader may insist upon an actual weighing, the cost of which and of the necessary unloading and re-loading shall be borne by the party in error.

16. All stone, when conveyed by the Company, shall be charged by weight, when the weight can be conveniently ascertained. When the weight of stone in blocks cannot be conveniently ascertained, 14 cubic feet of stone in blocks may be charged for as one ton and smaller quantities may be charged for in the like proportion.

Weight of
stone.

17. Forty cubic feet of oak, mahogany, teak, beech, greenheart, ash, hickory, ironwood, baywood, or other heavy timber, and 50 cubic feet of poplar, larch, fir, elm, birch, lancewood, walnut, or other light timber other than deals, battens, and boards, and 66 cubic feet of deals, battens, and boards shall be charged for as one ton, and smaller quantities shall be charged for in the like proportion. The cubic contents of timber (other than round timber) shall be ascertained by the mode of measurement in use for the time being, and the cubic contents of round timber shall be ascertained by quarter girth, and the divisor of one hundred and forty-four (measurement being taken by tape over bark).

Weight of
timber.

18. The Company may demand that any trader or bye-trader shall forward a declaration to the Company setting forth the true description and dimensions of timber conveyed by or for him and the cubic contents of the same. In the event of doubt as to the correctness of such declaration the Company may insist upon measuring the timber, the cost of which measuring and of the necessary unloading and reloading shall be borne by the party in error, or the Company may demand either from the consignor or consignee of such timber, or from the bye-trader, a copy of the invoice of the timber and a statutory declaration of the correctness of the same. Upon failure or refusal, after reasonable notice, to furnish any of the aforesaid documents, the Company shall have power to charge either the consignor or consignee or the bye-trader, according to the avoirdupois weight of the timber, to be ascertained in the same manner as the weight of other merchandise.

Provisions as
to declaration.

19. Articles of one description sent in large aggregate quantities, although made up of separate parcels, such as bags of sugar, bags of coffee and the like, shall not be deemed to be small parcels.

Aggregate
quantities.

20. No station terminal shall be charged by the Company in respect of merchandise exchanged with, handed over to, or received from any other canal company for further conveyance by canal at the terminal station at which it is so exchanged, handed over, or received.

Station ter-
minal not to
be charged for

Grand Canal, &c.
 Rates for other companies using the canal.

24. Any canal company (other than the Company) conveying merchandise over the canal, or performing any of the services for which rates or charges are authorised by this schedule, shall be entitled to charge and make the same rates and charges as the Company are by this schedule authorised to charge and make.

25. The Board of Trade Arbitrations, &c., Act, 1874, shall, so far as applicable, apply to every determination of a difference or question by arbitration under the provisions of this schedule.

Arbitration.
 37 & 38 Vict.
 c. 40.

26. If on demand any bye-trader fail to pay the tolls or charges due to the Company in respect of any boat or merchandise, it shall be lawful for the Company to detain and sell such boat or all or any part of such merchandise, or, if the same have been removed from the canal or the premises of the Company, to detain and sell any other boats or merchandise on the canal or within such premises belonging to the bye-trader liable to pay such tolls or charges, and out of the moneys arising from such sale to retain the tolls and charges payable as aforesaid and all expenses of such detention and sale, rendering the overplus, if any, of the moneys arising by such sale, and such of the boats or merchandise as shall remain unsold, to the bye-trader or person entitled thereto, or it shall be lawful for the Company to recover any such tolls or charges by action in any court of competent jurisdiction.

Recovery of tolls and charges from bye-traders.

5	Basic slag, unground.	Iron-pyrites, unburnt and burnt.
	Cannel.	Ironstone.
	Chalk in the rough, for agricultural purposes.	Limestone, in bulk.
10	Cinders, coal.	Manganiferous iron ore, for iron making.
	Clay, in bulk, e.o.h.p.	Manure, street, stable, farmyard, in bulk.
	Coal.	Night soil.
	Coke.	Purple ore.
15	Coprolites and rock phosphate, unground.	Sand.
	Creosote, coal-tar, gas-tar, gas-water, in owners' tank boats.	Slack.
	Culm.	Slag or scoria, blast furnace.
	Gannister.	Stone and undressed material, for the repair of roads.
20	Gas lime or gas purifying refuse.	Stone, wholly undressed, straight from a quarry.
	Gravel.	Tap or mill cinder.
	Hammer scale.	Waste sulphate of lime.
	Iron ore.	

CLASS B.

25	Alabaster stone, in lumps, unground.	Concrete, in blocks or slabs.
	Ammoniacal liquor.	Copperas, green, in bulk.
	Antimony ore waste.	Coprolites and rock phosphate, ground.
	Asphalte paving, in blocks.	Creosote, coal-tar, gas-tar, gas water, e.o.h.p.
	Barytes, raw in bulk.	Draff, or brewers' and distillers' grains.
30	Basic material, burnt limestone, in bulk, to steel converters.	Ferro-manganese, in bulk.
	Basic slag, ground, packed.	Furnace lumps.
	Blooms, billets or ingots, iron or steel.	Furnace scrapings.
	Bog-ore, for gas purifying.	Gas-carbon.
35	Bricks, clay, common and fire.	Granite, in blocks, rough or undressed.
	Bricks, crushed.	Gravel, tarred, for paving.
	Cement, in blocks or slabs.	Gypsum, for manure.
	Cement stone.	Gypsum stone, in lumps, unground.
	China clay.	
40	Coal fuel, patent.	
	Compost, for manure.

SCHEDULE OF MAXIMUM RATES, TOLLS, AND CHARGES, AND CLASSIFICATION OF MERCHANDISE TRAFFIC APPLICABLE TO THE GRAND CANAL. A.D. 1894.
Grand Canal.

I.—MAXIMUM RATES, TOLLS, AND CHARGES.

1. Table A. in this schedule is divided into four parts, and shall be deemed
5 part of this schedule. Part I. of the table contains the maximum rates and station and service terminals which the Company may charge in respect of the merchandise comprised in the several classes of merchandise specified in the classification when conveyed by the Company over the canal. Part II. of the table contains the maximum tolls and wharfage charges which the
10 Company may charge in respect of the merchandise comprised in the several classes of merchandise specified in the classification when conveyed by bye-traders over the canal. Part III. of the table contains the exceptional charges which the Company may charge in respect of the articles, animals, goods, and things specified in that part, and the circumstances in
15 which the exceptional charges may be made. Part IV. of the table contains the rates and charges which the Company may make for the conveyance by them of small parcels, with the provisions and regulations which are to apply to such parcels.
2. The maximum rates are the maximum rates which the Company may
20 charge for the conveyance by them of merchandise over the canal, and include the provision of boats and towage or other motive power by the Company, and every other expense incidental to such conveyance not otherwise in this schedule provided for: Provided that it shall not be obligatory on the Company to convey over the canal any merchandise comprised in Class A.
25 of the classification, or any of the following articles in Class B., viz., ammoniacal liquor, pitch (coal tar) (during the months of June, July, August, and September), compost for manure, creosote, coal tar, gas tar, gas water, draff or brewers' or distillers' grains, gravel (tarred, for paving), lime in bulk, manures in bulk, salt in bulk, sugar scum for manure, or any article or thing
30 which in weight or bulk may exceed the lifting power of the Company's cranes, or the carrying capacity of their boats, or which may be liable to injure the boats of the Company or other goods carried therein, or which may be dangerous or explosive.
3. The maximum station terminals are the maximum charges which the
35 Company may make to a trader for the use of the accommodation (exclusive of coal or other drops) provided, and for the duties undertaken by the Company for which no other provision is made in this schedule, at the terminal station for or in dealing with merchandise, as carriers thereof, before or after conveyance.

Order (No. 12) (Grand Canal).

- A.D. 1894. 4. The maximum service terminals are the maximum charges which the
Grand Canal. Company may make to a trader for the following services, when rendered to
Maximum or for a trader at a terminal station, that is to say, loading, unloading,
service covering, and uncovering merchandise, which charges shall, in respect of each
terminals. service, be deemed to include all charges for the provision by the Company of 5
labour, machinery, plant, stores, and sheets: Provided that where merchandise
conveyed in a separate boat is loaded or unloaded elsewhere than in a shed or
building of the Company, the Company may not charge to a trader any
service terminal for the performance by the Company of any of the said 10
services, if the trader has requested the Company to allow him to perform the
service for himself and the Company have unreasonably refused to allow him
to do so. Any dispute between a trader and the Company in reference to
any service terminal charged to a trader who is not allowed by the Company
to perform for himself the service shall be determined by the Board of Trade.
- Maximum 5. The maximum tolls are the maximum tolls which the Company may 15
tolls. charge in respect of the use of the canal by a bye-trader conveying mer-
chandise over the same.
- Maximum 6. The maximum wharfage charges are the maximum charges which the
wharfage Company may make for the use by a bye-trader or other person, for a reason- 20
charges. able period, of a landing place (exclusive of cranes, and the machinery, plant,
and power for working the cranes, and provision of labour in connexion
therewith), provided by the Company at a terminal station for the purpose of
loading or unloading merchandise and for the purpose of the bye-trader
dealing with the merchandise as a carrier thereof, before or after conveyance
over the canal. 25
- Special 7. The Company may charge for the services hereunder mentioned, or any
charges. of them, when rendered to a trader or bye-trader or other person at his
request or for his convenience, a reasonable sum in addition to all other
rates, tolls, and charges. Any difference arising under this section shall be
determined by an arbitrator to be appointed by the Board of Trade at the 30
instance of either party: Provided that where before any such service is
rendered to a trader or bye-trader or other person, he has given notice in
writing to the Company that he does not require it, the service shall not be
deemed to have been rendered at his request or for his convenience.
- (i.) The collection or delivery of merchandise outside the terminal station. 35
- (ii.) Weighing merchandise.
- (iii.) The detention of the Company's boats at any place, or the use or
occupation of any landing place or accommodation (not being water
space) belonging to the Company at a terminal station, before or after
conveyance, beyond such period as shall be reasonably necessary for 40
enabling the Company or the bye-trader to deal with the merchandise as
carriers thereof, or the consignor or consignee to give or take delivery
thereof; or in cases in which the merchandise conveyed by the Com-
pany is consigned to an address other than the terminal station, beyond a

reasonable period from the time when notice has been delivered at such address that the merchandise has arrived at the terminal station for delivery. And services rendered by the Company in connexion with such use or occupation. A.D. 1894.
Grand Canal.

5 (iv.) Loading or unloading or covering or uncovering merchandise comprised in Class A., Class B., or Class C. of the classification when conveyed by the Company over the canal, or merchandise comprised in any other class of the classification when so conveyed and the services are rendered at or in connexion with places apart from the Company's terminal stations, or
 10 merchandise comprised in any class when conveyed by a bye-trader over the canal.

(v.) The use of coal or other drops.

(vi.) The use of cranes, and the machinery, plant, and power for working the cranes and provision of labour in connexion therewith.

15 (vii.) The provision of towage or other motive power for a bye-trader.

(viii.) The use or occupation of a berth or lay-bye or canal basin belonging to the Company, and not being the canal or lay-bye or canal basin alongside any private wharf, by a bye-trader's boat beyond a reasonable period for loading or unloading; but no charge shall be made for boats
 20 tied up or moored at night or for a reasonable time when not at work, provided that the traffic of the canal or of a terminal station or canal basin is not thereby impeded.

(ix.) For gauging or re-gauging and weighing or re-weighing boats for the purpose of ascertaining their carrying capacity, and for providing and
 25 fixing gauge plates and other indices on boats.

8. Where the Company gauge or re-gauge or weigh or re-weigh a boat, the book containing the record of the gauge or weight shall be open to inspection at all reasonable times at the principal office of the Company or at the weighing station of the Company where such boat was last weighed. Gauging and weighing register.

30 9. Nothing herein contained shall prevent the Company from making and receiving, in addition to the tolls and charges specified in this schedule, charges and payments, by way of rent and otherwise, for wharves and lay-byes and other structural accommodation provided or to be provided by the Company for the use of a trader or bye-trader or other person or for ease-
 35 ments, rights or privileges granted or to be granted by the Company to a trader or bye-trader or other person provided that the amount of such charges or payments is fixed by an agreement in writing signed by the trader or bye-trader or such other person or by some person duly authorised on his behalf; but nothing in this schedule contained shall authorise the Company to make
 40 any charge for loading or unloading over the tow paths or canal banks, provided no injury is done to the property of the Company or obstruction caused to the traffic passing on the canal. Any difference arising under this section shall be determined by an arbitrator to be appointed by the Board of Trade.

10. Where it is necessary that merchandise should be transhipped from one
 45 boat to another boat, in consequence of the boat not being able, owing to its Charges for transhipment.

Grand Canal. which the traffic is to be conveyed, or where such transhipment is necessary
for the purpose of navigating tidal waters beyond the limits of the canal, the
Company may make a reasonable charge for any services of transhipment
performed by them, the amount of such charge to be determined, in case of 5
difference, by an arbitrator to be appointed by the Board of Trade. Provided
that for the aforesaid services of transhipment no other charge than is
authorised in this section shall be made under any other provision of this
schedule. Provided also that no such charge shall be made in any case where 10
transhipment has been rendered necessary by the neglect of the Company. 10
Provided also that where transhipment is rendered necessary by a change in
the breadth of such canal, such transhipment shall not be held to constitute a
re-consignment for the purpose of calculating the distance over which the
merchandise so transhipped is conveyed.

II.—PROVISIONS AS TO FIXING RATES, TOLLS, AND CHARGES. 15

Minimum rates 11. Where merchandise is conveyed by the Company on the canal for an
for short entire distance which does not exceed, in the case of merchandise in respect
distances. of which a station terminal is chargeable at each end of the transit three
miles, or in the case of merchandise in respect of which a station terminal is
chargeable at one end of the transit four and a half miles, or in the case of 20
merchandise in respect of which no station terminal is chargeable six miles,
the Company may make the charges for conveyance authorised by this
schedule as for three miles, four and a half miles and six miles respectively.
Provided that, where merchandise is conveyed partly on the canal and partly 25
on the canal of any other company, the canal and the canal of such other 25
company shall for the purpose of reckoning such short distance be considered
as one canal.

Rate for mini- 12. For any quantity of merchandise less than a boat load which the
mum boat Company either receive or deliver on or at places apart from the Company's
load. terminal stations, or which, from the circumstances in which the merchandise 30
is tendered, or from the nature of the merchandise, the Company are obliged
or required to convey separately, the Company may charge as for a reason-
able minimum load, having regard to the nature of the merchandise. Any
difference arising under this section shall be determined by an arbitrator to
be appointed by the Board of Trade. 35

Fraction of a 13. Where a consignment of merchandise is conveyed by a bye-trader, a
ton, fraction of a ton may be charged for according to the number of quarters of a
ton in that fraction, and a fraction of a quarter of a ton may be charged for
as a quarter of a ton.

Fraction of a 14. For a fraction of a penny in the gross amount of rates, tolls, and 40
penny. charges for any consignment for the entire distance conveyed, the Company
may charge a penny.

Weight. 15. Weight (except as to stone when conveyed by the Company, and
charged by measurement, and except as herein-after provided as to timber)

shall be determined according to the imperial avoirdupois weight, which may be ascertained by actual weighing or by the tonnage gauges or indices of the boat containing the merchandise, but in case of dispute either the Company or a bye-trader may insist upon an actual weighing, the cost of which and of the necessary unloading and re-loading shall be borne by the party in error. A.D. 1894.
Grand Canal.

16. All stone, when conveyed by the Company, shall be charged by weight, when the weight can be conveniently ascertained. When the weight of stone in blocks cannot be conveniently ascertained, 14 cubic feet of stone in blocks may be charged for as one ton and smaller quantities may be charged for in the like proportion. Weight of stone.

17. Forty cubic feet of oak, mahogany, teak, beech, greenheart, ash, hickory, ironwood, baywood, or other heavy timber, and 50 cubic feet of poplar, larch, fir, elm, birch, lancewood, walnut, or other light timber other than deals, battens, and boards, and 66 cubic feet of deals, battens, and boards shall be charged for as one ton, and smaller quantities shall be charged for in the like proportion. The cubic contents of timber (other than round timber) shall be ascertained by the mode of measurement in use for the time being, and the cubic contents of round timber shall be ascertained by quarter girth, and the divisor of one hundred and forty-four (measurement being taken by tape over bark). Weight of timber.

18. The Company may demand that any trader or bye-trader shall forward a declaration to the Company setting forth the true description and dimensions of timber conveyed by or for him and the cubic contents of the same. In the event of doubt as to the correctness of such declaration the Company may insist upon measuring the timber, the cost of which measuring and of the necessary unloading and reloading shall be borne by the party in error, or the Company may demand either from the consignor or consignee of such timber, or from the bye-trader, a copy of the invoice of the timber and a statutory declaration of the correctness of the same. Upon failure or refusal, after reasonable notice, to furnish any of the aforesaid documents, the Company shall have power to charge either the consignor or consignee or the bye-trader, according to the avoirdupois weight of the timber, to be ascertained in the same manner as the weight of other merchandise. Provisions as to declaration.

19. Articles of one description sent in large aggregate quantities, although made up of separate parcels, such as bags of sugar, bags of coffee and the like, shall not be deemed to be small parcels. Aggregate quantities.

20. No station terminal shall be charged by the Company in respect of merchandise exchanged with, handed over to, or received from any other canal company for further conveyance by canal at the terminal station at which it is so exchanged, handed over, or received. Station terminal not to be charged for exchange of traffic.

Bye-traders'
 returned
 empties.

23. In respect of returned empties conveyed by a bye-trader over the canal from the same place and consignee to which and to whom they were carried full, to the same place and consignor from which and from whom they were carried full by the same bye-trader and by the same route, the Company may charge the maximum tolls and charges as if such returned empties were

merchandise included in the same class of the classification as comprises the merchandise which was carried in such empties when full. A.D. 1894.

24. Any canal company (other than the Company) conveying merchandise over the canal, or performing any of the services for which rates or charges are authorised by this schedule, shall be entitled to charge and make the same rates and charges as the Company are by this schedule authorised to charge and make. *Grand Canal Rates for other companies using the canal.*

25. Where merchandise is conveyed by a bye-trader in a boat which passes through one or more locks on the canal, the Company may charge a minimum toll of five shillings. *Minimum toll per boat and toll for empty boat.*

For an empty boat which passes through one or more locks on the canal, the Company may charge the sum of five shillings, provided that such empty boat is not returning after delivering cargo in respect of which there has been paid to the Company a toll of not less than five shillings, or is not on its way to load cargo in respect of which a like toll will become payable to the Company.

26. For a fraction of a mile the Company may charge according to the number of quarters of a mile in that fraction, and a fraction of a quarter of a mile may be charged for as a quarter of a mile. *Fraction of a mile.*

27. Nothing in this schedule shall apply to pleasure boats or boats for the conveyance of passengers, or affect the tolls or charges, if any, which the Company are authorised to charge or make in respect thereof of such boats under the provisions of any Act of Parliament. *Schedule not to apply to pleasure boats.*

28. Except as it is otherwise provided by this schedule, all exemptions from tolls for any merchandise conveyed on the canal provided by any Act of Parliament shall cease to be in force. *Repeal of certain exemptions.*

29. The Board of Trade Arbitrations, &c., Act, 1874, shall, so far as applicable, apply to every determination of a difference or question by arbitration under the provisions of this schedule. *Arbitration. 37 & 38 Vict. c. 40.*

30. If on demand any bye-trader fail to pay the tolls or charges due to the Company in respect of any boat or merchandise, it shall be lawful for the Company to detain and sell such boat or all or any part of such merchandise, or, if the same have been removed from the canal or the premises of the Company, to detain and sell any other boats or merchandise on the canal or within such premises belonging to the bye-trader liable to pay such tolls or charges, and out of the moneys arising from such sale to retain the tolls and charges payable as aforesaid and all expenses of such detention and sale, rendering the overplus, if any, of the moneys arising by such sale, and such of the boats or merchandise as shall remain unsold, to the bye-trader or person entitled thereto, or it shall be lawful for the Company to recover any such tolls or charges by action in any court of competent jurisdiction. *Recovery of tolls and charges from bye-traders.*

Church of Scotland Bill.

MEMORANDUM.

The object of this Bill is set forth in its title. The machinery by which that object is proposed to be achieved is contained in clauses 3 and 4. Under clause 3, on the commencement of the Act, disestablishment is brought about, the office of High Commissioner to the General Assembly, the sending of delegates from town councils to that Assembly, the right of kirk sessions to representation on parochial boards, the exclusive rights enjoyed by the Church of Scotland in respect of the proclamation of banns, the exemption of her ministers from the payment of poor rates, and other exclusive privileges are abolished. The patrimonial interests of ministers, however, remain unaffected until the occurrence of a vacancy in the church and parish. On the occurrence of such a vacancy the provisions of clause 4 come into effect. Stipends will then no longer be paid from teinds, which, with other payments from public sources, are in future to be transferred to the local authority to be applied to any one or more of the purposes enumerated in Schedule A. Power is given to local authorities. The structures of such churches and manse as are at present vested in heritors, parliamentary commissioners, and other public bodies become vested in the local authority, but the congregations are given the right to their exclusive use, subject to the condition of undertaking their up-keep. Glebes become vested in the local authority to be used for any of the purposes enumerated in Schedule B. For the purpose of facilitating the creation of vacancies under the Act powers are given to the local authority on the "resignation under agreement" of a minister to pay him a life annuity not exceeding half the annual amount by which the funds available for the public purposes set forth in the Bill would benefit by his resignation. Clause 5 safeguards the rights of the Church in all property derived from private benefactions, and, as it is not desired to affect its constitution as a Church, it is proposed by clause 6 that the existing constitution shall continue as if by voluntary contract among the parties concerned unless and until they think proper to modify it—provision being made that it shall be competent for them to enter into union, incorporating or otherwise, with other churches.

TO

Put an end to the Establishment of the Church of Scotland, and to deal with the Public Endowments thereof on the occurrence of Vacancies. A.D. 1894.

WHEREAS it is expedient that there should be religious equality in Scotland :

Be it therefore enacted by the Queen's most Excellent Majesty, by and with the advice and consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the authority of the same, as follows :

1. This Act may be cited as the Scottish Church Act, 1894.

Short title.

2. This Act shall come into operation on the *first day of January, one thousand eight hundred and ninety-five*, herein-after referred to as the commencement of this Act.

Commence-
ment of Act.

3. From and after the commencement of this Act the following provisions shall have effect :—

Disestablish-
ment of
Church of
Scotland.

(1.) The Church of Scotland, herein-after referred to as “the said Church,” shall cease to be established by law.

(2.) The office of Lord High Commissioner to the General Assembly of the said Church shall be abolished.

(3.) The election of representatives from royal and parliamentary burghs and from Scottish Universities to the General Assembly of the said Church shall cease and determine.

(4.) It shall not be competent to interdict any congregation from the use of bells for the summoning of their members to worship on the ground that such congregation is not a congregation belonging to the said Church.

(5.) Any enactment or act of sederunt which provides that certificates of poverty in connection with applications and petitions for admission to the benefit of the Poor's Roll shall be granted by a minister or elders, or by a minister and elders of the said Church, shall be repealed, and instead thereof such

certificates shall be granted by two justices of the peace for the county in which the applicant for such certificate resides.

- (6.) So much of section forty-one of the Conveyancing (Scotland) Act, 1874, and the schedule referred to in the said section as authorises a minister of the said church in certain cases to act 5 as a notary public shall be repealed.
- (7.) The enactment of the seventeenth section of the Poor Law (Scotland) Act, 1845, that the kirk session of each parish shall nominate members to the parochial board, shall be repealed, and the representatives of kirk sessions holding 10 office on such boards at the commencement of this Act shall hold office only until the first election thereafter of elected members of the board, or of managers of the poor, and shall thereupon cease to hold office; and the board of supervision may, if and when it shall to the said Board seem fit, increase 15 the number of elected members or of managers of the poor by the same number as, or any lesser number than, that of the representatives of kirk sessions holding office on such board at the commencement of this Act.
- (8.) So much of the Marriage Notices (Scotland) Act, 1878, as 20 provides that a certificate from a session clerk of the said Church of the due publication of banns shall be of equal authority with a registrar's certificate granted under that Act in authorising a minister, clergyman, or priest in Scotland to celebrate a regular marriage shall be repealed, and a registrar's 25 certificate or registrars' certificates as provided under the said Act shall alone be valid as authorising such minister, clergyman, or priest to celebrate a regular marriage.
- (9.) No manse or glebe occupied by a minister of the said Church shall be exempted from assessment for the relief of the poor. 30

Disendowment of Church.

4. On the occurrence of a vacancy in any church and parish after the commencement of this Act, the following provisions shall have effect :—

Payments of public stipends to cease.

- (1.) All payments, whether in name of stipend or salary, or otherwise, from or out of teinds, or from or out of the 35 moneys set apart and appropriated in the hands of Her Majesty's Receiver-General and Paymaster in Scotland, under the Acts fifty George the Third, chapter eighty-four, and five George the Fourth, chapter seventy-two, or from or out of the Consolidated Fund under the Act five George the Fourth, 40 chapter ninety, or from or out of the common good, or any

other public fund, of any burgh, or from any feu-duties, rents, or interest of any moneys arising from glebes which have been feued in whole or in part, or from any sale or sales in fee simple of any part or parts thereof, previously in use to be made to the minister of such church and parish, shall cease as from the date of such vacancy, and shall be no longer payable, and no minister who shall be elected and appointed to fill the said vacancy shall be entitled to any payment from any such sources as aforesaid after his election and appointment, and such payments shall in future be made to the local authority of the parish to be applied by such local authority to the purposes, or any one or more of them, set forth in Schedule A. appended to this Act, subject to such rules and regulations as may be framed from time to time by the Secretary for Scotland, or to any other purposes which Parliament may hereafter determine.

(2.) Any right of property or other right in any church and any right of property or other right in any manse, churchyard, or burying ground presently vested in the heritors of any parish, for behoof of the said church and parish, shall be transferred to and vested in the local authority of the parish, and the congregation enjoying the use of and worshipping in any such church shall continue to enjoy the said use exclusively for all purposes of public worship, religious instruction, and church government, and the minister elected and appointed by them shall have the use and enjoyment of the manse as a dwelling-house, together with any garden, offices, and appurtenances connected therewith and the said congregation and the said minister shall not be liable in or subject to any payment of rent or other payment or prestation or obligation for or in respect of such use and enjoyment to the said local authority, other than the maintenance and repair of and other necessary outlays upon and connected with such church, manse, garden, offices and appurtenances, payment and performance of which shall be a condition of the use and enjoyment aforesaid, and failure to perform or fulfil which shall infer forfeiture of the said use and enjoyment and removal from such church, manse, garden, offices, and appurtenances; and the said heritors shall be wholly freed and relieved from all obligations hitherto incumbent upon them in connexion with such church and manse and others foresaid, and any churchyard or burying-ground attached or belonging thereto, and all obligations upon them in connexion with the maintenance of any churchyard

or burying-ground shall devolve upon and be prestable by the local authority of the parish in which it is situated.

- (3.) (a.) Any church in a burgh which is the property of the corporation of the burgh, shall continue to be the property of and to be vested in the magistrates and town council of such burgh, and the congregation enjoying the use of and worshipping in such church shall continue to enjoy the said use exclusively for all purposes of public worship, religious instruction, and church government, and shall not be liable in or subject to any payment of rent or other prestation or obligation for or in respect thereof to the said magistrates and town councils other than the maintenance and repair, and other necessary outlays connected with such church, which shall be a condition of the use and enjoyment of such church, and failure to perform or fulfil such obligations shall infer forfeiture of the said rights of use and enjoyment and removal from such church, and the said magistrates and town council shall be wholly freed and relieved from all obligations hitherto incumbent upon them in connexion with such church.

(b.) The magistrates and town council of such burghs shall no longer pay stipend or salary to the ministers of such churches, and shall no longer levy seat rents from such congregations; and in any burgh in which the magistrates and town council pay a stipend to the minister of any Church the property of which has ceased to be vested in them, such magistrates and town council shall cease to pay such stipend.

Provisions as
to Edinburgh
and Mont-
rose
churches.

- (4.) Any right of property or other right in any church belonging to or vested in the Edinburgh Ecclesiastical Commissioners under the Acts twenty-three and twenty-four Victoria, chapter fifty, thirty and thirty-one Victoria, chapter one hundred and seven, and thirty-three and thirty-four Victoria, chapter eighty-seven, shall be transferred to and vested in the magistrates and town council of the city of Edinburgh and of the burgh of Montrose respectively, and thereafter the provisions of the preceding sub-section shall be held to apply and have effect in the same manner and to the same effect as therein-before provided.
- (5.) If a congregation shall not within *twelve months* after the occurrence of a vacancy elect a minister to any such church as aforesaid, or if a congregation shall cease for a period of *twelve months* to occupy or use such a church for the purpose of religious worship, or if a congregation and minister shall not

maintain and repair and provide for the necessary outlays connected with such church or such manse, garden, offices, and appurtenances as aforesaid, the congregation and minister, if any, shall forfeit the right to the use and enjoyment of and shall be liable to be removed from such church, manse and others foreshaid, and the local authority shall be entitled to sell, feu, let, or otherwise dispose of any church, manse, garden, offices, and appurtenances in respect of which such forfeiture and removal have been incurred, and the price realised upon a sale of the said subjects, or any of them, and the rent received in respect of the same, when they are let, shall be payable to the local authority, and shall be administered and applied by them in the same manner as payments made to them under subsection (1.) of this section.

A.D. 1894.

(6.) Any right of property or other right in any church used for the purpose of religious worship in connexion with the said church, now vested in the Crown shall be transferred to and vested in the Secretary for Scotland, and the management and control of any church now in the hands of Her Majesty's Board of Works, or of the Commissioners of Woods and Forests, shall be transferred to the Secretary for Scotland, but the congregation enjoying the use of such church for such purposes as aforesaid at the commencement of this Act, shall continue to enjoy such use hereafter.

Churches
vested in
Board of
Works, &c.

(7.) The glebe of the parish, if any, shall become the property of the local authority, who may let or feu it and apply the revenue to the purposes, or any one of them, set forth in Schedule A. appended to this Act, or may apply it to any of the purposes set forth in Schedule B. hereof, subject to such rules and regulations as may be framed from time to time by the Secretary for Scotland for that purpose.

Glebes.

(8.) It shall be the duty of the local authority of the parish to report the vacancy to the Court of Teinds, and they may thereafter present a petition to the said Court setting forth that there are unexhausted teinds in such parish, and praying the said Court to have the said unexhausted teinds valued, and the said Court shall forthwith inquire into the statements contained in the said petition, and if it shall appear that there are unexhausted teinds, shall, by remit to a man of skill or otherwise, ascertain the actuarial value, converted into an annual charge, as at the date of the said vacancy, of contingent future augmentations of the stipend of the said parish, and

Unexhausted
teinds.

A.D. 1894. shall allocate the value so ascertained on the teinds of the respective lands in such parish according to their liabilities, and the annual charge so fixed shall be payable by the persons liable therefor along with the amount previously payable in name of stipend, to the local authority of the parish. 5

Provision for resignation under agreement.

(9.) It shall be lawful for any local authority which on the occurrence of a vacancy would be relieved from any payment to any minister, or would come into the possession of any revenue at the commencement of this Act paid to any minister, to contract with such minister for his resignation under agree- 10 ment, on consideration that the said local authority shall pay to him during his life an annuity not exceeding *one-half* of the yearly amount, calculated on the average of the *three years* immediately preceding such resignation, of the payment from which on the occurrence of a vacancy such local authority 15 would be relieved, or *one-half* of the revenue, exclusive of any revenue arising out of unexhausted teinds, of which on the occurrence of a vacancy such local authority would come into possession; and in case of such a contract for resignation under agreement being entered into by a local authority, the annuity 20 shall, in case of an authority relieved from a payment by such retirement be a charge upon the corporate funds of such local authority, and in the case of a local authority coming into the possession of a revenue on the occurrence of a vacancy shall constitute a first charge upon such revenue; and the annuity 25 contracted for shall be paid on the same terms and subject to the same rules as have been observed in the case of the stipend in respect of which the annuity has been granted; and subject to the provisions of this sub-section the resignation of a minister under agreement shall constitute a vacancy under this Act. 30

Congregations to have power to levy seat-rents.

5. After the occurrence of a vacancy under this Act it shall be lawful for any congregation of the said church worshipping in any church, not being a church vested under this Act in the Secretary for Scotland, to levy seat-rents and to apply the proceeds to any purposes which they may deem proper. 35

Congregations to retain right to use of churches and manse.

6. Nothing in this Act contained shall have any application to, or in any way affect, the rights of the said Church or the ministers or congregations thereof in the endowments of quoad sacra parishes, or in the churches or other buildings, whether ecclesiastical or otherwise, other than as aforesaid, now belonging or pertaining to 40 the said Church, ministers, and congregations, or invested in

trustees for their behoof, or in any other property heritable or moveable, derived from private funds, benefactions, or endowments, gifted to, or otherwise made over to or for behoof of, the said Church. A.D. 1894.

- 5 7. From and after the commencement of this Act, the said Church shall continue to subsist as if it were constituted by voluntary contract between and among its ministers, office bearers, and members, and the present articles, rules, and ordinances of the said Church shall be deemed to be binding on the members for the time being
10 thereof, in the same manner as if such members had mutually contracted and agreed to abide by the same, but nothing in this section contained shall prejudice the right of the said ministers, office bearers, and members to alter the said articles, rules, and ordinances according to the law and practice of the Church, and it
15 shall be competent to the said Church at any time to enter into an incorporating or other union with any other Church.

Church to
subsist as by
contract.

8. The expression "minister" does not include an assistant and successor appointed after the *passing of this Act*. Definitions.

- 20 The expression "church" includes any ecclesiastical building or structure used for purposes of public worship, religious instruction or church government, and any session house, vestry, or other building forming part of or used in connexion with the same.

- 25 The expression "parish" means a parish quoad omnia and shall include a united parish but not a parish quoad sacra, and where in any church and parish there is more than one benefice each benefice shall be dealt with and regarded as if it were a separate parish.

- 30 The expression "vacancy" means a vacancy caused by the death, resignation, translation, deposition or otherwise of any minister.

The expression "glebe" means the lands appropriated to the minister as his glebe.

- 35 The expression "local authority" means the parochial board of the parish, and in the case of a parish in which there is no parochial board it means the district committee of the county council representing the district in which such parish is situated; and when used in relation to property vested in the magistrates and town council of a burgh it means the said magistrates and town council.

- 40 The words "court of teinds" means the Court of Session as commissioners for the plantation of Kirks and valuation of teinds.

 establishment and Disendowment of the Church of
 Scotland to the Parliamentary Electors of Scotland.

WHEREAS it is right and expedient that the people of
 Scotland, as represented by the parliamentary electors,
 should have an opportunity of expressing their opinion upon the
 distinct and separate issue whether the Church of Scotland ought
 5 to be disestablished and disendowed, before that question is
 considered by Parliament :

Be it therefore enacted by the Queen's most Excellent Majesty,
 by and with the advice and consent of the Lords Spiritual and
 Temporal, and Commons, in this present Parliament assembled,
 10 and by the authority of the same, as follows :--

1. Between the *first day of November* and the *fifteenth day of*
December one thousand eight hundred and ninety-four a poll shall
 be taken as herein-after mentioned upon the question whether
 the Church of Scotland ought to be disestablished and disendowed.

15 2. The poll shall be taken by ballot in each county and burgh,
 and the right of voting shall be the same as at a parliamentary
 election for such county or burgh. The arrangements for taking
 the poll and preliminary and incident thereto shall be made by or
 under the directions of the sheriff who is the returning officer at
 20 parliamentary elections for such county or burgh, and who for the
 purposes of the said poll shall have all the powers of a sheriff at a
 parliamentary election, provided that in regard to fixing the date
 and giving notice of the poll, and preparing for and taking such
 poll, counting the votes, and returning the result of the poll, effect
 25 shall be given as nearly as may be to the enactments regulating
 parliamentary elections in such county or burgh, which enactments

- (1.) The *first day of November one thousand eight hundred and ninety-four* shall be substituted for the day of the receipt of the writ at a parliamentary election. 5
- (2.) The notice of the poll and of the polling stations shall be in the form contained in Schedule A. annexed to this Act.
- (3.) The ballot papers shall be in the form contained in Schedule B. annexed to this Act.
- (4.) The directions for the guidance of voters shall be in the form contained in Schedule C. annexed to this Act. 10
- (5.) The returning officer may appoint as presiding officers any fit persons although not possessing any professional status or qualification.
- (6.) Section six of the Ballot Act, 1872, shall apply in the case of taking the poll under this Act. 15
- (7.) The returning officer shall determine what persons not exceeding two shall be present as agents in each polling station and at the counting of the votes, provided that in so determining the returning officer shall ascertain that one of such persons represents those who are in favour of and the other represents those who are opposed to the disestablishment and disendowment of the Church of Scotland. 20
- (8.) The returning officer shall upon the completion of the counting of the votes make a return under his hand to the Registrar General for Scotland of the number of the persons who have voted "Yes" and who have voted "No" at the poll aforesaid. As soon as the returns have been received from all the counties and burghs the Registrar General for Scotland shall sum up the numbers of all the persons who have voted as aforesaid, and shall under his hand make a report thereof to the Secretary for Scotland, who shall cause the same to be laid as soon as may be before both Houses of Parliament. 25 30
- (9.) All expenses properly incurred by the returning officer under this Act shall be deemed to be part of the expense of making up the register of parliamentary electors in the county or burgh, as the case may be, and shall be defrayed and provided for accordingly. 35

Application
of Corrupt,

Amend the Law respecting the Transfer and Exercise of Church Patronage and the Avoidance of Benefices. A.D. 1894.

BE it enacted by the Queen's most Excellent Majesty, by and with the advice and consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the authority of the same, as follows :

- 5 1.—(1.) Subject to the savings in this Act mentioned, it shall not be lawful— Transfer and transmission of rights of patronage.
- (a) to sell or offer for sale by public auction any right of patronage; or
- (b) to charge or encumber any right of patronage ;
- 10 And any such sale, charge, or incumbrance shall be void.
- (2.) No transfer of a right of patronage shall be valid which does not transfer the whole right of the transferor.
- (3.) When on a transfer of any right of patronage provision is made, directly or indirectly, for the postponement of the payment
- 15 of any part of the consideration (if any) for more than a year after an agreement for sale has been made, or for payment of interest by the transferor or transferee, the transfer shall be void.
- (a) In the event of a transfer or transmission of a right of patronage of a benefice the right of presentation thereto shall
- 20 not be exercised for *two years* after such transfer or transmission by the person to whom such right of patronage has been transferred or transmitted, and any presentation made by any such person within that period, and any institution in pursuance thereof shall be void :
- 25 (b) A transfer of a right of patronage made within *two years* after the institution of an incumbent to the benefice to which the right of patronage relates shall be void :
- (c) The right of presentation to a benefice which becomes vacant within *two years* after a transfer or transmission of the

right of patronage thereof shall be exercised by the bishop of the diocese in which the benefice is situate :

(d) Provided that this subsection shall not apply in the case of a transmission by devise or on death or of a transfer to a public patron. 5

Registration of transfer and transmission.

2. Every person claiming any right of patronage by transfer or transmission shall register the same in the prescribed manner in the registry of the diocese, first making the prescribed declaration of ownership; and until so registered a transfer or transmission shall not confer any right to exercise or transfer such right of patronage. 10

Public patron exempted from law of mortmain.

3. A transfer of any right of patronage may be made to a public patron, without any licence in mortmain, the statutes of mortmain or any other law to the contrary notwithstanding, and a right of patronage so transferred shall be held and enjoyed accordingly. 15

Patron prohibited from presenting himself.

4. When any right of patronage is transferred or transmitted *after the passing of this Act* either to a person who is or becomes a clergyman, or to his wife, or to a trustee for him, he shall not be presented to the benefice to which such right of patronage relates, and any presentation or institution of such person to such benefice shall be void. 20

Donatives to be presentative benefices.

5. All donative benefices shall become and be presentative benefices, and those benefices and the patrons and incumbents thereof shall be subject to the law relating to presentative benefices and to the patrons and incumbents thereof. 25

Preliminaries to presentation and institution.

6.—(1.) A presentation to any benefice shall not be complete until the bishop has received a statutory declaration in the prescribed form, by the patron, that neither he nor any person for whom he is a trustee of the right of patronage has purchased the right of patronage within *two years* next before the present avoidance of the benefice, and that either he is not a trustee for the presentee, or if he is such a trustee, that the right of patronage has not been transferred or transmitted to him since the *passing of this Act*, and that the patron has not made the presentation in consideration of any benefit to himself or to any other person, and that no engagement has been made with any person that the presentee shall at any time resign the benefice, except as authorised by this Act: Provided that this subsection shall not apply when the patron is a public patron. 30 35

(2.) If a patron presents himself, such necessary modifications 40 as may be prescribed shall be made in the declaration, and there

shall be added thereto a declaration that the right of patronage has not been transferred or transmitted to him since the *passing of this Act*. A.D. 1894.

(3.) The presentation shall not be complete until the bishop has received—

- (a) a statutory declaration by the presentee of all benefices, offices, and employments held by him since his ordination as a deacon; and
- (b) letters testimonial in the prescribed form signed by three beneficed clergymen having such knowledge of the presentee as is stated in the letters, and countersigned by the bishop of the diocese in which each of the clergymen signing is beneficed, which counter-signature it shall be the duty of every such bishop to give with or without qualification.

(4.) The bishop shall not institute any person to a benefice until the expiration of *one clear month* after notice that the bishop proposes to institute him, has been sent by the bishop to the churchwardens of the parish, which notice shall be published by the churchwardens in the prescribed manner; and any parishioner may send to the bishop a representation in writing objecting to the institution on any ground which entitles the bishop to refuse to institute.

7.—(1.) If the bishop is satisfied either—

- (a) that at the date of the presentation the presentee has not been more than *one year* in priest's orders; or
- (b) that the presentee is unfitted for the discharge of the pastoral duty of the benefice to which he has been presented, by reason of physical or mental infirmity or incapacity, of existing pecuniary embarrassment, of misconduct or neglect of duty in a previous benefice or office or employment, of his evil life, or of grave scandal or evil report concerning his moral conduct, and is of opinion that the institution would on such ground be injurious to the interests of the parish,

Grounds of

the bishop shall refuse to institute the presentee.

(2.) A bishop shall signify his refusal to institute to both the patron and presentee by a notice stating the grounds thereof, and the presentee may within *one month* after such signification appeal therefrom in the prescribed manner to the archbishop of the province, who shall hear the appeal in the like manner as an appeal by a curate against a revocation of his licence, and give his decision in writing, which shall be final.

A.D. 1894.

(3.) Where the benefice is in the diocese of an archbishop, the appeal under this section shall lie to such three bishops of the province as Her Majesty the Queen, under Her Sign Manual may appoint, and this section shall apply as if those bishops or the majority of them were substituted for the archbishop.

5

(4.) If within *one month* after a decision on an appeal in favour of a presentee the bishop fails to institute him, the archbishop, or if the appeal was from an archbishop, the vicar-general or official principal of the archbishop, shall institute him.

(5.) Where on any presentation, institution is refused under the provisions of this section, such refusal shall be a bar to any action of *quare impedit* or suit of *duplex querela* in respect of that presentation.

Where, on the bankruptcy of an incumbent, or in aid of any writ of execution against his property, the benefice of that incumbent is sequestrated within *twelve months* after his institution, or where such a sequestration, if issued after that period, continues for the space of *one* whole year, or where the incumbent incurs two such sequestrations in the space of *two* years, the benefice shall thereupon become void, and section fifty-eight of the Pluralities Act, 1838, shall apply in like manner as if the benefice had become void under that section.
10. 10. If a representation is made to the bishop, signed by any five parishioners, that the incumbent of the parish has for not less than *three years* last preceding been incapacitated by continuing mental or bodily infirmity from the due performance of the duties of his benefice, or if it otherwise becomes known to the bishop that such incumbent has for the said period been so incapacitated, the bishop, if he thinks fit, may issue a commission under the Incumbents Resignation Acts, 1871 and 1887, and those Acts shall apply in all respects as if the said representation had been made by the incumbent under section five of the Incumbents Resignation Act, 1871: Provided that *one month* at least before issuing the commission, a copy of the representation or notice of the bishop's intention to issue a commission shall be served in the prescribed manner on the incumbent.
11. The Clergy Resignation Bonds Act, 1828, is hereby repealed, except as to any resignation bond executed within *five years* after the passing of this Act with reference to a benefice, the right of patronage of which shall be transmitted on death after the passing of this Act.
12. Without restricting the existing law, it is hereby declared that any statement or communication, whether verbal or in writing, made *bonà fide* to or by a bishop or other official person in or for the purpose of any letters testimonial or representation given or made, or proposed to be given or made under this Act, shall be a privileged statement or communication.
13. If any declaration made under the provisions of this Act is false, to the knowledge of the person making it, any presentation, institution, or registration in relation to which the false declaration was made shall be void.

Rules.

15.—(1.) The Lord Chancellor, the Lord Chief Justice of 5
England, the judge of the provincial court, and the archbishops
and bishops who are members of the Privy Council, or any three
of the said persons, two of them being the Lord Chancellor and one
other of the aforesaid judicial persons, may make rules for carrying
this Act into effect, and in particular for regulating all matters 10
relating to procedure, practice, costs, expenses, and fees, under this
Act, and for prescribing the forms to be used and all matters
incidental to or connected with proceedings under this Act.

(2.) Every rule purporting to be made in pursuance of this Act
shall be forthwith laid before each House of Parliament, and shall, 15
while in force, have effect as if enacted in this Act; but if an
address is presented to Her Majesty the Queen by either House of
Parliament within the next subsequent forty days on which the
said House has sat, praying that any such rule may be annulled,
Her Majesty in Council may annul the same, and the rule shall 20
thenceforth be of no effect, but without prejudice to the validity
of anything done in the meantime in pursuance thereof, but subject
as aforesaid every such rule shall, while unrevoked, be of the same
validity as if enacted in this Act.

Savings.

16.—(1.) Nothing in this Act shall affect any sale, transfer, or 25
transmission before the *passing of this Act*, or the validity of any
engagement given or thing done or suffered, or any right or privilege
acquired or accrued, before the passing of this Act; and any declara-
tion required by this Act shall be modified so as to give effect to
any such engagement, thing, right, or privilege. 30

(2.) Nothing in this Act with respect to sales, charges, or
incumbrances of rights of patronage shall extend to a sale in
pursuance of the Lord Chancellor's Augmentation Act, 1863, nor
to the sale, charge, or incumbrance of a right of patronage
appendant at the passing of this Act to any manor or hereditaments, 35
or belonging to the owner of not less than one hundred acres of
land in the parish where the church is, and not sold or mortgaged
separately from such manor or hereditaments.

26 & 27 Vict.

B I L L

[AS AMENDED BY THE STANDING COMMITTEE ON LAW]

TO

Amend the Law respecting the Transfer and Exercise of Church Patronage and the Avoidance of Benefices. A.D. 1894.

BE it enacted by the Queen's most Excellent Majesty, by and with the advice and consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the authority of the same, as follows :

- 5 1.—(1.) Subject to the savings in this Act mentioned, it shall not be lawful— Transfer and transmission of rights of patronage.
- (a) to sell or offer for sale any right of patronage, being less than the whole of such right possessed by the vendor; or
- (b) to charge or encumber any right of patronage ;
- 10 And any such sale, charge, or incumbrance shall be void.
- (2.) When on a transfer of any right of patronage provision is made, directly or indirectly, for the postponement of the payment of any part of the consideration (if any) for more than a year after an agreement for sale has been made, or for payment of interest by
- 15 the transferor or transferee, the transfer shall be void.
- (a) In the event of a transfer or transmission of a right of patronage of a benefice the right of presentation thereto shall not be exercised for two years after such transfer or transmission by the person to whom such right of patronage has
- 20 been transferred or transmitted, and any presentation made by any such person within that period, and any institution in pursuance thereof shall be void :
- (b) A transfer of a right of patronage made within two years after the institution of an incumbent to the benefice to which
- 25 the right of patronage relates shall be void :
- (c) The right of presentation to a benefice which becomes vacant within two years after a transfer or transmission of the
- [Bill 276.] A 2

right of patronage thereof shall be exercised by the bishop of the diocese in which the benefice is situate :

(d) Provided that this subsection shall not apply in the case of a transmission by devise or on death or of a transfer to a public patron.

5

Registration
of transfer
and trans-
mission.

2. Every person claiming any right of patronage by transfer or transmission or under an appointment of a trustee shall register the same in the prescribed manner in the registry of the diocese, first making the prescribed declaration of ownership; and until so registered a transfer or transmission or appointment of a trustee shall not confer any right to exercise or transfer such right of patronage. 10

Public
patron ex-
empted from
law of mort-
main.

3. A transfer of any right of patronage may be made to a public patron, without any licence in mortmain, the statutes of mortmain or any other law to the contrary notwithstanding, and a right of patronage so transferred shall be held and enjoyed accordingly. 15

Patron
prohibited
from
presenting
himself.

4. When any right of patronage is transferred after the passing of this Act either to a person who is or becomes a clergyman, or to his wife, or to a trustee for him, he shall not be presented to the benefice to which such right of patronage relates, and any presentation or institution of such person to such benefice shall be void. 20

Donatives
to be pre-
sentative
benefices.

5. All donative benefices shall become and be presentative benefices, and those benefices and the patrons and incumbents thereof shall be subject to the law relating to presentative benefices and to the patrons and incumbents thereof. 25

Prelimi-
naries to
presentation
and institu-
tion.

6.—(1.) A presentation to any benefice shall not be complete until the bishop has received a statutory declaration in the prescribed form, by the patron, that neither he nor any person for whom he is a trustee of the right of patronage has purchased the right of patronage within two years next before the present avoidance of the benefice, and that either he is not a trustee for the presentee, or if he is such a trustee, that the right of patronage has not been transferred to him since the passing of this Act, and that the patron has not made the presentation in consideration of any benefit to himself or to any other person, and that no engagement has been made with any person that the presentee shall at any time resign the benefice, except as authorised by this Act: Provided that this subsection shall not apply when the patron is a public patron. 35

(2.) If a patron presents himself, such necessary modifications as may be prescribed shall be made in the declaration, and there 40

shall be added thereto a declaration that the right of patronage has not been transferred to him since the passing of this Act. A.D. 1894.

(3.) The presentation shall not be complete until the bishop has received—

- 5 (a) a statutory declaration by the presentee of all benefices, offices, and employments held by him since his ordination as a deacon; and
- 10 (b) letters testimonial in the prescribed form signed by three beneficed clergymen having such knowledge of the presentee as is stated in the letters, and countersigned by the bishop of the diocese in which each of the clergymen signing is beneficed, which counter-signature it shall be the duty of every such bishop to give with or without qualification.

15 (4.) The bishop shall not institute any person to a benefice until the expiration of one clear month after notice that the bishop proposes to institute him, has been sent by the bishop to the churchwardens of the parish, which notice shall be published by the churchwardens in the prescribed manner; and any parishioner may send to the bishop a representation in writing objecting to the

20 institution on any ground which entitles the bishop to refuse to institute.

7.—(1.) If the bishop is satisfied either—

- (a) that at the date of the presentation the presentee has not been more than one year in priest's orders; or
- 25 (b) that the presentee is unfitted for the discharge of the pastoral duty of the benefice to which he has been presented, by reason of physical or mental infirmity or incapacity, of existing pecuniary embarrassment, of misconduct or neglect of duty in a previous benefice or office or employment, of his evil life,
- 30 or of grave scandal or evil report concerning his moral conduct, or by reason of any other circumstance not being a question of doctrine or ritual which may be represented to him by any parishioner, and is of opinion after having given to such presentee a reasonable opportunity of being heard that the
- 35 institution would on such ground be injurious to the interests of the parish,

the bishop shall refuse to institute the presentee.

(2.) A bishop shall signify his refusal to institute to both the patron and presentee by a notice stating the grounds thereof, and the presentee may within one month after such signification appeal therefrom in the prescribed manner to the archbishop of the province, who shall hear the appeal in the like manner as an

40

A.D. 1894. — appeal by a curate against a revocation of his licence, and give his decision in writing, which shall be final.

(3.) Where the benefice is in the diocese of an archbishop, the appeal under this section shall lie to such three bishops of the province as Her Majesty the Queen, under Her Sign Manual may 5 appoint, and this section shall apply as if those bishops or the majority of them were substituted for the archbishop.

(4.) If within one month after a decision on an appeal in favour of a presentee the bishop fails to institute him, the archbishop, or if the appeal was from an archbishop, the vicar-general or official 10 principal of the archbishop, shall institute him.

(5.) Where on any presentation, institution is refused under the provisions of this section, such refusal shall be a bar to any action of quare impedit or suit of duplex querela in respect of that presentation. 15

Confirm a Provisional Order of the Board of Agriculture A.D. 1894.
relating to the Regulation of certain Commons in the —
borough of Luton in the county of Bedford.

WHEREAS the Board of Agriculture did in pursuance of the Inclosure Acts, 1845-1882, issue, in the year one thousand eight hundred and ninety-three, the Provisional Order of Regulation set forth in the schedule hereto, and in a special report certified 5 that it was expedient that the same should be confirmed by Parliament :

And whereas a Committee of the House of Commons, to which the same Provisional Order was referred, recommended that the same ought to be confirmed by Parliament without modification :

10 And whereas the said Regulation cannot be proceeded with
without the previous authority of Parliament :

Be it therefore enacted by the Queen's most Excellent Majesty, by and with the advice and consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, 15 and by the authority of the same, as follows:—

1. The Provisional Order of Regulation set forth in the schedule to this Act is hereby confirmed.

2. This Act may be cited as the Commons Regulation (Luton) Provisional Order Confirmation Act, 1894.

A.D. 1894.

SCHEDULE.

PROVISIONAL ORDER OF REGULATION.

WHEREAS persons interested in certain lands, called or known as The Moor, Pope's Meadow, and Bell Close, situate in the borough of Luton, in the county of Bedford, such lands being a common within the meaning of the Inclosure Acts, 1845 to 1882, and herein-after collectively referred to as "the common," have made application to the Board of Agriculture to issue a Provisional Order for the regulation of the common, and to certify that it is expedient that such Provisional Order should be confirmed by Parliament :

And whereas it has been made to appear to the said Board that the persons making the said application represent at least one third in value of such interests in the common as are proposed to be affected by the Provisional Order :

And whereas the said Board, having taken the said application into consideration, were satisfied that a *prima facie* case had been made out, and that, regard being had to the benefit of the neighbourhood, as well as to private interests, it was expedient to proceed further in the matter, and accordingly ordered a local inquiry to be held by an Assistant Commissioner :

And whereas the said Assistant Commissioner, having caused public notice to be given, as required by the said Acts, held, pursuant to the said notice, public meetings at the Town Hall, Luton, on the 5th and 6th days of June 1893, at the respective hours of 11 in the morning and 7 in the evening, to hear all persons desirous of being heard on the subject-matter of the said application, and any information or evidence which might be offered in relation thereto, and inquired into the correctness of the statements in the said application, and otherwise into the expediency of making the Provisional Order applied for, and into the nature of the provisions to be inserted in such Provisional Order :

And whereas the said Assistant Commissioner inspected the common, as required by the said Acts :

And whereas the said Assistant Commissioner duly reported in writing to the said Board the result of the local inquiry, and of the public meetings held by him, together with the information obtained by him as to the several particulars in the said application, and all other information required by the said Acts, and annexed to his report a sketch map of the common, a copy of which map is deposited in the office of the said Board :

And whereas the Corporation of the borough of Luton, as the urban sanitary authority of the said borough to which the common is suburban within the meaning of the said Acts, have, with the sanction of the said Board, entered into an undertaking to contribute out of their funds such sums as may from time to time be necessary for the maintenance of the common.

A.D. 1894.

Now, therefore, the Board of Agriculture, in pursuance of the powers given to them by the Board of Agriculture Act, 1889, and the said Acts, and being satisfied that, having regard to the benefit of the neighbourhood, as well as to private interests, the regulation of the common is desirable, have framed, for
5 the consideration of the persons interested, this Draft Provisional Order, specifying the provisions for the benefit of the neighbourhood and the improvement of the common which are to be put in force, and the terms and conditions on which, provided the necessary consents are given thereto, they are prepared to certify that it is expedient the Provisional Order should be confirmed by
10 Parliament (that is to say):—

That there be reserved to the inhabitants of Luton and the neighbourhood a right of free access to the common, and a privilege of playing cricket and other games and enjoying reasonable recreation thereon, subject to such bye-laws as may from time to time be made by the said Corporation.

Provisions for benefit of neighbourhood.

15 That, in consideration of the said Corporation, as such Urban Sanitary Authority as aforesaid, having undertaken to contribute out of their funds such sums as may from time to time be necessary for the maintenance of the common, the general management of the common be vested in the said Corporation, who shall have power for the improvement of the common to drain, manure, level,
20 fence, plant, or in any other way improve or add to the beauty of the common, and to make bye-laws and regulations for the prevention of, and protection from nuisances, and for keeping order upon the common, including the regulation of the exercise of lawful rights of common subsisting over or on the common.

Provisions for future management.

25 That, for the purposes of giving complete effect to this Provisional Order, there shall be inserted in the award to be made in pursuance of the said Acts such provisions not inconsistent with such Acts, as the said Board shall think desirable and proper.

Provisions to be inserted in award.

30 In witness whereof the Board of Agriculture have hereunto set their official seal this thirteenth day of December one thousand eight hundred and ninety-three.

TO

Make further provision with respect to the Congested Districts Board for Ireland. A.D. 1894.

BE it enacted by the Queen's most Excellent Majesty, by and with the advice and consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the authority of the same, as follows :

5 1.—(1.) Where the Congested Districts Board sell land to a tenant, and the Land Commission make an advance for the purchase of such land, the said Board may give to the Land Commission both or either of the following guarantees :—

Provisions
as to guaran-
tee deposits
and pur-
chaser's in-
surance
money.

10 (a) that the Board guarantee the payment of so much of the advance as is equal to the amount of the guarantee deposit ;
and

15 (b) if by reason of the tenant purchasing an addition to his holding or any other special reason it seems desirable, then that during *eighteen years* from the date of the advance the Board guarantee the payment of all such sums as might otherwise have been set off by the Land Commission against the purchaser's insurance money, if any ;

and where the first of such guarantees is given the Land Commission shall not require or retain out of the advance the guarantee deposit,
20 and where the second of such guarantees is given the annuity for the repayment of the advance shall be at the rate of *four per cent.* per annum on the advance.

(2.) The sums payable by the Congested Districts Board under any such guarantee shall be paid out of the money at the disposal
25 of the Board, and shall be applied in like manner as if they had been paid out of the guarantee deposit or set off against the purchaser's insurance money, as the case may be.

[Bill 353.]

A.D. 1894. (3.) All sums so paid by the Board shall be debts from the purchaser to the Board, and be a charge on the holding purchased next after the purchase annuity.

(4.) The Congested Districts Board shall not give guarantees under this section to an amount exceeding in the aggregate such sum as the Treasury, having regard to the liabilities of the Congested Districts Board, may fix for the purpose of preventing any loss to the Exchequer. 5

Incorporation of
Lands
Clauses
Acts.

2. For the purpose of the taking of land by the Congested Districts Board, the Lands Clauses Acts (except the provisions thereof with respect to the purchase and taking of land otherwise than by agreement) shall be incorporated with the Congested Districts Board (Ireland) Acts, and the enactments so incorporated shall be construed as if the Congested Districts Board were the promoters of the undertaking. 10 15

Officers of
the board.

3.—(1.) The Lord Lieutenant may, with the sanction of the Treasury as to number and remuneration, authorise the Congested Districts Board to appoint to the permanent staff of the Land Commission such officers as may be required for the purposes of the Board. 20

(2.) *The Lord Lieutenant may also, with the sanction of the Treasury as to number and as to remuneration payable out of moneys voted by Parliament, authorise the Board to employ temporarily such persons as the Board may require.*

(3.) Sub-section one of section forty of the Purchase of Land (Ireland) Act, 1891, is hereby repealed. 25

[Bill 353.]

Contagious Diseases (Animals).

MEMORANDUM.

It is proposed by this Bill to consolidate the existing law with such amendments as are necessary to bring it into conformity with recent enactments, especially those relating to local government. The nature of the amendments will appear from the following notes.

Title.

The title has been altered by the omission of the word "Contagious."

Clause 1.

This clause takes the place of section 8 of the Act of 1878, which is no longer applicable, as the powers of the Privy Council have been transferred to the Board of Agriculture by 52 & 53 Vict. c. 30.

Clause 2.

It has been thought well to place this enactment, which defines the duties of local authorities, at the commencement.

Clause 3.

The local authorities in England and Wales have been altered by the Local Government Act. Hove is now the only place not being a borough which has a separate police force (*see* clause 58). It seems unnecessary to define clerk to local authority, as all local authorities are now corporate bodies.

Clause 4.

It seems desirable to give a prominent place to the enactment which imposes the first duty on owners, &c. in case of an outbreak of disease.

[Bill 260.]

a

Clauses 5 and 6.

Sections 10 to 14 of the Act of 1878 relating to cattle-plague have been slightly re-arranged so as to follow, as far as possible, the lines of the subsequent general clause as to infected places and areas.

Clause 7.

Section 15 of the Act of 1878 relating to slaughter in case of cattle plague has been modified as to follow more nearly the lines of more recent enactments providing for slaughter in case of other diseases.

Clause 8.

This clause contains all the provisions relating to the formation, &c. of places infected either with pleuro-pneumonia or foot-and-mouth disease.

Sub-section (2) empowering the inspector to serve a notice on owners of adjoining premises is new as regards pleuro-pneumonia, at present it only applies to foot-and-mouth disease.

Sub-section (5) requires a local authority to call in a veterinary inspector in case of foot-and-mouth disease, as is already required in pleuro-pneumonia. At present it is left to the Board of Agriculture to require a veterinary inspector to be called in the case of foot-and-mouth disease (49 & 50 Vict. c. 32. s. 5).

Clause 9.

In the same way, the provisions relating to infected areas have been placed in one clause.

Power has been given to the Board to revoke their order or to contract or alter the limits of an infected area at any time without it being necessary to declare the area free from disease. It is often desirable to get rid of the area where disease still exists in the infected place.

Clause 10.

This clause, which corresponds with section 28 of the Act of 1878, is kept separate from the previous clauses, as part of it relates to cattle-plague as well as to other diseases.

Areas have been struck out of the last two sub-sections, as power has been given to the Board at any time to revoke an order declaring an infected area.

Clause 13.

The power to exclude strangers by notice is extended to all places where diseased or suspected animals are kept.

Clause 21.

The words as to animals that have been in contact have been altered so as to agree with section 6 of the Act of 1886.

Clause 22.

Sub-section (ix.) has been amended so as to apply to lairs used after as well as before exposure for sale.

The words "for hire" have been omitted from sub-section (xxi.), as too much limiting the power of cleansing carts, &c.

The words "or landing" have been introduced into sub-section (xxiii.) (taken from 47 & 48 Vict. c. 13. s. 4.) so as to make it clear that the provisions of the Customs Act apply under clause 57.

The Board have been advised that sub-sections (xxiii.) and (xxiv.) of section 32 of the Act of 1878 and section 4 of the Act of 1884 apply to foreign animals. The words "foreign or other" has been added to the corresponding sub-sections (xxiii.), (xxiv.), and (xxv.) of this clause in order to make the application clear.

By sub-sections (xxx.) and (xxxi.) read with clause 66 the power as to muzzling, &c. of dogs is extended to the Privy Council in Ireland.

Sub-section (xxxii.) of section 32 of the Act of 1878 seems unnecessary now that the Board of Agriculture have unlimited power to extend the meaning of "animals," and it has therefore been omitted.

Clause 24 and Third Schedule.

This clause is intended to make it clear that in the absence of any Order foreign animals must be slaughtered at the port of landing.

Clause 25.

This clause combines the first sub-section of section 35 of the Act of 1878 with the first section of the Act of 1884. It will be noticed that the latter only applies to foot-and-mouth disease.

Clause 26.

This clause reproduces Part IV. of the Fifth Schedule of the Act of 1878, but the words "to the administration of such laws" and "or imported therefrom" have been introduced so as to agree with

the wording of the previous clause. The Board of Agriculture have been advised that the administration of the laws should be taken into consideration under Part IV. of the Fifth Schedule of the Act of 1878.

The words "may and" have been inserted before "shall allow" so as to make it clear that the power as well as the obligation to admit animals without slaughter is limited by the conditions of the clause.

Clause 30.

The words "and the marking of" have been introduced into paragraph (v.) of sub-section 1, as it is often desirable to mark foreign animals at a landing-place for foreign animals.

The Board already possess the power under section 32 (xxvii.), but it is desirable to make it clear that it applies to foreign animals

Paragraph (xii.) of subsection (1) has been amplified so as more clearly to define the powers of the Board as to carcasses, &c.

Clause 31 and Fourth Schedule.

The power of local authorities to delegate their powers to committees has been extended by section 28 of the Local Government Act, and it has been, therefore, thought convenient to have a reference to that enactment.

The power for the Board of Agriculture to provide that the power to make certain regulations should not be delegated except to an executive committee has been altered so as to make it apply to committees appointed under the Local Government Act.

Clause 32.

As the power to provide wharves now applies to home as well as foreign animals, sub-section (5) has been amended so as to make tolls applicable to payment of interest on money borrowed for purposes other than foreign cattle.

Clause 39.

The provision as to mode of execution of agreement by chairman &c. under 47 & 48 Vict. c. 47. s. 4, has been omitted, as all local authorities in England and Ireland are now corporations, but special provision has been inserted in clause 60 as to signing of deeds in Scotland.

Clauses 40 and 41.

Modifications of the provisions as to contributions by boroughs to county rates were made necessary by the Local Government Act.

Clause 42 (5).

As tolls may now be taken for wharves for home animals (49 & 50 Vict. c. 32. s. 10) the word "foreign" has been omitted.

Clause 44.

"Dairy" and "milk stores or milk shops" have been omitted from sub-section (2) as they relate to powers transferred to the Local Government Board. In consequence of the additional powers given to an inspector of the Board of Agriculture by the enactment reproduced in sub-section (6), some words have been added to sub-section (4) in order to prevent the requirements as to stating reasons in writing applying.

Clause 48.

Section 26 of the Interpretation Act, 1889, provides for proof of service by post, and therefore sub-sections (4) and (5) of section 57 of the Act of 1878 are omitted. It does not seem necessary to require registration, as in recent legislation service by ordinary post has been thought sufficient.

Clause 49.

The provisions as to publication of orders have been made consistent with the Rules Publication Act, 1893.

Clause 52.

A paragraph has been inserted making it an offence to fail to comply with the conditions of a licence. Movement in contravention of such conditions has been held by the court to be an offence; but it appears desirable to make the law clear.

Clause 59.

The Interpretation Act, 1889, has made it unnecessary to define "Treasury," "court of summary jurisdiction," and "person."

Clause 65.

Sub-section (6) of s. 58 of the Act of 1878 was repealed by 52 & 53 Vict. c. 30., but it seems to be required for Ireland and has therefore been inserted as sub-section (2).

Clause 69.

The word "remuneration" has been inserted in order to remove a doubt whether the Lord Lieutenant could require the unions to pay salary as well as expenses in case of a united district.

Clause 72.

The last paragraph has been inserted in order to remove a doubt which has arisen as to the payment out of the General Cattle Diseases Fund, of half of the expenses of sanitary authorities under s. 34 of the Act of 1878, and s. 9 of the Act of 1886.

Omissions.

The distinction between general and special orders is not defined by the Act of 1878, and it has been thought better to omit the words "general or special" in clauses 22, 25-30, and elsewhere.

Section 34 of the Act of 1878, and section 9 of the Act of 1886, which relate to dairies, have been left unrepealed.

Section 37 of the Act of 1878 is omitted as all local authorities are now incorporated.

Section 55 of the Act of 1878 is omitted, as it has been superseded by the Public Authorities Protection Act, 1893.

Consolidate with Amendments the Contagious Diseases A.D. 1894.
(Animals) Acts, 1878 to 1893. —

BE it enacted by the Queen's most Excellent Majesty, by and with the advice and consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the authority of the same, as follows :

- 5 *Central and Local Authorities.* Powers of Board of Agriculture in England, Wales, and Scotland. 52 & 53 Vict. c. 30.
1. The powers and duties conferred and imposed by this Act on the Board of Agriculture as regards England and Wales and Scotland, shall be executed and discharged by the Board in manner provided by the Board of Agriculture Act, 1889, and this Act.
- 10 2. The local authorities in this Act described shall execute and enforce this Act and every order of the Board of Agriculture so far as the same are to be executed or enforced by local authorities. Local authorities to execute Act. [41 & 42 Vict. c. 74. s. 41.]
- 3.—(1.) The local authorities in England and Wales shall be—
- 15 (i) for each borough not being a borough to which section thirty-nine of the Local Government Act, 1888, applies, the borough council; Local authorities in England and Wales. [41 & 42 Vict. c. 74. ss. 7, 9. Sched. 2.]
- (ii) for the residue of each administrative county, the county council. 51 & 52 Vict. c. 41.
- 20 Provided that the mayor and commonalty and citizens of the city of London, acting by the mayor, aldermen, and commons of that city in common council assembled, shall be the local authority for the city of London, and shall be the local authority in and for the county of London for the purpose of the provisions of this Act
- 25 relating to foreign animals.

[Bill 260.]

A.D. 1894.

Separation
of diseased
animals, and
notice to
constable.
[41 & 42
Vict. c. 74.
s. 31.]

Separation of Diseased Animals and Notice to Police.

4.—(1.) Every person having in his possession or under his charge an animal affected with disease shall—

(a.) as far as practicable keep that animal separate from animals not so affected; and

(b.) with all practicable speed give notice of the fact of the animal being so affected to a constable of the police force for the police area wherein the animal so affected is.

(2.) The constable to whom notice is given, shall forthwith give information thereof to such person or authority as the Board of Agriculture by general order direct.

(3.) The Board may make such general orders as they think fit for prescribing and regulating the notice to be given to or by any person or authority in case of any particular disease or in case of the illness of an animal, and for supplementing or varying for those purposes any of the provisions of this section.

Cattle Plague.

Cattle plague
infected
place.
[41 & 42
Vict. c. 74.
s. 10.]

5.—(1.) Where it appears to an inspector that cattle plague exists, or has within ten days existed, in a cow-shed, field, or other place, he shall forthwith make and sign a declaration thereof.

(2.) He shall serve a notice, signed by him, of that declaration on the occupier of that cow-shed, field, or other place.

(3.) Thereupon that cowshed, field, or other place, with all lands and buildings contiguous thereto in the same occupation, shall become and be a place infected with cattle plague, subject to the determination and declaration of the Board of Agriculture.

(4.) The inspector shall serve a like notice, signed by him, unless in the circumstances this appears to him not to be expedient, on the occupiers of all lands and buildings, any part whereof lies, in his judgment, within one mile in any direction from that cowshed, field, or other place, or on the occupiers of any of those lands and buildings.

(5.) Thereupon all the lands and buildings aforesaid, on the occupiers whereof the inspector serves such a notice, shall become and be part of the place infected with cattle plague, subject to the determination and declaration of the Board.

(6.) The inspector shall, with all practicable speed, inform the Board and the local authority of his declaration and notices, and shall send to the Board his declaration and a copy of his secondly-mentioned notice (if any).

A.D. 1894.

(7.) The Board shall forthwith on receipt of the information inquire into the correctness of the inspector's declaration.

(8.) If the Board are satisfied of the correctness of that declaration as regards the existence or past existence of cattle plague, they shall by order determine and declare accordingly, and prescribe the limits of the place infected with cattle plague.

(9.) If the Board are not satisfied of the correctness of the inspector's declaration as regards the existence or past existence of cattle plague, they shall by order determine and declare accordingly; and thereupon, as from the time specified in the order, the place comprised in the inspector's declaration and notices shall cease to be a place infected with cattle plague.

(10.) The Board may at any time, if they think fit, on any evidence satisfactory to them, by order—

- 15 (a) declare any cow-shed, field, or other place with or without any lands or buildings adjoining or near thereto, to be a place infected with cattle plague; or [41 & 42 Vict. c. 74. ss. 11, 13, 14.]
- (b) extend, contract, or otherwise alter the limits of a place infected with cattle plague; or
- 20 (c) declare a place infected with cattle plague or any part thereof to be free from cattle plague.

6. The Board of Agriculture may at any time, if they think fit, by order—

- 25 (a) declare any area, wherein a place infected with cattle plague is situate, to be an area infected with cattle plague; or [41 & 42 Vict. c. 74. ss. 12-14.]
- (b) extend, contract, or otherwise alter the limits of an area infected with cattle plague; or
- (c) revoke any order previously made declaring any such area or extending, contracting, or altering the limits thereof.

30 7.—(1.) The Board of Agriculture shall cause to be slaughtered all animals affected with cattle plague. Slaughter by Board of Agriculture in cattle plague, and compensation out of public money. [41 & 42 Vict. c. 74. s. 15.]

(2.) The Board may, if they think fit, in any case cause to be slaughtered—

- 35 (i) any animals suspected of being affected with cattle plague, or being in a place infected with cattle plague, which are or which have been in the same field, shed, or other place, or in the same herd or flock, or otherwise in contact with animals affected with cattle plague, or which appear to the Board to have been in any way exposed to the infection of cattle plague:
- 40 (ii) any other animals which the Board may think necessary for the purpose of preventing the spreading of cattle plague (but in this last-mentioned case subject to such regulations as the Treasury think fit to make).

A.D. 1894.

(3.) The Board shall for animals slaughtered under this section pay compensation as follows, out of money provided by Parliament:—

(a.) Where the animal slaughtered was affected with cattle plague, the compensation shall be one half of its value 5 immediately before it became so affected, but so that the compensation does not in any such case exceed twenty pounds; and

(b.) In every other case the compensation shall be the value of the animal immediately before it was slaughtered, but so that 10 the compensation does not in any case exceed forty pounds.

Infected Places, Areas, and Circles for Diseases generally.

Pleuro-
pneumonia
or foot-
and-mouth
disease in-
fected place.
[41 & 42
Vict. c. 74.
ss. 16, 22.]

8.—(1.) Where it appears to an inspector of a local authority that pleuro-pneumonia or foot-and-mouth disease exists, or has within the period herein-after mentioned existed, in a shed, field, or 15 other place, he shall forthwith make and sign a declaration thereof. For the purposes of this sub-section the period shall be in the case of pleuro-pneumonia fifty-six days, and in the case of foot-and-mouth disease ten days.

(2.) The inspector shall serve a notice, signed by him, of the 20 declaration on the occupier of that shed, field, or other place, and also on the occupier of any land or buildings contiguous thereto as he may consider necessary.

(3.) Thereupon that shed, field, or other place shall become and be a place infected with pleuro-pneumonia or foot-and-mouth 25 disease, as the case may be, subject to the determination and declaration of the local authority.

[53 & 54
Vict c. 14.
s. 3.]

(4.) The inspector shall, with all practicable speed, inform the local authority of his declaration and notice, and shall send his declaration and a copy of his notice to the local authority, and 30 shall, with all practicable speed, inform the Board of Agriculture of his declaration and notice, and send a copy of the same to the Board.

[41 & 42
Vict. c. 74.
ss. 16, 22.
49 & 50
Vict. c. 32.
s. 5.]

(5.) The local authority shall forthwith on receipt of that information inquire into the correctness of the inspector's declaration, with the assistance and advice of a veterinary inspector, or of a 35 person qualified according to this Act to be such.

(6.) If the local authority are satisfied of the correctness of the inspector's declaration as regards the existence or past existence of pleuro-pneumonia or foot-and-mouth disease, they shall by order determine and declare accordingly, and prescribe the limits of the 40 place infected with pleuro-pneumonia or foot-and-mouth disease, and may, if they think fit, include within those limits any lands or

buildings adjoining or near to the shed, field, or other place to which the inspector's declaration relates. A.D. 1894.

(7.) The local authority may include in a place infected with pleuro-pneumonia or foot-and-mouth disease any adjoining part of the district of another local authority, with the previous consent in writing of that authority, but not otherwise.

(8.) If the local authority are not satisfied of the correctness of the inspector's declaration as regards the existence or past existence of pleuro-pneumonia or foot-and-mouth disease, they shall by order determine and declare accordingly; and thereupon, as from the time specified in that behalf in the order, the shed, field, or other place to which the inspector's declaration relates shall cease to be a place infected with pleuro-pneumonia or foot-and-mouth disease, as the case may be.

(9.) The local authority shall forthwith report to the Board the declaration of the inspector, and the proceedings of the local authority thereon, and shall state whether or not it is, in their opinion, expedient that an infected area, comprising the infected place, should be declared, and, if so, what should, in their opinion, be the limits of that area, and whether or not there is within that area any place used for the holding of a market, fair, exhibition, or sale of animals or any specified kind thereof, and, if so, whether or not it is, in their opinion, expedient that the holding in that area, while infected, of a market, fair, exhibition, or sale of animals, or such kind thereof, should be prohibited or restricted by order of the Board.

(10.) This section shall, notwithstanding anything therein contained, be construed and have effect subject to the subsequent section of this Act, whereby the Board are required to make, by order, provision respecting the case of animals found to be affected with pleuro-pneumonia or foot-and-mouth disease while exposed for sale or exhibited in a market, fair, sale-yard, or place of exhibition, and in other circumstances specified in the same section, and generally while being in a place not in the possession or occupation, or under the control, of the owner of the animals.

(11.) Where a local authority have declared a place to be infected with pleuro-pneumonia or foot-and-mouth disease, they may, if they think fit, having first obtained the assistance and advice of a veterinary inspector, or of a person qualified according to this Act

[41 & 42
Vict. c. 74
ss. 20 (1),
26 (1).
49 & 50
Vict. c. 32.
s. 4 (1).]

A.D. 1894. to be such, at any time after the expiration of the period herein-after mentioned from the date of the cessation therein of pleuro-pneumonia or foot-and-mouth disease, but not sooner, declare by order that place to be free from pleuro-pneumonia or foot-and-mouth disease. For the purposes of this sub-section the period shall be in 5 the case of pleuro-pneumonia fifty-six days, and in the case of foot-and-mouth disease fourteen days or such longer period not exceeding twenty-eight days as the Board by general order prescribe.

[41 & 42
Vict. c. 74.
ss. 17, 23.
49 & 50
Vict. c. 32.
ss. 3, 4 (2).]

(12.) The Board may at any time, if they think fit, on any evidence satisfactory to them, by order— 10

- (a) declare any shed, field, or other place with or without any lands or buildings adjoining or near thereto, to be a place infected with pleuro-pneumonia or foot-and-mouth disease;
- (b) extend, contract, or otherwise alter the limits of any place infected with pleuro-pneumonia or foot-and-mouth disease 15 declared either by the Board or a local authority; or
- (c) declare any place which has been declared by the Board or a local authority to be a place infected with pleuro-pneumonia or foot-and-mouth disease, to be free from pleuro-pneumonia or foot-and-mouth disease as the case may be. 20

Pleuro-pneumonia and foot-and-mouth disease infected area.

[41 & 42
Vict. c. 74.
ss. 18, 20 (3),
24, 26 (3).]

9.—(1.) The Board of Agriculture may at any time, if they think fit, by order—

- (a) declare any area wherein a place infected with pleuro-pneumonia or foot-and-mouth disease is situate to be an area infected with pleuro-pneumonia or foot-and-mouth disease; 25
- (b) extend, contract, or otherwise alter the limits of an area infected with pleuro-pneumonia or foot-and-mouth disease; or
- (c) revoke any order previously made declaring any such area, or extending, contracting or altering the limits thereof.

(2.) The Board on making any order declaring an area to be 30 an area infected with pleuro-pneumonia or foot-and-mouth disease shall consider whether it is necessary or expedient to prohibit the holding in that area, while infected, of any market, fair, exhibition, or sale of animals or any specified kind thereof, and shall either prohibit the holding thereof accordingly or allow the 35 same to be held on such terms and conditions, if any, as they think fit to prescribe.

General provisions as to infected places and areas.

10.—(1.) The Board of Agriculture may make such general orders as they think fit, subject and according to the provisions of this Act, for prescribing the cases in which places and areas are to 40 be declared to be infected with a disease other than cattle plague,

pleuro-pneumonia, or foot-and-mouth disease, and the authority, mode, and conditions by, in, and on which declarations in that behalf are to be made, and the effect and consequences thereof, and the duration and discontinuance thereof, and other matters connected therewith.

A.D. 1894.
[41 & 42
Vict. c. 74.
s. 28.]

(2.) Every place or area so declared infected, as well as a place or area declared infected with cattle plague, pleuro-pneumonia, or foot-and-mouth disease, shall be an infected place or area for the purposes of this Act.

(3.) Notwithstanding anything in this Act, where the Board, on inquiry, and after communication with the local authority, but without prejudice to the powers of the Board as regards cattle plague, are satisfied that a declaration of a place being an infected place has been made in error respecting the existence or past existence of disease, or respecting the limits of a place, or respecting any other matter of fact whereon the declaration proceeded, the Board may by order cancel the declaration as regards the infected place, or as regards any part thereof, as they think fit.

(4.) Where, in accordance with the provisions of this Act, a place or a part of a place is declared free from a disease, or a declaration of a place being an infected place is cancelled as regards the place or as regards any part thereof, then, from the time specified in that behalf by the Board or a local authority, as the case may be, the place, or that part of the place, shall cease to be, or to be in, an infected place.

(5.) An order of the Board or of a local authority declaring a place to be an infected place, or declaring a place, or a part of a place, to be free from disease, or cancelling a declaration, shall be conclusive evidence to all intents of the existence or past existence or cessation of the disease, or of the error, and of any other matter whereon the order proceeds.

11.—(1.) Cattle shall not be moved into, within, or out of a place or area infected with pleuro-pneumonia otherwise than in accordance with the conditions contained in Part I. of the First Schedule to this Act.

Movement into, within, or out of infected places and areas in case of pleuro-pneumonia and foot-and-mouth disease.
[41 & 42 Vict. c. 74, ss. 19, 25, schedules 3 and 4.
49 & 50 Vict. c. 82, s. 18.]

(2.) Animals shall not be moved into, within, or out of a place or area infected with foot-and-mouth disease otherwise than in accordance with the conditions contained in Part II. of the First Schedule to this Act.

12.—(1.) Where the Board of Agriculture by order declare that this section shall apply in the case of any disease, then, upon any place becoming, in pursuance of a declaration made

Provisions as to infected circles.

[49 & 50
Vict. c. 32.
s. 2.]

and signed by an inspector of a local authority, a place infected with that disease, the whole space lying within a distance of half a mile from any part of the infected place shall become and be a circle infected with that disease: Provided that the Board may, if they think fit, limit the application of any such order 5 to infected places in any particular district or districts.

(2.) Where, under or in pursuance of this Act, the place, in respect of which an infected circle has been constituted in pursuance of this section, ceases to be an infected place, the infected circle shall cease to exist. .10

(3.) The Board may make such general and special orders as they think fit for giving public notice of the existence of, and for contracting, extending, or altering the limits of, and dissolving infected circles, and for prohibiting or regulating the movement of animals into, within, and out of infected 15 circles, or for any of those purposes, or for authorising a local authority to make regulations for those purposes or any of them, subject to such conditions, if any, as the Board think fit to prescribe.

(4.) Where two or more circles infected with the same disease adjoin or overlap each other, the whole of the infected circles shall 20 be deemed for the purpose of the movement of animals under any orders or regulations made in pursuance of this section to be one infected circle.

Power to
exclude
strangers by
notice.
[41 & 42
Vict. c. 74.
s. 54.]

13. A person owning or having charge of any animals in a place or area declared infected with any disease or of any animals which 25 are diseased or suspected of being diseased may affix, at or near the entrance to a building or inclosure in which the animals are, a notice forbidding persons to enter therein without the permission mentioned in the notice; and thereupon it shall not be lawful for any person, not having by law a right of entry or way into, on, 30 or over that building or inclosure, to enter or go into, on, or over the same without that permission.

*Slaughter by Board of Agriculture in case of Pleuro-pneumonia,
Foot-and-mouth Disease, or Swine-fever.*

Slaughter by
Board of
Agriculture
in pleuro-
pneumonia,
and compen-
sation.
[53 & 54
Vict. c. 14.
s. 1.]

14.—(1.) The Board of Agriculture shall cause to be slaughtered 35 all cattle affected with pleuro-pneumonia.

(2.) The Board may, if they think fit, in any case cause to be slaughtered:—

(a) any cattle suspected of being affected with pleuro-pneumonia; and

(b) any cattle which are or which have been in the same field, shed, or other place, or in the same herd or otherwise in contact 40

with cattle affected with pleuro-pneumonia, or which appear to the Board to have been in any way exposed to the infection of pleuro-pneumonia. A.D. 1894.

(3.) The Board shall for cattle slaughtered under this section
5 pay compensation as follows:—

(a) where the animal slaughtered was affected with pleuro-pneumonia, the compensation shall be three fourths of the value of the animal immediately before it became so affected, but so that the compensation do not in any such case exceed thirty
10 pounds; and

(b) in every other case the compensation shall be the value of the animal immediately before it was slaughtered, but so that the compensation do not in any case exceed forty pounds.

(4.) Where the Board have decided that any head of cattle
15 is to be slaughtered under this section, the Board shall, if the owner of such head of cattle by notice in writing so requires, cause the same to be slaughtered within twenty-one days after the receipt of the notice. [41 & 42
Vict. c. 74.
s. 21.]

(5.) The costs of the execution of this section in Great Britain
20 shall be paid by the Board out of the moneys standing to the Cattle Pleuro-pneumonia Account for Great Britain. [53 & 54 Vict.
c. 14. s. 2.]

15.—(1.) The Board of Agriculture may, if they think fit, in any case cause to be slaughtered—

(a.) Any animals affected with foot-and-mouth disease, or
25 . . . suspected of being so affected; and

(b.) Any animals which are or have been in the same field, shed, or other place, or in the same herd or flock, or otherwise in contact with animals affected with foot-and-mouth disease, or which appear to the Board to have been in any way exposed
30 'to the infection of foot-and-mouth disease.

(2.) The Board shall for animals slaughtered under this section pay compensation as follows:—

(i.) Where the animal slaughtered was affected with foot-and-mouth disease the compensation shall be the value of the
35 animal immediately before it became so affected:

(ii.) In every other case the compensation shall be value of the animal immediately before it was slaughtered.

(3.) The costs of the execution of this section in Great Britain shall be paid by the Board out of the moneys standing to
40 the Cattle Pleuro-pneumonia Account for Great Britain.

Slaughter
by Board of
Agriculture
in swine-
fever and
compensa-
tion.
[56 & 57 Vict.
c. 43. s. 1.]

16.—(1.) The Board of Agriculture may, if they think fit, in any case cause to be slaughtered—

(a.) Any swine affected with swine-fever, or suspected of being so affected; and

(b.) Any swine which are or have been in the same field, pig-sty, 5 shed, or other place, or in the same herd, or otherwise in contact with swine affected with swine-fever, or which appear to the Board to have been in any way exposed to the infection of swine-fever.

(2.) The Board shall for animals slaughtered under this section 10 pay compensation as follows:—

(i.) Where the animal slaughtered was affected with swine-fever, the compensation shall be one-half of the value of the animal immediately before it became so affected:

(ii.) In every other case the compensation shall be the value of 15 the animal immediately before it was slaughtered.

(3.) The costs of the execution of this section in Great Britain, including the costs of such measures under this Act as may seem to the Board necessary for preventing the spread of swine-fever, shall be paid by the Board out of the money standing to the Cattle 20 Pleuro-pneumonia Account for Great Britain.

c. 14. s. 2.
55 & 56 Vict.
c. 47.
56 & 57 Vict.
c. 43. s. 1.]

18.—(1.) The account opened at the Bank of England under the provisions of section two of the Contagious Diseases (Animals) Pleuro-pneumonia Act, 1890 (and therein and in this Act referred to as the Cattle Pleuro-pneumonia Account for Great Britain), is hereby continued, and there shall be paid to the said account— 35

(a.) such moneys (not exceeding one hundred and forty thousand pounds in any one year) as may be provided by Parliament towards defraying the costs incurred by the Board of Agriculture in the execution in Great Britain of the provisions of this Act relating to the slaughter of cattle, animals, or swine, 40 on account of pleuro-pneumonia, foot-and-mouth disease, or swine-fever, and such other costs and expenses as are by this

Act made payable out of the money standing to the Cattle Pleuro-pneumonia Account for Great Britain; and A.D. 1894.

- (b.) all sums received by the Board on the sale of the carcasses of cattle, animals, or swine slaughtered by the Board on account of pleuro-pneumonia, foot-and-mouth disease, or swine-fever, after deducting any amounts payable thereout as excess to the owners of the cattle, animals, or swine, under this Act.

Provided that after the expiration of the present financial year of the money provided by Parliament for the Cattle Pleuro-pneumonia Account for Great Britain, no larger sum shall be so provided for the purpose of defraying the costs of the execution in Great Britain of the sections of this Act relating to the slaughter by the Board of swine on account of swine-fever, and the payment of compensation in respect of such slaughter and any expenses incurred in connexion therewith in any one year than a sum which with the sum provided by Parliament in that year for the same purposes in Ireland would equal fifty thousand pounds.

(2.) If in any financial year the money standing to the Cattle Pleuro-pneumonia Account for Great Britain is insufficient to defray the costs and expenses by this Act made payable out of the money standing to the Cattle Pleuro-pneumonia Account for Great Britain, the Local Government Board and the Secretary for Scotland shall out of the Local Taxation Account and the Local Taxation (Scotland) Account respectively, pay to the Cattle Pleuro-pneumonia Account for Great Britain in the proportions provided in the Second Schedule to this Act such additional sums as may be certified by the Board of Agriculture to be required for defraying those costs and expenses.

(3.) The regulations contained in the Second Schedule to this Act shall apply to the Cattle Pleuro-pneumonia Account for Great Britain.

Slaughter in Disease, and Compensation generally.

19. The Board of Agriculture may make such orders as they think fit subject and according to the provisions of this Act for directing or authorising, in case of the existence or suspected existence of any disease other than cattle plague and under such conditions as the Board think fit to prescribe, the slaughter of animals by local authorities, either generally or in particular instances, and in all or any of such cases the payment of compensation for the same by local authorities out of the local rate; and

Power for Board of Agriculture to provide for slaughter in diseases other than cattle plague. [49 & 50 Vict. c. 32. s. 6.]

A.D. 1894. the Board may by such orders direct or authorise the slaughter both of animals actually affected with disease, and also of animals suspected of disease, or being or having been in the same field, shed, or other place, or in the same herd or flock, or otherwise in contact, with animals affected with disease, or being or having been otherwise exposed to the infection thereof. 5

General provisions relative to slaughter and compensation. [41 & 42 Vict. c. 74 s. 30.]

20.—(1.) The Board of Agriculture may, notwithstanding anything in this Act, reserve for observation and treatment an animal liable to be slaughtered under this Act by order of the Board or of a local authority, but subject to payment of compensation by the Board or the local authority, as the case may be, as in case of actual slaughter. 10

(2.) Where an animal has been slaughtered under this Act by order of the Board or of a local authority, the carcase of the animal shall belong to the Board or to the local authority, as the case may be, and shall be buried, or sold, or otherwise disposed of by the Board or the local authority, or as they direct, as the condition of the animal or carcase and other circumstances may require or admit; and any money received by a local authority on any such sale shall be carried by them to the credit of the local rate. 15 20

(3.) If, in any case, the sum received by the Board or a local authority on sale of a carcase under this section exceeds the amount paid for compensation to the owner of the animal slaughtered, the Board or the local authority, as the case may be, shall pay that excess to the owner, after deducting reasonable expenses. 25

(4.) Where an animal has been slaughtered under this Act by order of the Board or of a local authority, the Board or the local authority, as the case may be, may use for the burial of the carcase any ground in the possession or occupation of the owner of the animal and suitable in that behalf, or any common or uninclosed land, but, as regards the use by a local authority of common or uninclosed land, not without the approval of the Board. 30

(5.) If the owner of an animal slaughtered under this Act by order of the Board or of a local authority has an insurance on the animal, the amount of the compensation awarded to him under this Act may be deducted by the insurers from the amount of the money payable under the insurance before they make any payment in respect thereof. 35

(6.) A local authority shall keep in such manner as the Board by general order direct, a record relative to slaughter, which record shall be admitted in evidence. 40

A.D. 1894.

(7.) Notwithstanding anything in this Act, the Board or a local authority, as the case may be, may, if they think fit, withhold, either wholly or partially, compensation or other payment in respect of an animal slaughtered under this Act by their
 5 respective order, where the owner or the person having charge thereof has, in the judgment of the Board or the local authority, as the case may be, been guilty, in relation to the animal, of an offence against this Act, or where the animal, being a foreign animal, was, in their judgment, diseased at the time of its landing.

10 *Exceptional Powers for Transit, and in other Cases.*

21.—(1.) The Board of Agriculture shall, by general order, make such further or other provision as they think necessary or expedient respecting the case of animals found to be affected with pleuro-pneumonia or foot-and-mouth disease—

Board of
 Agriculture
 to provide
 for pleuro-
 pneumonia
 or foot-and-
 mouth
 disease
 during tran-
 sit, &c.
 [41 & 42
 Vict. c. 74.
 s. 27.]

- 15 (i) while exposed for sale or exhibited in a market, fair, sale-yard, place of exhibition, or other place; or
 (ii) while placed in a lair or other place before exposure for sale; or
 (iii) while in transit or in course of being moved by land or by
 20 water; or
 (iv) while in a foreign animals wharf or foreign animals quarantine station; or
 (v) while being in a slaughter-house or place where animals are slaughtered or are kept with a view to slaughter; or
 25 (vi) while being on common or uninclosed land; or
 (vii) generally, while being in a place not in the possession or occupation or under the control of the owner of the animals.

(2.) The Board shall, by general orders under this section, make such provision as they think fit for the consequences
 30 under this Act of animals being so found in the circumstances aforesaid, as well with regard to the animals as with regard to the places where they are when so found and other places, and with regard to animals being or having been in the same field, shed or other place, or in the same herd or flock, or otherwise in
 35 contact with animals so found.

(3.) The Board may, by special orders under this section relating to particular places, make such provision as they think fit for the consequences aforesaid.

(4.) Every order under this section shall have full effect notwith-
 40 standing any provision of this Act requiring the declaration of a place infected with pleuro-pneumonia or foot-and-mouth disease or

A.D. 1894. relating to any consequence thereof, or to any matter connected herewith, and notwithstanding any other provision whatsoever of this Act.

Disease and Movement, generally.

Power for Board of Agriculture to make orders for prevention or checking of disease, and other purposes.
[41 & 42 Vict. c. 74. s. 32.]

22. The Board of Agriculture may make such orders as they think fit, subject and according to the provisions of this Act, for the following purposes, or any of them :

- (i) for prescribing and regulating the publication by placards, handbills, or otherwise, in the immediate neighbourhood of a place or area declared infected, of the fact of such declaration ; 10
- (ii) for prohibiting or regulating the movement of animals and persons into, within, or out of an infected place or area ;
- (iii) for prescribing and regulating the isolation or separation of animals being in an infected place or area ;
- (iv) for prohibiting or regulating the removal of carcasses, 15 fodder, litter, utensils, pens, hurdles, dung, or other things into, within, or out of an infected place or area ;
- (v) for prescribing and regulating the destruction, burial, disposal, or treatment of carcasses, fodder, litter, utensils, pens, hurdles, dung, or other things, being in an infected place or 20 area, or removed thereout ;
- (vi) for prescribing and regulating the cleansing and disinfection of infected places and areas, or parts thereof ;
- (vii) for prescribing and regulating the disinfection of the clothes of persons coming in contact with or employed about 25 diseased or suspected animals, or being in an infected place, and the use of precautions against the spreading of disease by such persons ;
- (viii) for prohibiting or regulating the digging up of carcasses which have been buried ; 30
- (ix) for prohibiting or regulating the exposure of diseased or suspected animals in markets or fairs or sale-yards, or other public or private places, where animals are commonly exposed for sale, and the placing thereof in lairs or other places adjacent to or connected with markets or fairs, or where 35 animals are commonly placed before or after exposure for sale ;
- (x) for prohibiting or regulating the sending or carrying of diseased or suspected animals, or of dung or other thing likely to spread disease, or the causing the same to be sent or carried, on railways, canals, rivers, or inland navigations, or in coasting 40 vessels, or otherwise ;

- (xi) for prohibiting or regulating the carrying, leading, or driving of diseased or suspected animals, or the causing them to be carried, led, or driven on highways or thoroughfares, or elsewhere ;
- 5 (xii) for prohibiting or regulating the placing or keeping of diseased or suspected animals on commons or uninclosed lands, or in fields or other places insufficiently fenced, or on the sides of highways ;
- 10 (xiii) for prescribing and regulating the seizure, detention, and disposal of a diseased or suspected animal exposed, carried, kept, or otherwise dealt with in contravention of an order of the Board ; and for prescribing and regulating the liability of the owner or consignor or consignee of such animal to the expenses connected with the seizure, detention, and disposal thereof ;
- 15 (xiv) for prescribing the mode of ascertainment of the value of an animal slaughtered, or liable to be slaughtered, by order of the Board or of a local authority ;
- 20 (xv) for regulating applications for, and the mode of payment of, compensation to be paid out of money provided by Parliament ;
- 25 (xvi) for prescribing and regulating the destruction, burial, disposal, or treatment of carcases of animals slaughtered by order of the Board or of a local authority, or dying while diseased or suspected ;
- (xvii) for prohibiting or regulating the movement of animals, and the removal of carcases, fodder, litter, dung, and other things, and for prescribing and regulating the isolation of animals newly purchased ;
- 30 (xviii) for prescribing and regulating the issue and production of licenses respecting movement and removal of animals and things ;
- (xix) for prohibiting or regulating the holding of markets, fairs, exhibitions, and sales of animals ;
- 35 (xx) for prescribing and regulating the cleansing and disinfection of places used for the holding of markets, fairs, exhibitions, or sales of animals, or for lairage of animals, and yards, sheds, stables, and other places used for animals ;
- 40 (xxi) for prescribing and regulating the cleansing and disinfection of vessels, vehicles, and pens and other places, used for the carrying of animals or purposes connected therewith ;

- A.D. 1894. (xxii) for prescribing modes of cleansing and disinfection ;
- [47 & 48
Vict. c. 13
s. 4.] (xxiii) for prohibiting the conveyance or landing of foreign or other animals by or from any specified vessel to or from or at any port in the United Kingdom for such time as the Board may consider expedient ; 5
- [41 & 42 Vict.
c. 74. s. 32.] (xxiv) for insuring for foreign or other animals carried by sea a proper supply of food and water and proper ventilation during the passage and on landing ;
- (xxv) for protecting them from unnecessary suffering during the passage and on landing ; 10
- (xxvi) for protecting animals from unnecessary suffering during inland transit ;
- (xxvii) for securing a proper supply of water and food to animals during any detention thereof ;
- (xxviii) for prescribing and regulating the marking of animals ; 15
- (xxix) for prohibiting, absolutely or conditionally, the use, for the carrying of animals or for any purpose connected therewith, of a vessel vehicle, or pen or other place in respect whereof, or of the use whereof, a penalty has been recovered from any person for an offence against this Act ; 20
- [52 & 53
Vict. c. 30.
s. 3.] (xxx) for prescribing and regulating the muzzling of dogs, and the keeping of dogs under control ;
- (xxxi) for prescribing and regulating the seizure, detention, and disposal (including slaughter) of stray dogs and of dogs not muzzled, and of dogs not being kept under control, and the 25 recovery from the owners of dogs of the expenses incurred in respect of their detention ;
- [41 & 42
Vict. c. 74.
s. 32.] (xxxii) for prescribing and regulating the payment and recovery of expenses in respect of animals ;
- (xxxiii) for prescribing and regulating the form and mode of 30 service or delivery of notices and other instruments ;
- (xxxiv) for authorising a local authority to make regulations for any of the purposes of this Act or of an order of the Board subject to such conditions, if any, as the Board, for the purpose of securing uniformity and the due execution of the 35 provisions of this Act, think fit to prescribe ;
- (xxxv) for extending, for all or any of the purposes of this Act, the definition of disease in this Act, so that the same shall for those purposes, or any of them, comprise any disease of animals in addition to the diseases mentioned in this Act ; 40

- (xxxvi) for extending, for all or any of the purposes of this Act the definition of animals in this Act, so that the same shall for those purposes or any of them comprise any kind of four-footed beasts, in addition to the animals mentioned in this Act; and
- 5 (xxxvii) generally, for the better execution of this Act, or for the purpose of in any manner preventing the spreading of disease.

[49 & 50
Vict. c. 32.
s. 8.][41 & 42
Vict. c. 74.
s. 32.]

23.—(1.) Every railway company shall make a provision, to the satisfaction of the Board of Agriculture, of water and food, or
 10 either of them, at such stations as the Board, by general or specific description, direct, for animals carried, or about to be or having been carried, on the railway of the company.

Provision of
water and
food at
railway
stations.
[41 & 42
Vict. c. 74.
s. 33.]

(2.) The water and food so provided, or either of them, shall be supplied to any such animal by the company carrying it, on the
 15 request of the consignor or of any person in charge thereof.

(3.) As regards water, if, in the case of any animal, such a request is not made, so that the animal remains without a supply of water for twenty-four consecutive hours, the consignor and the person in charge of the animal shall each be guilty of an offence against
 20 this Act; and it shall lie on the person charged to prove such a request and the time within which the animal had a supply of water.

(4.) But the Board may, if they think fit, by order prescribe any other period, not less than twelve hours, instead of the period of
 25 twenty-four hours aforesaid, generally, or in respect of any particular kind of animals.

(5.) The company supplying water or food under this section may make in respect thereof such reasonable charges (if any) as the Board by order approve, in addition to such charges as they are
 30 for the time being authorised to make in respect of the carriage of animals. The amount of those additional charges accrued due in respect of any animal shall be a debt from the consignor and from the consignee thereof to the company, and shall be recoverable by the company from either of them, with costs, by proceedings in
 35 any court of competent jurisdiction. The company shall have a lien for the amount thereof on the animal in respect whereof the same accrued due, and on any other animal at any time consigned by or to the same consignor or consignee to be carried by the company.

A.D. 1894.

Foreign Animals.

Animals in the absence of any order to be slaughtered at port of landing.
[41 & 42 Vict. c. 74. s. 35 (3), 5th Sched.]

24. The provisions set forth in Part I. (slaughter at port of landing) of the Third Schedule to this Act shall apply to all foreign animals other than—

- (a) foreign animals the landing of which is for the time being prohibited by order of the Board of Agriculture; 5
- (b) foreign animals the landing of which is allowed by order of the Board without being subject under the provisions of this Act to slaughter or quarantine; and
- (c) foreign animals intended for exhibition or other exceptional purposes, and the landing of which is allowed for the time being by the Board subject to the provisions of Part II. (quarantine) of the Third Schedule to this Act. 10

Orders prohibiting importation of animals.
[41 & 42 Vict. c. 74. s. 35 (1). 47 & 48 Vict. c. 13. s. 1.]

25. The Board of Agriculture may, whenever they deem it expedient so to do, for the purpose of preventing the introduction of disease into the United Kingdom, make orders for prohibiting the landing of animals or of any specified kind thereof, or of carcases, fodder, litter, dung, or other thing brought from any specified country out of the United Kingdom or any specified part of any such country, and they shall prohibit the landing of such animals whenever they are not satisfied with respect to any such country or any specified part thereof, that having regard to the sanitary condition of the animals therein or imported therefrom, to the laws made by such country for the regulation of the importation and exportation of animals, and for the prevention of the introduction or spreading of disease, and to the administration of such laws, the circumstances are such as to afford reasonable security against the importation therefrom of animals affected with foot-and-mouth disease. 15 20 25

Orders admitting animals free without being subject to slaughter.
[41 & 42 Vict. c. 74. s. 35, 5th Sched. 47 & 48 Vict. c. 13. s. 3.]

26. In relation to foreign animals other than those the landing whereof is for the time being prohibited by order of the Board of Agriculture, and other than those brought from the Channel Islands or the Isle of Man, if and so long as the Board are satisfied with respect to any country out of the United Kingdom or any specified part of such country that, having regard to the sanitary condition of the animals therein or imported therefrom to the laws made by that country for the regulation of the importation and exportation of animals and for the prevention of the introduction or spreading of disease, and to the administration of such laws, the circumstances are such as to afford reasonable security against the importation from that country or such part of that country of diseased animals, then the Board, by order shall allow animals, or any specified kind of animals, brought 30 35 40

from that country or such part to be landed without being subject to the provisions of the Third Schedule to this Act as to slaughter or quarantine, and may for that purpose alter or add to those provisions as the case may require. A.D. 1894.

- 5 Provided that the admission of such animals shall be subject to such regulations as to the route by which the animals are conveyed to this country, quarantine, or otherwise, as the Board of Agriculture may by general or special order direct. [47 & 48 Vict.
c. 13. s. 3,
extended.]

- 10 27. Notwithstanding anything contained in this Act or in any order of the Board of Agriculture, the Board may make such general or special orders as they think fit for allowing the landing of any foreign animals intended for exhibition, or for other exceptional purposes, and for allowing such animals to be landed without being subject to the provisions of Part I. (slaughter
15 at port of landing) of the Third Schedule to this Act, and the provisions of Part II. (quarantine) of the said Schedule shall apply to any animals so allowed to be landed. Orders
admitting
animals to
quarantine.
[41 & 42
Vict. c. 74.
s. 35, 5th
Sched.
47 & 48 Vict.
c. 13. s. 2.]

- 20 28. In relation to animals brought from the Channel Islands or the Isle of Man, the Board of Agriculture may, if they think fit, by general or special order or by license, alter or add to the provisions of the Third Schedule to this Act relating to slaughter or to quarantine, as the case may require. Special
provisions as
to Channel
Islands and
Isle of Man.
[41 & 42
Vict. c. 74.
5th Sched.]

- 25 29. Every order made in pursuance of this Act in relation to the landing or conveyance of foreign animals shall be forthwith laid before both Houses of Parliament. Orders to be
laid before
Parliament.
[41 & 42
Vict. c. 74.
5th Sched.
47 & 48 Vict.
c. 13. s. 5.]

30.—(1.) The Board of Agriculture may make such orders as they think fit, subject and according to the provisions of this Act, for the following purposes, or any of them :

- 30 (i) for prescribing the ports at which alone foreign animals may be landed ; Regulation
of ports.
[41 & 42
Vict. c. 74.
s. 36.]
- (ii) for defining the limits of ports for the purposes of this Act ;
- (iii) for defining parts of ports ;
- (iv) for prohibiting or regulating the movement of animals into, within, or out of a defined part of a port ;
- 35 (v) for prescribing and regulating the inspection and examination and marking, and the mode, time, and conditions of slaughter, of animals in a defined part of a port ;
- (vi) for prescribing and regulating the disposal of animals, not being foreign animals, and being in a defined part of a port ;
- 40 (vii) for regulating the removal of carcases, fodder, litter, utensils, dung, or other things into, within, or out of a defined part of a

A.D. 1894.

port, and the disposal thereof, when likely to introduce or spread disease ;

- (viii) for prescribing and regulating the cleansing and disinfection of a defined part of a port or of parts thereof;
- (ix) for prescribing and regulating the disinfection or destruction of things being in a defined part of a port or removed thereout ;
- (x) for regulating the movement of persons into, within, or out of a defined part of a port ;
- (xi) for prescribing and regulating the disinfection of the clothes of persons employed or being in a defined part of a port, and the use of precautions against the introduction or spreading by them of disease ;
- (xii) for prescribing and regulating the seizure and detention of any foreign animal, or for regulating the disposal of any carcase, fodder, litter, dung, or other thing which is imported from a country out of the United Kingdom, or which belongs to or has been in the same vessel or in any way in contact with any foreign animal ; and
- (xiii) generally, for the better execution of this Act in relation to foreign animals, carcases, fodder, litter, dung, or other things, or for the purpose of in any manner preventing the introduction or spreading thereby of disease.

(2.) Notwithstanding anything in this Act, a defined part of a port, or any part thereof, shall not be declared to be an infected place, or be made part of an infected place, otherwise than by the Board.

(3.) Where the district or part of a district of a local authority under this Act is or comprises, or is comprised in, a port or part of a port, the Board may, if they think fit, in relation to that port or part of a port, by order, make any body, other than the body constituted the local authority by this Act for such district or part of a district, the local authority for the purposes of the provisions of this Act relating to foreign animals, and, in connexion with the local authority so made, prescribe the local rate, if any, and the clerk of the local authority.

General Provisions as to Local Authorities.

Committees
of local
authorities.
[41 & 42
Vict. c. 74.
s. 08.
49 & 50
Vict. c. 32.
s. 7.]

31.—(1.) The provisions in the Fourth Schedule to this Act shall have effect with respect to committees of local authorities, but nothing therein contained shall prejudice or affect the power of a county council to delegate their powers to any committee or body under section twenty-eight of the Local Government Act, 1888.

(2.) The Board of Agriculture, in any order made by them under this Act, for authorising a local authority to make regulations may provide that the power to make such regulations for any purpose specified in that behalf in the order, shall be exercised
 5 only by the local authority or a committee acting for the whole of the district of the local authority, and shall not be deputed to any other committee nor to a sub-committee.

A.D. 1894.
 51 & 52 Vict.
 c. 41.

32.—(1.) A local authority may provide, erect, and fit up wharves, stations, lairs, sheds, and other places for the landing,
 10 reception, keeping, sale, slaughter, or disposal of foreign or other animals, carcasses, fodder, litter, dung, and other things.

Provision of

 10 & 11 Vict.
 c. 14.

(2.) There shall be incorporated with this Act the Markets and Fairs Clauses Act, 1847, except sections six to nine and fifty-one to sixty thereof.

(3.) A wharf or other place provided by a local authority under this section shall be a market within that Act; and this Act shall be the special Act; and the prescribed limits shall be the limits of lands acquired or appropriated for purposes of this section; and byelaws shall be approved by the Board of Agriculture, which
 20 approval shall be sufficient without any other approval or allowance, notice of application for approval being given, and proposed byelaws being published before application, as required by the Markets and Fairs Clauses Act, 1847.

(4.) A local authority may charge for the use of a wharf or other
 25 place provided by them under this section such sums as may be imposed by byelaws, and the same shall be deemed tolls authorised by the special Act.

(5.) All sums so received by the local authority shall be carried to a separate account, and shall be applied in payment of interest
 30 on money borrowed by them under the Contagious Diseases (Animals) Act, 1869, the Contagious Diseases (Animals) Acts, 1878 to 1893, or this Act, and in repayment of the principal thereof, and, subject thereto, towards discharge of their expenses under this Act.

32 & 33 Vict.
 c. 70.

(6.) The local authority shall make such periodical returns to the
 35 Board of Agriculture of their expenditure and receipts in respect of the wharf or other place as the Board require.

(7.) The Board, if satisfied on inquiry that the tolls taken by the local authority for the wharf or other place may properly be reduced, regard being had to the expenditure and re-
 40 cepts of the local authority in respect thereof, and to any money secured on the tolls, and to the other circumstances of the case, may require the local authority to submit to the Board, for their

A.D. 1894. approval, a new schedule of tolls, and on failure of the local authority to do so to the satisfaction of the Board, may, by order, prescribe such tolls as the Board think fit, in lieu of those before approved by the Board.

32 & 33 Vict. c. 70. (8.) The provisions of this section shall apply to a wharf or other place provided by a local authority under the Contagious Diseases (Animals) Act, 1869, or under the Contagious Diseases (Animals) Acts, 1878 to 1893.

Power for local authority to acquire land. [41 & 42 Vict. c. 74. s. 40.]

33.—(1.) A local authority may purchase, or may by agreement take on lease or at a rent, land for wharves or other places, or for use for burial of carcases, in cases where there is not any ground suitable in that behalf in the possession or occupation of the owner of the animal, or any common or uninclosed land suitable and approved by the Board of Agriculture in that behalf, or for any other purpose of this Act.

15

(2.) The local authority may (subject to any agreement) dispose of lands so acquired but not required for the purposes of this Act, carrying the money produced thereby to the credit of the local rate.

38 & 39 Vict. c. 55. (3.) The regulations contained in section one hundred and seventy-six of the Public Health Act, 1875, shall be observed with respect to the purchase of land by a local authority for purposes of this Act, as if the local authority were a local board, and purposes of this Act were purposes of that Act; provided that the requisite advertisements and notices may be published and served in any two consecutive months, and that the local rate shall be substituted for the rates therein mentioned.

25

(4.) The powers conferred by this section may be exercised by a local authority with respect to land within or without their district.

Proceedings in case of default of local authorities. [41 & 42 Vict. c. 74. s. 41.]

34.—(1.) Where a local authority fail to execute or enforce any of the provisions of this Act, or of an order of the Board of Agriculture, the Board may by order empower a person therein named to execute and enforce those provisions, or to procure the execution and enforcement thereof.

30

(2.) The expenses incurred under any such order or in respect of any such default by or on behalf of the Board, including compensation for animals slaughtered, shall be expenses of the local authority, and the treasurer or other proper officer of the local authority shall pay the amount of such expenses to the Board on demand, and in default of payment a person appointed by the Board to sue in that behalf, may recover the amount of such expenses, with costs, from the local authority.

40

(3.) For the purposes of this section an order of the Board shall be conclusive in respect of any default, amount of expenses, or other matter therein stated or appearing. A.D. 1894.

(4.) The provisions of this section shall be without prejudice to the right or power of the Board, or any other authority or any person, to take any other proceedings for requiring a local authority to execute or enforce any of the provisions of this Act, or of an order of the Board.

35 **35.—**(1.) Every local authority shall appoint so many inspectors and other officers as the local authority think necessary for the execution and enforcement of this Act, and shall assign to those inspectors and officers such duties, and salaries or allowances, and may delegate to any of them such authorities and discretion, as to the local authority seem fit, and may at any time revoke any appointment so made. Inspectors and other officers of local authority. [41 & 42 Vict. c. 74. s. 42.]

(2.) Every local authority shall keep appointed at all times at least one veterinary inspector, and shall appoint and at all times keep appointed so many other veterinary inspectors as the Board of Agriculture, having regard to the extent and circumstances of the district of the local authority, direct.

(3.) The Board, on being satisfied on inquiry that an inspector of a local authority is incompetent, or has been guilty of misconduct or neglect, may, if they think fit, direct his removal, and thereupon he shall cease to be an inspector.

25 **36.** Every local authority and their inspectors and officers shall send and give to the Board of Agriculture such notices, reports, returns, and information as the Board require. Reports to Board of Agriculture [41 & 42 Vict. c. 74. s. 43.]

37.—(1.) An order or regulation of a local authority may be proved—

30 (i) by the production of a newspaper purporting to contain the order or regulation as an advertisement; or
(ii) by the production of a copy of the order or regulation purporting to be certified by the clerk of the local authority as a true copy. Orders and regulations of local authorities. [41 & 42 Vict. c. 74. s. 44.]

35 (2.) An order or regulation so proved shall be taken to have been duly made, unless and until the contrary is proved.

(3.) An order or regulation of a local authority authorised by this Act or by an order of the Board of Agriculture shall alone be deemed for the purposes of this Act an order or regulation of a local authority.

A.D. 1894.

Powers of
local author-
ities to be
for their
district.

[41 & 42
Vict. c. 74.
s. 45.]

Transfer of
powers from
one local
authority to
another, or
formation of
united
district.
[47 & 48
Vict. c. 47.]

38. The provisions of this Act conferring powers on, or otherwise relating to, a local authority, or their inspectors or officers, shall, unless otherwise expressed, be read as having reference to the district of the local authority; and powers thereby conferred shall, unless it is otherwise expressed, be exerciseable and shall operate 5 within and in relation to that district only.

39.—(1.) Wherever the whole or any part of the district of any local authority, is wholly surrounded by or has a common boundary with the district of any other local authority, those two local authorities may by agreement in writing between themselves 10 make and vary and rescind provisions for the exercise by one of them (in this section referred to as the administering authority) of jurisdiction under this Act or any order of the Board of Agriculture within the whole or any part of the district of the other (in this section referred to as the surrendering authority) 15 and for ascertaining the proportion of the expenses of the administering authority to be paid by the surrendering authority, such proportion to be fixed with reference to the rateable value of the part of the district of the surrendering authority surrendered to the administering authority as compared with the rateable value 20 of the original area of the district of the administering authority.

(2.) The district or part of a district subjected, in pursuance of an agreement under this section, to the jurisdiction of the administering authority, shall, for the purpose of the exercise of such jurisdiction, be deemed to be part of the district of the administering 25 authority, and be dealt with accordingly.

(3.) Any expenses payable by a surrendering authority to an administering authority under this section shall be paid out of the local rate of the surrendering authority.

(4.) Provided that where the surrendering authority is the local 30 authority for a borough and the administering authority is the local authority for a county to the rate of which such borough is assessed, the provision of this Act requiring that the local authority of the borough shall be paid by the local authority of the county the proportionate amount paid by the several parishes or parts of 35 parishes in the borough shall not apply.

(5.) A local authority may by agreement in writing concur with any other local authority or authorities in appointing out of their respective bodies a joint committee consisting of such number of members with such tenure of office as they may determine, and in 40 assigning to the joint committee a district consisting of the whole or such parts of the districts of the constituent authorities as

the authorities may determine, and in delegating to the joint committee within their district the whole or any part of the jurisdiction of a local authority, and the joint committee shall, in respect of any jurisdiction so assigned to them, exercise the same powers and be subject to the same obligations, and this Act and any order of the Board shall, in respect of the district so assigned, take effect, as if such district were the district of a local authority and the joint committee were a local authority within the meaning of this Act.

(6.) All expenses incurred by the joint committee shall be apportioned among the component areas belonging to the different constituent authorities in proportion to the rateable values of such areas, as compared with each other, and shall be paid out of the local rates of the constituent authorities.

(7.) An agreement made under this section shall not be valid unless it has been approved by the Board.

(8.) The expression "jurisdiction" in this section shall not include the power of making or levying a rate, but shall include all other powers, duties, and obligations exerciseable by or imposed on a local authority or its officers under or by this Act, or any order of the Board.

Expenses of Local Authorities.

40.—(1.) The expenses of a local authority under this Act shall be defrayed out of the local rate; and such sums as may be necessary to defray those expenses shall be levied with and as part of the local rate.

(2.) The local rate in England and Wales shall be as follows:—

(i) in the case of a county, the county rate with the county fund;

(ii) in the case of the City of London, the consolidated rate; and

(iii) in the case of a borough, the borough rate with the borough fund.

(3.) Provided that the payment of the expenses of the local authority for the county of London, under this Act, shall be a general county purpose for which the parishes in the City of London shall be liable to be assessed to county contributions.

41.—(1.) In England and Wales the council of a borough assessed to the county rate of a county shall be paid by the council of the county the proportionate amount paid by the several

(2.) Nothing in this Act shall affect the exemption of any borough which had a separate court of quarter sessions at the date of the passing of the Local Government Act, 1888, from contributing towards the expenses under this Act of the council of the county within which the borough is situate. 5

Power for
local autho-
rity to
borrow.
[41 & 42
Vict. c. 74.
s. 49.]

42.—(1.) Where the amount or proportion of the local rate levied or required for the purposes of this Act exceeds or would exceed in any financial year sixpence in the pound, a local authority may borrow at interest on the credit of the local rate any money necessary for the purposes of this Act, and may secure the repayment thereof, with interest, by mortgaging the local rate for any term not exceeding seven years. 10

(2.) Where the amount or proportion aforesaid exceeds or would exceed in any financial year ninepence in the pound, the Local Government Board may, if they think fit, on application of the local authority, extend the term to any period not exceeding fourteen years. 15

(3.) A local authority, borrowing for the purposes of this section, shall borrow subject to the provisions of the Local Loans Act, 1875; and every loan raised under this section shall be discharged in manner prescribed by section thirteen of that Act, for which purpose a sinking fund is hereby prescribed, if in any case the Local Government Board so direct, but not otherwise. 20

38 & 39 Vict.
c. 83.

(4.) The Public Works Loan Commissioners may, on the recommendation of the Local Government Board, advance money to a local authority in manner provided by the Public Works Loans (Money) Act, 1875, and any enactment amending or substituted for that Act. the same to be repaid, with interest, within the term aforesaid, and the local authority may so borrow accordingly. 25

38 & 39 Vict.
c. 58.

(5.) A local authority, borrowing for any of the purposes of this Act, may, if they think fit, give as security, either with the local rate, if any, or separately therefrom, the charges which they are authorised to make for the use of a wharf or other place provided by them under this Act, and any estates, revenues, or funds belonging to them and not otherwise appropriated by law; and in that case the limitations in this section respecting the amount or proportion of rate and term of years shall not operate. 35

Police.

Duties and
authorities
of constables.

43.—(1.) The police force of each police area shall execute and enforce this Act and every order of the Board of Agriculture. 40

(2.) Where a person is seen or found committing, or is reasonably suspected of being engaged in committing, an offence against this Act, a constable may, without warrant, stop and detain him; and, if his name and address are not known to the constable, and such person fails to give them to the satisfaction of the constable, the constable may, without warrant, apprehend him; and the constable may, whether so stopping or detaining or apprehending the person or not, stop, detain, and examine any animal, vehicle, boat, or thing to which the offence or suspected offence relates, and require the same to be forthwith taken back to or into any place or district wherefrom or whereout it was unlawfully removed, and execute and enforce that requisition.

(3.) If any person obstructs or impedes or assists to obstruct or impede a constable or other officer in the execution of this Act or of an order of the Board or of a regulation of a local authority, the constable or officer may without warrant apprehend the offender.

(4.) A person apprehended under this section shall be taken with all practicable speed before a justice, and shall not be detained without a warrant longer than is necessary for that purpose; and all enactments relating to the release of persons on recognizances taken by an officer of police or a constable shall apply in the case of a person apprehended under this section.

(5.) The foregoing provisions of this section respecting a constable extend and apply to any person called by a constable to his assistance.

(6.) A constable shall forthwith make a report in writing to his superior officer of every case in which he stops any person, animal, vehicle, boat, or thing under this section, and of his proceedings consequent thereon.

(7.) Nothing in this section shall take away or abridge any power or authority that a constable would have had if this section had not been enacted.

General Administrative Provisions.

44.—(1.) An inspector shall have, for the purposes of this Act, all the powers which a constable has, under this Act or otherwise in the place where the inspector is acting.

(2.) An inspector may at any time enter any land or shed to which this Act applies, or other building or place wherein he has reasonable grounds for supposing—

(a) that disease exists or has within fifty-six days existed; or

(6.) An inspector of the Board shall have all the powers of an inspector, throughout England or that part thereof for which he is appointed, and in addition to the powers herein-before conferred upon inspectors, an inspector of the Board may at any time, for the purpose of ascertaining whether pleuro-pneumonia foot-and-mouth disease or swine-fever exists or has within fifty-six days existed in any shed, land, or other place, enter such shed, land, or place. 30

Power for
detention of
vessels.
[41 & 42
Vict. c. 74.

(i) if he does anything in contravention of this Act, or of an order of the Board of Agriculture, or of a regulation of a local authority; or

10 (ii.) if he fails to comply with the conditions of any license granted to him by the Board or by a local authority; or

(iii) if, where required by this Act or by an order of the Board to keep an animal separate as far as practicable, or to give notice of disease with all practicable speed, he fails to do so; or

(iv) if he fails to give, produce, observe, or do any notice, license, rule, or thing which by this Act, or by an order of the Board, or by a regulation of a local authority, he is required to give, produce, observe, or do; or

(v) if he does anything which by this Act or an order of the Board is made or declared to be not lawful; or

(vi) if he does or omits anything, the doing or omission whereof is declared by this Act or by an order of the Board to be an offence by him against this Act; or

(vii) if he refuses to an inspector or other officer, acting in execution of this Act, or of an order of the Board, or of a regulation of a local authority, admission to any land, building, place, vessel, pen, vehicle, or boat which the inspector or officer is entitled to enter or examine, or obstructs or impedes him in so entering or examining, or otherwise in any respect obstructs or impedes an inspector or constable or other officer in the execution of his duty, or assists in any such obstructing or impeding; or

35 (viii) if he throws or places, or causes or suffers to be thrown or placed, into or in any river, stream, canal, navigation, or other water, or into or in the sea within three miles of the shore, the carcass of an animal which has died of disease, or been slaughtered as diseased or suspected;

40 and on a further conviction within a period of twelve months for a second or subsequent offence against the same sub-section of this section, he shall be liable, in the discretion of the court,

53.—(1.) If any person does any of the following things, he shall be guilty of an offence against this Act: 5

(i) if, with intent to unlawfully evade this Act, or an order of the Board of Agriculture, or a regulation of a local authority, he does anything for which a licence is requisite under this Act, or an order of the Board, or a regulation of a local authority, without having obtained a licence: or 10

(ii) if, where a licence is requisite, having obtained a licence, he, with the like intent, does the thing licensed after the licence has expired: or

(iii) if he uses or offers or attempts to use as such a licence an instrument not being a complete licence, or an instrument 15
 untruly purporting or appearing to be a licence, unless he shows to the satisfaction of the court that he did not know of that incompleteness or untruth, and that he could not with reasonable diligence have obtained knowledge thereof: or

(iv) if, with intent to unlawfully evade this Act, or an order of 20
 the Board of Agriculture, or a regulation of a local authority, he alters, or falsely makes, or ante-dates, or counterfeits, or offers or utters, knowing the same to be altered, or falsely made, or ante-dated, or counterfeited, a licence, declaration, certificate or instrument made or issued, or purporting to be made or 25
 issued, under or for any purpose of this Act, or of an order of the Board or of a regulation of a local authority: or

(v) if, for the purpose of obtaining a licence, certificate, or instrument, he makes a declaration or statement false in any material particular, unless he shows to the satisfaction of the 30
 court that he did not know of that falsity, and that he could not with reasonable diligence have obtained knowledge thereof: or

(vi) if he obtains or endeavours to obtain such a licence, certificate, or instrument by means of a false pretence, unless he shows to the satisfaction of the court that he did not know of 35
 that falsity, and that he could not with reasonable diligence have obtained knowledge thereof: or

(vii) if he grants or issues such a licence, certificate, or instru-
 ment, being false in any date or other material particular, unless he shows to the satisfaction of the court that he did not 40
 know of that falsity, and that he could not with reasonable dili-
 gence have obtained knowledge thereof, or if he grants or issues

such a licence, certificate, or instrument, having, and knowing that he has, no lawful authority to grant or issue the same : or (viii) if, with intent to unlawfully evade or defeat this Act, or an order of the Board, or a regulation of a local authority, he grants or issues an instrument being in form a licence, certificate, or instrument made or issued under this Act or an order of the Board or a regulation of a local authority, for permitting or regulating the movement of a particular animal, or the doing of any other particular thing, but being issued in blank, that is to say, not being before the issue thereof so filled up as to specify any particular animal or thing : or

(ix) if he uses or offers or attempts to use for any purpose of this Act, or of an order of the Board, or of a regulation of a local authority, an instrument so issued in blank, unless he shows to the satisfaction of the court that he did not know of it having been so issued in blank, and that he could not with reasonable diligence have obtained knowledge thereof : or

(x) if he by means of any fraud or false pretence obtains, or attempts to obtain, compensation from the Board or a local authority in respect of an animal slaughtered, or aids or abets any person in any such fraud or false pretence : or

(xi) if, without lawful authority or excuse, proof whereof shall lie on him, he digs up, or causes to be dug up, a carcase buried under the direction of the Board or of a local authority or of a receiver of wreck : or

(xii) if, where the Board has by order prohibited, absolutely or conditionally, the use for the carrying of animals, or for any purpose connected therewith, of a vessel, vehicle, or pen, or other place, he, without lawful authority or excuse, proof whereof shall lie on him, does anything so prohibited ;

(2.) And in every case in this section specified he shall be liable, on conviction, in the discretion of the court, to be imprisoned for any term not exceeding two months, with or without hard labour, in lieu of the fine to which he is liable under this Act.

54.—Any offence against this Act may be prosecuted, and any fine in respect thereof may be recovered, and any money by this Act or an order of the Board of Agriculture made recoverable summarily may be recovered, and any summary orders under this Act or an order of the Board may be made in manner provided

Vict. c. 43.]

57.—(1.) Where the owner or person in charge of an animal is charged with an offence against this Act relative to disease or to any illness of the animal, he shall be presumed to have known of the existence of the disease or illness, unless and until he shows to the satisfaction of the court that he had not knowledge thereof, and could not with reasonable diligence have obtained that knowledge.

(2.) Where a person is charged with an offence against this Act in not having duly cleansed or disinfected any place, vessel, vehicle, or thing belonging to him or under his charge, and a presumption against him on the part of the prosecution is raised, it shall lie on him to prove the due cleansing and disinfection thereof.

(3.) A person charged with an offence against this Act may, if he thinks fit, tender himself to be examined on his own behalf, and thereupon he may give evidence in the same manner and with the like effect and consequences as any other witness.

(4.) Every offence against this Act shall be deemed to have been committed, and every cause of complaint or matter for summary proceeding under this Act or an order of the Board of Agriculture or regulation of a local authority shall be deemed to have arisen, either in any place where the same actually was committed or arose, or in any place where the person charged or complained of or

proceeded against happens to be at the time of the institution or commencement of the charge, complaint, or proceeding. A.D. 1894.

(5.) Notwithstanding anything in any Act relating to the metropolitan police or to municipal corporations or in any other Act, such
 5 part not exceeding one half of every fine or forfeiture recovered under this Act (except in proceedings under the Customs Acts) as the court before which it is recovered thinks fit, shall be paid to the person who proceeds for the same, and the residue thereof shall be applied as if this section had not been enacted.

10 *Miscellaneous.*

58. Notwithstanding anything in this Act the Hove Improvement Act Commissioners shall be the local authority for the Improvement Act District of Hove, and the local rate for that district shall be the rate applicable by the Commissioners to the
 15 maintenance of the police, and this Act shall apply to that district as if it were a borough and as if the said Commissioners were the council of the borough. Local authority and local rate in Hove.

Special Provisions as to Ireland.

A.D. 1894.

65. For the purposes of the execution of this Act in Ireland—

(1) the powers by this Act conferred on the Board of Agriculture shall be vested in the Lord Lieutenant acting by the advice of the Privy Council, in this Act referred to as the Lord Lieutenant and Privy Council, and as regards the making of orders and doing of acts affecting only particular local authorities, persons, ports, towns, districts, places, areas, vessels, or things, and as regards the issuing and revocation of licences, and the appointment or removal of inspectors and other officers, may be exercised by the Lord Lieutenant, or by the Chief Secretary as a Privy Councillor;

(2) any act of the Lord Lieutenant and Privy Council under this Act done otherwise than by Order in Council shall be sufficiently done and signified by an instrument signed by the Clerk of the Council: and every act done and signified by an instrument so signed shall be deemed to have been duly done by the Lord Lieutenant and Privy Council; and every such instrument shall be received in evidence in all courts and proceedings without proof of the authority or signature of the Clerk of the Council or other proof;

(3) any power under this Act vested in the Chief Secretary except as a Privy Councillor may, in his absence, be exercised by the Under Secretary for the time being to the Lord Lieutenant;

(4) an order of the Lord Lieutenant and Privy Council under this Act is referred to therein as an Order in Council; and

(5) subject to the provisions of this and subsequent sections of this Act relating to Ireland, the provisions of this Act relating to the Board of Agriculture and to orders of the Board of Agriculture and to officers of the said Board shall apply to the Lord Lieutenant and Privy Council, and to Orders in Council, and to orders of the Lord Lieutenant and to officers appointed by the Lord Lieutenant for the purposes of this Act.

66. In order to secure uniformity of action every Order in Council and every order of the Board of Agriculture made under this Act shall, with all practicable speed, be communicated to the Board of Agriculture, or to the Lord Lieutenant and Privy Council, as the case may be.

67.—(1.) The local authorities in Ireland shall be the boards of guardians of the several poor law unions, and the district of each local authority shall be the poor-law union.

Powers of Lord Lieutenant and Privy Council.
[41 & 42 Vict. c. 74. ss. 8, 75-77.]

Communication of Orders from and to Ireland.
[41 & 42 Vict. c. 74. s. 78.]

Constitution of local authorities; lands and borrowing, Ireland.

A.D. 1894.

38 & 39 Vict.
c. 55.
41 & 42 Vict.
c. 52.

(2.) The provisions of this Act relating to the purchase of land by local authorities shall, as regards Ireland, have effect as if instead of section one hundred and seventy-six of the Public Health Act, 1875, there were thereby applied section two hundred and three of the Public Health (Ireland) Act, 1878; and as if the local authority were a rural sanitary authority, and purposes of this Act were purposes for which a rural sanitary authority may acquire land.

41 & 42 Vict.
c. 52.
38 & 39 Vict.
c. 83.

(3.) The provisions of this Act relating to borrowing by local authorities shall, as regards Ireland, have effect as if sections two hundred and thirty-seven to two hundred and forty-six of the Public Health (Ireland) Act, 1878, were thereby applied instead of the Local Loans Act, 1875, and as if the local authority were a rural sanitary authority, and purposes of this Act were purposes for which a rural sanitary authority may borrow, and as if the Commissioners of Public Works in Ireland were substituted for the Public Works Loan Commissioners.

Provisions
respecting
officers of
local autho-
rities in
Ireland.
[41 & 42
Vict. c. 74.
s. 80.]

68. The Lord Lieutenant and Privy Council may make such Orders in Council as to them seem fit,—

- (i) for defining the numbers, qualifications, and powers of inspectors and valuers, and other officers of local authorities, and the terms and conditions of their appointment, and regulating their duties; and
- (ii) for fixing the periods for which they are to be appointed, and their remuneration and allowances.

Qualifica-
tions and
powers of
inspectors
in Ireland.
[41 & 42
Vict. c. 74.
s. 81.]

69.—(1.) The provisions of this Act requiring local authorities to keep appointed veterinary inspectors shall not extend to Ireland; and the powers and duties by this Act conferred and imposed on a veterinary inspector shall in Ireland be vested in and discharged by an inspector; but where a person appointed to be an inspector in Ireland has the qualification of a veterinary inspector under this Act, he may be styled a veterinary inspector.

(2.) The Lord Lieutenant and Privy Council may make such Orders in Council as to them seem fit for uniting two or more poor law unions into a district for the purposes of inspection, and for authorising or directing the local authorities of those unions to appoint and keep appointed a veterinary inspector for the united district, and for regulating the mode of appointing such inspector, and the amount of his remuneration, and the mode in which the several unions shall contribute thereto; or the Lord Lieutenant may, if he thinks fit, appoint a veterinary inspector for the united district, on such terms and conditions with reference to contribution

by the several unions towards the remuneration, travelling expenses, and allowances of the inspector as the Lord Lieutenant thinks fit. A.D. 1894.

(3.) An inspector appointed by the Lord Lieutenant shall have, throughout Ireland, or that part thereof for which he is appointed, all the powers by this Act conferred on a veterinary inspector of the Board of Agriculture.

(4.) In the application of this Act to Ireland the expression "inspector of the Board of Agriculture" shall mean a person appointed to be an inspector for the purposes of this Act by the Lord Lieutenant, and "inspector of a local authority" means an inspector appointed by a local authority or by local authorities under this section, and the expression "inspector" means such an inspector by whichever authority appointed.

70. The remuneration, expenses, and allowances of an inspector or valuer of a local authority in Ireland, and all money payable as compensation for animals slaughtered by direction of the local authority, shall when due be paid by the treasurer of the union out of union funds.

Expenses out of local authorities in Ireland. [41 & 42 Vict. c. 74. s. 82.]

71.—(1.) The General Cattle Diseases Fund established by the Contagious Diseases (Animals) Act, 1878, shall continue for the purpose of the execution of this Act in Ireland, and any money at the commencement of this Act standing to the credit of the fund, not being money paid to the cattle pleuro-pneumonia account, shall, in the first instance, constitute the general account of the fund.

General Cattle Diseases Fund for Ireland. [41 & 42 Vict. c. 74. s. 83. 55 & 56 Vict. c. 47. s. 2.]

(2.) The Chief Secretary may, as and when he thinks fit, certify to the effect that a sum equivalent to a certain poundage on the net annual value of the property in all the poor law unions is required for the purposes of this Act.

(3.) Thereupon the Local Government Board for Ireland shall by order under their seal assess that sum on the several poor law unions in proportion to the net annual value of the property therein, and shall send copies of the order to the guardians and to the treasurer of each union.

(4.) Thereupon the treasurer of each poor law union shall out of union funds pay over the amount assessed on the union to the Bank of Ireland, to be placed to the general account of the General Cattle Diseases Fund. The guardians of each union shall debit the several electoral divisions with proportions of that sum, according to the net annual value of the property therein.

(5.) No larger sum shall be levied under this Act at any one time than is equivalent to a poundage of one halfpenny in the pound on the net annual value of the property in all the poor law unions;

A.D. 1894. nor shall any larger sum be levied under this Act in the whole than is equivalent, taken with any money before the commencement of the Contagious Diseases (Animals) Act, 1878, carried to the Cattle Plague Account, and with any sums levied under that Act to a poundage of eightpence in the pound on the net annual value of the property in all the unions. 5

(6.) On receipt of a certificate of the Chief Secretary to the effect that any part of the sum standing to the general account of the General Cattle Diseases Fund is not required for purposes of that fund, the Local Government Board for Ireland shall by order under their seal assign the proportions returnable to the several poor law unions, according to the net annual value of the property therein; and the Bank of Ireland shall, on a direction to that effect from the Chief Secretary, remit the sum so assigned to the treasurers of the unions; and the guardians of each union shall, on receipt of that sum, credit the several electoral divisions with proportions of that sum according to the net annual value of the property therein. 10 15

[41 & 42
Vict. c. 74
s. 76.]

(7.) The expression "net annual value of property" in this section means the net annual value of property rateable to the relief of the poor according to the valuation in force for the time being. 20

(8.) The expression "union funds" in this Act means any money in the hands of the treasurer of a poor law union to the credit of the guardians of the union, and if at any time the assets in the treasurer's hands are not sufficient for any purpose of this Act, then union funds shall be taken to include the moneys next received by the treasurer and placed to the credit of the guardians. 25

Application
of General
Cattle
Diseases
Fund.
[41 & 42
Vict. c. 74.
s. 84.]

72.—(1.) The treasurer of a poor law union on proof to the Chief Secretary of the payment by a local authority of any money for remuneration, expenses, allowances, or compensation, in accordance with this Act, shall be entitled to a certificate to that effect, and to an order by the Chief Secretary for payment from the general account of the General Cattle Diseases Fund of one half of the money so proved to have been paid, subject, in the case of compensation, to all proper deductions for money received by the local authority in respect of animals slaughtered; and the amount so ordered shall be paid to the treasurer accordingly for the union. 30 35

(2.) If in any case it is proved to the Chief Secretary that an animal in respect whereof compensation was paid by the treasurer of a union was, within seven days immediately before its slaughter, 40

brought into that union solely for the purpose of being shipped out of Ireland from a port in that union within those seven days, or of being sold at a fair to be held in that union within those seven days, and that neither the owner nor the person in charge thereof had been
 5 guilty, in relation to it, of any offence against this Act, then the Chief Secretary shall order payment to the treasurer in manner aforesaid of the whole of the money paid in compensation in respect of that animal.

(3.) If in any case it is proved to the Chief Secretary that an
 10 animal in respect whereof compensation has been paid by a local authority ought not to have been slaughtered, the Chief Secretary may, notwithstanding anything in this section, withhold his order for payment out of the general account of the General Cattle Diseases Fund of any money in respect of that animal.

15 (4.) All expenses incurred by or on behalf of the Lord Lieutenant and Privy Council in the execution of this Act, and not otherwise provided for by this Act, shall be defrayed out of the general account of the General Cattle Diseases Fund.

(5.) No expenses other than those incurred in the execution of
 20 this Act shall be defrayed out of the General Cattle Diseases Fund.

73. For the purpose of defraying the costs incurred by the Lord Lieutenant and Privy Council in the execution of the sections of this Act which relate to the slaughter of cattle, animals, or swine, on account of pleuro-pneumonia, foot-and-mouth disease, or
 25 swine-fever, and the payment of compensation on account of such slaughter, the following provisions shall apply:—

(1.) There shall be paid to the General Cattle Diseases Fund—

(a) such moneys (not exceeding twenty thousand pounds in any one year) as may be provided by Parliament towards
 30 defraying the costs incurred by the Lord Lieutenant and Privy Council in the execution of the provisions of this Act relating to the slaughter of cattle, animals, or swine on account of pleuro-pneumonia, foot-and-mouth disease, or swine-fever; and

35 (b) all sums received by the Lord Lieutenant and Privy Council on the sale of the carcasses of cattle, animals, or swine, slaughtered by the Lord Lieutenant and Privy Council on account of pleuro-pneumonia, foot-and-mouth disease or swine-fever, after deducting any amounts payable thereout as excess to the owners of the cattle,
 40 animals, or swine, under this Act;

A.D. 1894.

and the amounts so paid shall be carried to a separate account, to be called the Cattle Pleuro-pneumonia Account of the said Fund, and which account was established by the Contagious Diseases (Animals) (Pleuro-pneumonia) Act, 1890, and is hereby continued, and the moneys standing to the credit of the said account shall be applicable solely to the purposes of the sections of this Act relating to the slaughter by the Board of Agriculture of cattle, animals, or swine, on account of pleuro-pneumonia, foot-and-mouth disease, or swine-fever, and the payment of compensation on account of such slaughter, and any expenses incurred in connection therewith;

(2.) Provided that after the expiration of the present financial year of the money provided by Parliament for the Cattle Pleuro-pneumonia Account of the said fund no larger sum shall be so provided for the purpose of defraying the costs of the execution of the sections of this Act relating to the slaughter of swine on account of swine-fever, and the payment of compensation on account of such slaughter, and any expenses incurred in connection therewith than a sum which with the sum provided by Parliament in that year for the same purposes in Great Britain would equal fifty thousand pounds.

(3.) The costs and expenses under this Act which in the case of Great Britain are by this Act made payable out of the money standing to the Cattle Pleuro-pneumonia Account for Great Britain shall in the case of Ireland be paid by the Lord Lieutenant and Privy Council out of the moneys standing to the cattle pleuro-pneumonia account of the General Cattle Diseases Fund, and, if those moneys are insufficient, shall be paid out of the general account of that fund;

(4.) The regulations contained in the Second Schedule to this Act shall apply to the Cattle Pleuro-pneumonia Account of the General Cattle Diseases Fund.

[53 & 54
Vict. c. 14.
s. 6.]

2. At the end of every financial year, accounts of the receipts and expenditure of the Cattle Pleuro-pneumonia Account for Great Britain and the Cattle Pleuro-pneumonia Account of the General Cattle Diseases Fund shall be made up in such form and with such particulars as may be directed by the Treasury, and such accounts shall be audited by the Comptroller and Auditor-General as public accounts in accordance with such regulations as the Treasury may make, and shall be laid before Parliament, together with his report thereon. 5

3. If at the end of any financial year the Treasury, after communication with the Board of Agriculture, or the Lord Lieutenant and Privy Council, as the case may be, are satisfied that the balance standing to the credit of either of the said Cattle Pleuro-pneumonia Accounts, or any part of such balance, will not be required for the purposes of this Act, they may— 10

(a) in the case of the Cattle Pleuro-pneumonia Account for Great Britain direct such balance or part to be paid in the proportions provided by this Schedule into the Local Taxation Account and the Local Taxation (Scotland) Account, in repayment of any sums which have been paid to the Cattle Pleuro-pneumonia Account out of the said Local Taxation Accounts; and 15

(b) in the case of the Cattle Pleuro-pneumonia Account of the General Cattle Diseases Fund, direct such balance or part to be paid into the general account of the said Fund in repayment of any sums which have been paid out of the said general account for any of the purposes to which the Cattle Pleuro-pneumonia Account is by this Act applicable; 20

and in either case the Treasury may direct any balance or part which may not be required for such repayment to be paid into the Exchequer. 25

4. The proportions in which any sum is to be paid out of or into the Local Taxation Account and the Local Taxation (Scotland) Account under this Act shall be eighty-eight per centum of such sum out of or into the Local Taxation Account, and twelve per centum out of or into the Local Taxation (Scotland) Account. 30

5. All money paid under this Act out of or into the Local Taxation Account shall in account be charged against or credited to the proceeds of the probate duty.

6. All moneys paid under this Act out of or into the Local Taxation (Scotland) Account shall in account be charged against or credited to the residue of the Scotch share of the local taxation (customs and excise) duties in manner provided by section two of the Local Taxation (Customs and Excise) Act, 1890. 35

53 & 54 Vict.
c. 60.

7. Payments out of or into the said Cattle Pleuro-pneumonia Accounts, and all other matters relating to the accounts and to the moneys standing to the credit of the accounts shall be made and regulated in such manner as the Treasury direct. 40

THE THIRD SCHEDULE.

FOREIGN ANIMALS.

PART I.

Slaughter at Port of Landing.

- 5 1. The animals shall be landed only at a part of a port defined for that purpose by special order of the Board of Agriculture, to be called a foreign animals wharf. [41 & 42 Vict. c. 74. 5th Sched.]
2. The animals shall be landed in such manner, at such times, and subject to such supervision and control as the Commissioners of Customs direct.
- 10 3. The animals shall not be moved alive out of the wharf.

PART II.

Quarantine.

1. The animals shall be landed only at a part of a port defined for that purpose by special order of the Board of Agriculture, to be called a foreign animals quarantine station.
- 15 2. The animals shall be landed in such manner, at such times, and subject to such supervision and control as the Commissioners of Customs direct, and subject to such conditions in respect of the animals, or of the vessel from which they are landed, as the Board by general order prescribe.
- 20 3. When landed the animals shall be placed in sheds or other receptacles in the quarantine station, prepared by the local authority or the owners of the quarantine station, or the consignees of animals, or other persons, and approved by the Board.
4. The animals shall not be moved out of the quarantine station except on
- 25 conditions prescribed by general or special order of the Board.
5. Notwithstanding anything in the foregoing provisions of this part of this Schedule the provisions of this Act relating to slaughter in case of the existence of disease, and to compensation or other payment in respect of animals so slaughtered, and to the ownership of carcases of such animals,
- 30 shall apply to animals within a foreign animals quarantine station.

THE FOURTH SCHEDULE.

COMMITTEES OF LOCAL AUTHORITIES.

1. Every local authority shall form and keep up a committee or committees, and may appoint the number of members by whom the powers of a committee may be exercised, and may at any time add to or diminish the number of the

members of a committee, or otherwise alter the constitution thereof, and fill up or provide for the filling up of vacancies therein, or revoke the appointment thereof and appoint another committee or committees, and lay down rules for the guidance of a committee, who shall act accordingly.

2. A committee may consist wholly of members of the local authority 5 or partly thereof, and partly of other persons, being rated occupiers in the district of the local authority, and otherwise qualified, as the local authority think fit.

3. A local authority may except in so far as it is otherwise provided by order of the Board of Agriculture delegate all or any of their powers, except 10 the power to make a rate, to a committee, with or without conditions or restrictions.

4. A local authority may revoke or alter any power given by them to a committee.

5. A local authority may, if they think fit, appoint and designate one 15 committee as their executive committee.

6. An executive committee shall have all the powers of the local authority, except the power to make a rate, and may, if they think fit, appoint a sub-committee or sub-committees, and delegate to them [except in so far as it is otherwise provided by order of the Board] all or any of the powers of the 20 executive committee, with or without conditions or restrictions, and revoke or alter any such delegation, and appoint the number of members by whom the powers of a sub-committee may be exercised, and add to or diminish the number of the members of a sub-committee, or otherwise alter the constitution thereof, and fill up or provide for the filling up of vacancies therein, or 25 revoke the appointment thereof and appoint another sub-committee or other sub-committees, and lay down rules for the guidance of a sub-committee who shall act accordingly.

7. Proceedings of a committee or sub-committee shall not be invalidated by any vacancy in the committee or sub-committee. 30

8. In case of the formation of two or more committees, they shall act according to rules laid down for their guidance by the local authority.

9. A committee, and a sub-committee of an executive committee, may elect a chairman of their meetings.

10. If no chairman is elected, or if the chairman so elected is not present 35 at the time appointed for a meeting, the members then present shall choose a chairman for that meeting.

11. A committee or sub-committee may meet and adjourn as they think proper.

12. Every question at a meeting of a committee or sub-committee shall be 40 determined by a majority of the votes of the members, including the chairman, present and voting on the question; and in case of equal division, the chairman shall have a second vote.

Contagious Diseases (Animals) Acts Amendment Bill.

MEMORANDUM.

The object of this Bill is to make some minor amendments of the machinery under the Contagious Diseases (Animals) Acts with a view to consolidation.

Clause 1.

It is proposed by this clause to give the Board of Agriculture power, by general order, to supplement or vary the procedure as to infected places and areas in the case of cattle-plague, pleuro-pneumonia, and foot-and-mouth disease with the view of making that procedure more elastic, and also to empower the Board to create any kind of district, zone, or space for the purpose of regulating movement and the holding of markets.

Clause 2.

The object of this clause is—

- (1) to extend certain portions of the machinery relating to infected places and areas to sheds and places where diseased animals are kept, though no infected place or area is declared,
- (2) to extend the powers of the Board as to disinfection of clothes to drovers, butchers, &c. engaged in the cattle trade, and
- (3) to remove certain doubts as to the powers of the Board with respect to the seizure and destruction of carcasses and the medical treatment of diseased animals.

Clause 3.

The object of this clause is to define by law the regulations applicable to foreign animals landed otherwise than for slaughter.

Clause 4.

The object of this clause is to extend to the cases of cattle plague and all other diseases the powers of entry now exerciseable in cases of pleuro-pneumonia, foot-and-mouth disease, or swine-fever.

[Bill 297.]

A.

Clause 5.

This clause gives to officers acting under the Contagious Diseases (Animals) Acts the same protection as is given to officers of local authorities by s. 265 of the Public Health Act, 1875.

Clause 6

The object of this clause is to make it clear that sheep-pox and sheep-scab need not be treated for all purposes as diseases under the Contagious Diseases (Animals) Act.

Clause 7.

The enactments which it is proposed to repeal are superseded or made unnecessary by clauses 1 and 2 of the Bill.

Contagious Diseases (Animals) Acts Amendment Bill.

ARRANGEMENT OF CLAUSES.

TO

Amend the Contagious Diseases (Animals) Acts, 1878
to 1893.

A.D. 1894.

BE it enacted by the Queen's most Excellent Majesty, by and with the advice and consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the authority of the same, as follows :

5 1. The Board of Agriculture may make such orders as they think fit for the following purposes or any of them :

Powers of
Board of
Agriculture
as to in-
fected places
and areas
and other
districts.

10 (a.) for supplementing or varying any of the provisions of the Contagious Diseases (Animals) Acts, 1878 to 1893, with respect to the authority, mode, and conditions by, in, and on which declarations as to places and areas infected with cattle plague, pleuro-pneumonia, or foot-and-mouth disease, are to be made, and the effect and consequence thereof, and with respect to all other matters connected with such places and areas ; and

15 (b.) for providing for the formation of any other kind of place or area, or any circle, zone, district, or space however designated within which any disease exists or has existed or may exist, and for providing or regulating the movement of animals in, into, or out of such places, areas, circles, zones, districts, or spaces, and of prohibiting or regulating the holding of markets, fairs, exhibitions, and sales of animals therein.

20 2.—(1.) The powers of the Board of Agriculture to make orders under section thirty-two of the Contagious Diseases (Animals) Act, 1878, in relation to animals, carcases, fodder, litter, utensils, pens, hurdles, dung, or other things being in an infected place or area shall extend to any animals which are diseased or suspected of being diseased, and to any carcases of animals that were at the time of death so diseased or suspected, and to any animals carcases, fodder,

Amend-
ment of
41 & 42 Vict.
c. 74. s. 32.

[Bill 297.]

2 *Contagious Diseases (Animals) Acts Amendment.* [57 & 58 VICT.]

A.D. 1894. litter, utensils, pens, hurdles, or other things which have been in the same field, shed, or other place, or otherwise in contact with any such animal, whether in an infected place or area or elsewhere.

(2.) The said section thirty-two shall have effect as if the following additional purposes were mentioned in that section :—

(a.) for prescribing and regulating the publication by placards, handbills, or otherwise in the immediate neighbourhood of a place in which disease exists or is suspected to exist, of the fact of such existence or suspicion ;

(b.) for prescribing and regulating the movement of persons into, in, or out of any shed, field, or other place in which any disease exists, or is suspected to exist or has recently existed ;

(c.) for prescribing and regulating the disinfection of the clothes of drovers, dealers, and butchers, and other persons employed in buying or selling animals, or in attending animals while in transit, or in slaughtering animals, and the use of precautions against the spreading of disease by such persons ;

(d.) for prescribing and regulating the destruction, burial, disposal, treatment, or seizure of the carcases of animals slaughtered by order of the Board or of a local authority, or dying while diseased or suspected, or of any carcase which in the opinion of a veterinary inspector or of a person duly authorized by the Board on that behalf is the carcase of an animal that was diseased at the time of death ;

(e.) for prescribing and regulating the treatment of diseased animals with dressing or other remedies by and at the expense of the local authority or the owner of the animals.

Regulations
as to landing
of foreign
animals not
subject to
slaughter.

3. The following regulations shall apply to all foreign animals which are allowed by order of the Board of Agriculture to be landed without being subject to slaughter or quarantine :—

(1.) The animals shall be landed only at a part of a port defined or approved for that purpose by special order of the Board and called a landing-place for foreign animals :

(2.) The animals shall be landed in such manner, at such times, and subject to such supervision and control as the Commissioners of Customs direct :

(3.) The animals, when landed, shall be detained in the landing place for the purposes of inspection and examination in such manner and for such time as the Board may by order prescribe.

Powers of
inspectors,
&c. of Board
of Agriculture.

4. An inspector of the Board of Agriculture or other person authorised by the Board for that purpose may, without prejudice to any other powers exerciseable by him, at any time enter any

building or place, whether enclosed or not, in which animals are kept, for the purpose of ascertaining whether any disease exists or has existed in that building or place. A.D. 1894.

- 5 **5.** A declaration made or thing done by any officer of a local authority, or by any person acting under the direction of a local authority, shall not, if made or done in good faith for the purpose of executing the Contagious Diseases (Animals) Acts, 1878 to 1893, or any order or regulation made thereunder, subject that officer or person personally to any action, liability, or claim. Protection of officers of local authority.
- 10 **6.** Sheep-pox and sheep-scab shall not be deemed to be diseases for the purposes of the Contagious Diseases (Animals) Acts, 1878 to 1893, unless brought within the definition of disease by any order of the Board under section thirty-two of the Contagious Diseases (Animals) Act, 1878. Explanation of law as to sheep-pox and sheep-scab.
- 15 **7.** This Act shall apply to Ireland with the modifications and subject to the provisions contained in Part IV. of the Contagious Diseases (Animals) Act, 1878. Application to Ireland.
- 20 **8.** The Acts mentioned in the schedule to this Act are hereby repealed to the extent appearing in the third column of that schedule: Provided that nothing in this section shall affect the validity or operation of any declaration made under any enactment hereby repealed as to any infected place or area. Repeal.
- 25 **9.** This Act may be cited as the Contagious Diseases (Animals) Act, 1894, and shall be read with the Contagious Diseases (Animals) Acts, 1878 to 1893. Short title and construction.
